SUPPLEMENTARY INFORMATION:

I. Background

FDA is announcing the availability of a guidance entitled "Guidance for Industry: Questions and Answers Regarding the Effect of Section 4205 of the Patient Protection and Affordable Care Act of 2010 on State and Local Menu and Vending Machine Labeling Laws." FDA is issuing this guidance in a Questions and Answers format as an informational guide to industry and State and local governments affected by the enactment of section 4205 of the Affordable Care Act (Public Law 111–148), which became effective on March 23, 2010. Section 4205 of the Affordable Care Act requires restaurants or similar retail food establishments with 20 or more locations doing business under the same name and offering for sale substantially the same menu items ("chain retail food establishments") to disclose specific nutrition information about certain food items offered for sale. Section 4205 also requires vending machines operated by persons who own or operate 20 or more vending machines ("chain vending machine operators") to disclose calorie information for certain food articles sold in vending machines. FDA is issuing this guidance to clarify section 4205's effect on State and local menu and vending machine labeling laws, and to ensure that industry and State and local government understand the immediate effects of the law.

FDA is issuing this guidance as level 1 guidance consistent with FDA's good guidance practices regulation (§ 10.115 (21 CFR 10.115)). Consistent with FDA's good guidance practices regulation, the agency will accept comment, but is implementing the guidance document immediately, in accordance with § 10.115(g)(2), because the agency has determined that prior public participation is not feasible or appropriate in light of the need to respond expeditiously to the mandates in section 4205 of the Affordable Care Act, which was effective on March 23, 2010. The guidance represents the agency's current thinking on section 4205's effective date, and effect on State and local menu and vending machine labeling laws. It does not create or confer any rights for or on any person and does not operate to bind FDA or the public. An alternate approach may be used if such approach satisfies the requirements of the applicable statutes and regulations.

II. Paperwork Reduction Act of 1995

This guidance refers to previously approved collections of information found in the Federal Food, Drug, and Cosmetic Act and established by section 4205 of the Affordable Care Act. The collections of information in section 4205 of the Affordable Care Act

have been approved under OMB control no. 0910–0665.
