Fisheries of the Gulf of Mexico and South Atlantic; Southeast Data, Assessment, and Review for Highly Migratory Species Fisheries Sandbar, Dusky, and Blacknose Sharks

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of Southeast Data, Assessment, and Review (SEDAR 21) workshops for Highly Migratory Species (HMS) of sandbar, dusky, and blacknose sharks assessment webinar.

SUMMARY: The SEDAR 21 assessments of the HMS stocks of sandbar, dusky, and blacknose sharks will consist of a series of workshops and webinars: a Data Workshop, a series of Assessment webinars, and a Review Workshop (see SUPPLEMENTARY INFORMATION).

DATES: The SEDAR 21 Assessment Process I webinars will be held between September 14th and December 8th, 2010. Please see SUPPLEMENTARY INFORMATION for exact dates and times.

ADDITIONAL SUPPLEMENTARY INFORMATION: The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center.

Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and Federal agencies.

SEDAR 21 Assessment Process I Webinar Series

Using datasets recommended from the Data Workshop, participants will employ assessment models to evaluate stock status, estimate population benchmarks and management criteria, and project future conditions. Participants will recommend the most appropriate methods and configurations for determining stock status and estimating population parameters.

Foreign-Trade Zones Board
[Order No. 1702]

Reorganization of Foreign-Trade Zone 176 Under Alternative Site Framework, Rockford, IL

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a–81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Board adopted the alternative site framework (ASF) in December 2008 (74 FR 1170, 01/12/09; correction 74 FR 3987, 01/22/09) as an option for the establishment or reorganization of general-purpose zones;

Whereas, the Greater Rockford Airport Authority, grantee of Foreign-Trade Zone 176, submitted an application to the Board (FTZ Docket 1–2010, filed 1/6/2010) for authority to reorganize under the ASF with a service area that includes Winnebago, Stephenson, Ogle, Lee, DeKalb, and Boone Counties, and portions of Bureau, McHenry and Kane Counties, Illinois, within and adjacent to the Rockford Customs and Border Protection port of entry, and FTZ 176’s existing sites would be categorized as magnet sites;

Whereas, notice inviting public comment was given in the Federal Register (75 FR 2487, 1/15/10) and the application has been processed pursuant to the FTZ Act and the Board’s regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner’s report, and finds that the requirements of the FTZ Act and Board’s regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to reorganize FTZ 176 under the alternative site framework is approved, subject to the FTZ Act and the Board’s regulations, including Section 400.28, to the Board’s standard 2,000-acre activation limit for the overall general-purpose zone project, and to a five-year ASF sunset provision.
