BILLING CODE 3510–DR–P
365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds that it is not practicable to complete the preliminary results of this review within the original time frame because comments from interested parties have necessitated the solicitation and subsequent analysis of additional information from the respondent, New–Tec Integration (Xiamen) Co., Ltd. This additional information covers a wide range of issues and is extensive. The Department requires additional time to gather and analyze the additional information. Thus, the Department finds it is not practicable to complete this review within the original time limit (i.e., September 9, 2010). Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review by 120 days (i.e., until January 7, 2011), in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(b)(2). We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: August 17, 2010.

Assistant Secretary for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–5050.

SUPPLEMENTARY INFORMATION: On December 6, 1973, the Department of the Treasury published in the Federal Register the antidumping finding on polychloroprene rubber from Japan. See Polychloroprene Rubber from Japan, 38 FR 33593 (December 6, 1973). On August 4, 2005, the Department published its most recent continuation of the finding. See Continuation of Antidumping Duty Order; Polychloroprene Rubber from Japan, 70 FR 44893 (August 4, 2005). On July 9, 2010, the Department initiated a sunset review of this finding. See Initiation of Five-year (‘‘Sunset’’) Review, 75 FR 39494 (July 9, 2010).

The domestic interested parties did not file a notice of intent to participate in this sunset review. As a result, in accordance with 19 CFR 351.218(d)(1)(iii)(A), the Department determined that no domestic interested party intends to participate in the sunset review and on July 29, 2010 we notified the International Trade Commission, in writing, that we intended to revoke this antidumping finding. See 19 CFR 351.218(d)(1)(iii)(B)(2).

Scope of the Finding:

Imports covered by the finding are shipments of polychloroprene rubber, an oil resistant synthetic rubber also known as polymerized chlorobutadiene or neoprene, currently classifiable under items 4002.41.00, 4002.49.00, 4003.00.00 of the Harmonized Tariff Schedule of the United States (‘‘HTSUS’’).1 HTSUS item numbers are provided for convenience and customs purpose. The Department’s written description of the scope remains dispositive.

Determination to Revoke:

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended (‘‘the Act’’) and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the finding. Because the domestic interested parties did not file a notice of intent to participate in this sunset review, the Department finds that no domestic interested party is participating in this sunset review. Therefore, consistent with 19 CFR 351.222(i)(1)(i) and section 751(c)(3)(A) of the Act, we are revoking this antidumping finding. The effective date of revocation is August 4, 2010, the fifth anniversary of the date of publication in the Federal Register of the most recent notice of continuation of this antidumping duty finding.

Termination of Suspension of Liquidation:

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department intends to issue instructions to U.S. Customs and Border Protection, to terminate the suspension of liquidation of the merchandise subject to this finding entered, or withdrawn from warehouse, on or after August 4, 2010. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The Department will complete any pending administrative reviews of this finding and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests of review.

This five-year (sunset) review and notice are published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: August 17, 2010.
Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.
