(38 acres) Brunswick Commerce Center at the intersection of Route 303 and I–71, Brunswick (Medina County); Site 26: (51 acres) Portside Corporate Park, located at 2200 Akron-Medina Road, Sharon Township (Medina County); Site 27: (47 acres) Wadsworth Corporate Park, Wadsworth (Medina County); and, Site 28: (141 acres) Route 30 Industrial Park, State Route 30, Wooster (Wayne County).

The grantee’s proposed service area under the ASF would be Ashtabula, Trumbull, Mahoning, Columbiana, Portage, Summit, Stark, Medina, Wayne and Richland Counties, Ohio, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is adjacent to the Cleveland Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize and expand its existing zone project to include existing Sites 1, 3–6, and 8–27 as “magnet” sites, as well as to remove Sites 2, 7 and 28. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant has also requested that Site 1 be expanded to include an additional 193 acres. In addition, the applicant is requesting approval of the following new “magnet” site: Proposed Site 29: (71 acres) Albrecht Inc., 2700 and 2850 Gilchrist Road, Akron (Summit County).

Because the ASF only pertains to the proposed site project to include existing Sites 1, 3–6, and 8–27 as “magnet” sites, as well as to remove Sites 2, 7 and 28. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant has also requested that Site 1 be expanded to include an additional 193 acres. In addition, the applicant is requesting approval of the following new “magnet” site: Proposed Site 29: (71 acres) Albrecht Inc., 2700 and 2850 Gilchrist Road, Akron (Summit County). Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 181’s authorized subzone.

In accordance with the Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and recommendations to the Board.
