DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket No. USCG–2010–0799]

RIN 1625–AA00

Safety Zone; Olympia Harbor Days Tug Boat Races, Budd Inlet, WA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone within the navigation channel in Budd Inlet, WA during Olympia Harbor Days tug boat races. This safety zone is necessary to restrict vessel movement during racing activity in order to ensure the safety of participants, spectators, and the maritime public. This action is intended to restrict vessel traffic movement on specified waters of the Budd Inlet, WA during Olympia Harbor Days tug boat races.

DATES: This rule is effective from 8 a.m. until 8 p.m. on September 5th, 2010.

ADDRESS: Documents indicated in this preamble as being available in the docket are part of docket USCG–2010–0799 and are available online by going to http://www.regulations.gov, inserting USCG–2010–0799 in the “Keyword” box, and then clicking “Search.” They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, call or e-mail LTJG Ashley M. Wanzer, Sector Puget Sound, Waterways Management Division, Coast Guard; telephone 206–217–6175, e-mail SectorSeattleWWM@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is contrary to the public interest to delay the effective date of this rule. Delaying the effective date by first publishing an NPRM would be contrary to the safety zone’s intended objectives because immediate action is needed to restrict vessel movement during racing activity in order to ensure the safety of participants, spectators, and the maritime public.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. Due to the need for immediate action, the restriction of vessel traffic is necessary to protect life and property; therefore, a 30-day notice is impracticable. Delaying the effective date would be contrary to the safety zone’s intended objectives of protecting persons and vessels involved in the event, and enhancing public and maritime safety.

Basis and Purpose

This temporary rule addresses safety concerns associated with the Olympia Harbor Days tugboat races. Tugboat races result in vessel and spectator congestion in the proximity of the race course. Additionally, the draft of these vessels creates a large wake when accelerating at fast speeds during races. This safety zone is necessary to ensure spectators remain an adequate distance from the race course and to provide unencumbered access for emergency response craft in the event of a race-related emergency. This safety zone will do so by prohibiting persons and vessel operators from entering, transiting or remaining within this safety zone while enforced.

Discussion of Rule

Olympia Harbor Days is an annual tugboat race in Budd Inlet, WA involving three classes of tugboat races. Each class of vessel will compete in a heat which will take place in the navigation channel. This safety zone restricts vessel movement in the navigation channel during each heat of racing. This rule is effective from 8 a.m. until 8 p.m. on September 5th, 2010. The safety zone will encompass all waters of Budd Inlet, WA the width of the navigation channel south of a line connecting the following points: 47°05′34″ N 122°55′53″ W and 47°05′34″ N 122°55′28″ W, until reaching the northermost end of the navigation channel at a line connecting the following points 47°05′06″ N 122°55′28″ W and 47°05′03″ N, 122°55′44″ W then southeasterly until reaching the southermost entrance of the navigation channel at a line connecting the following points 47°04′00″ N 122°54′28″ N 122°54′35″ W. Access to the zone will be restricted during the specified date and time. Entry into, transit through, mooring or anchoring within this zone is prohibited unless authorized by the Captain of the Port, Puget Sound or Designated Representative.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. This rule is not a significant regulatory action because it is short in duration and vessels will be able to transit the navigation channel between heats of racing.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently...
owned and operated and are not
dominate in their fields, and
governmental jurisdictions with
populations of less than 50,000.

The Coast Guard certifies under
5 U.S.C. 605(b) that this rule will not
have a significant economic impact on
a substantial number of small entities.
This rule will affect the following
entities, some of which may be small:
the owners or operators of
vessels intending to transit this zone
during periods of enforcement.
This safety zone will not have a significant
economic impact on a substantial
number of small entities for the
following reasons. This rule will be
enforced for a short duration and vessels
will be able to navigate the channel
between heats with the permission of
the patrolling event committee crafts.

Assistance for Small Entities
Under section 213(a) of the Small
Business Regulatory Enforcement
Fairness Act of 1996 (Pub. L. 104–121),
we offer to assist small entities in
understanding the rule so that they can
better evaluate its effects on them and
participate in the rulemaking process.

Small businesses may send comments
on the actions of Federal employees
who enforce, or otherwise determine
compliance with, Federal regulations to
the Small Business and Agriculture
Regulatory Enforcement Ombudsman
and the Regional Small Business
Regulatory Fairness Boards. The
Ombudsman evaluates these actions
annually and rates each agency’s
responsiveness to small business. If you
wish to comment on actions by
employees of the Coast Guard, call
The Coast Guard will not retaliate
against small entities that question or
complain about this rule or any policy
or action of the Coast Guard.

Collection of Information
This rule calls for no new collection
of information under the Paperwork
3520).

Federalism
A rule has implications for federalism
under Executive Order 13132,
Federalism, if it has a substantial direct
effect on State or local governments and
would either preempt State law or
impose a substantial direct cost of
compliance on them. We have analyzed
this rule under that Order and have
determined that it does not have
implications for federalism.

Unfunded Mandates Reform Act
The Unfunded Mandates Reform Act
of 1995 (2 U.S.C. 1531–1538) requires
Federal agencies to assess the effects of
their discretionary regulatory actions. In
particular, the Act addresses actions
that may result in the expenditure by a
State, local, or Tribal government, in the
aggregate, or by the private sector of
$100,000,000 (adjusted for inflation) or
more in any one year. Though this rule
will not result in such an expenditure,
we do discuss the effects of this rule
elsewhere in this preamble.

Taking of Private Property
This rule will not cause a taking of
private property or otherwise have
taking implications under Executive
Order 12630, Governmental Actions
and Interference with Constitutionally
Protected Property Rights.

Civil Justice Reform
This rule meets applicable standards
in sections 3(a) and 3(b)(2) of Executive
Order 12988, Civil Justice Reform, to
minimize litigation, eliminate
ambiguity, and reduce burden.

Protection of Children
We have analyzed this rule under
Executive Order 13045, Protection of
Children from Environmental Health
Risks and Safety Risks. This rule is not
an economically significant rule and
does not create an environmental risk to
health or risk to safety that may
disproportionately affect children.

Indian Tribal Governments
This rule does not have Tribal
implications under Executive Order
13175, Consultation and Coordination
with Indian Tribal Governments,
because it does not have a substantial
direct effect on one or more Indian
Tribes, on the relationship between the
Federal Government and Indian Tribes,
or on the distribution of power and
responsibilities between the Federal
Government and Indian Tribes.

Energy Effects
We have analyzed this rule under
Executive Order 13211, Actions
Concerning Regulations That
Significantly Affect Energy Supply,
Distribution, or Use. We have
determined that it is not a “significant
energy action” under that order because
it is not a “significant regulatory action”
under Executive Order 12866 and is not
likely to have a significant adverse effect
on the supply, distribution, or use of
energy. The Administrator of the Office
of Information and Regulatory Affairs
has not designated it as a significant
energy action. Therefore, it does not
require a Statement of Energy Effects
under Executive Order 13211.

Technical Standards
The National Technology Transfer
and Advancement Act (NTTAA) (15
U.S.C. 272 note) directs agencies to use
voluntary consensus standards in their
regulatory activities unless the agency
provides Congress, through the Office of
Management and Budget, with an
explanation of why using these
standards would be inconsistent with
applicable law or otherwise impractical.
Voluntary consensus standards are
technical standards (e.g., specifications
of materials, performance, design, or
operation; test methods; sampling
procedures; and related management
systems practices) that are developed or
adopted by voluntary consensus
standards bodies.

This rule does not use technical
standards. Therefore, we did not
consider the use of voluntary consensus
standards.

Environment
We have analyzed this rule under
Department of Homeland Security
Management Directive 023–01 and
Commandant Instruction MI6475.1D,
which guide the Coast Guard in
complying with the National
Environmental Policy Act of 1969
(NEPA) (42 U.S.C. 4321–4370f), and
have concluded this action is one of a
category of actions that do not
individually or cumulatively have a
significant effect on the human
environment. This rule is categorically
excluded, under figure 2–1, paragraph
(34)(g), of the Instruction. This rule
involves the establishment of a safety
zone. An environmental analysis
checklist and a categorical exclusion
determination will be made available in
the docket where indicated under
ADDRESSES.

List of Subjects in 33 CFR Part 165
Harbors, Marine safety, Navigation
(water), Reporting and recordkeeping
requirements, Security measures,
Waterways.

For the reasons discussed in
the preamble, the Coast Guard amends 33
CFR part 165 as follows:

PART 165—REGULATED NAVIGATION
AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165
continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C.
Chapters 701, 3306, 3703; 50 U.S.C. 191, 195;
33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5;
Pub. L. 107–295, 116 Stat. 2064; Department of
2. Add temporary § 33 CFR 165.T13–159 to read as follows:

§ 165.T13–159 Safety Zone; Olympia Harbor Days Tug Boat Races, Budd Inlet, WA.

(a) Safety Zones. The following area is designated as a safety zone:

1. Location. All waters of Budd Inlet, WA the width of the navigation channel south of a line connecting the following points: 47°05’34” N 122°55’53” W and 47°05’34” N 122°55’28” W until reaching the northernmost end of the navigation channel at a line connecting the following points 47°05’06” N 122°55’28” W and 47°05’03” N 122°55’44” W then southeasterly until reaching the southernmost entrance of the navigation channel at a line connecting the following points 47°04’00” N 122°54’28” N 122°54’35” W.

(b) Effective Period. This regulation is effective from 8 a.m. until 8 p.m. on September 5th, 2010.

(c) Regulations. In accordance with the general regulations in 33 CFR Part 165, Subpart C, no person or vessel may enter, transit, moor, or anchor within this safety zone unless authorized by the Captain of the Port or Designated Representative.

(d) Authorization. All persons or vessels who desire to enter the safety zone created in this section must obtain permission from the Captain of the Port or Designated Representative by contacting either the event sponsor on VHF Ch 06, the on-scene patrol craft on VHF Ch 13 or Ch 16 or the Coast Guard Sector Puget Sound Joint Harbor Operations Center (JHOC) via telephone at 206–217–6002.

Dated: August 17, 2010.
S.W. Bornemann,
Captain, U.S. Coast Guard, Captain of the Port, Puget Sound.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165
[Docket No. USCG–2010–0776]
RIN 1625–AA00

Safety Zone; Fireworks Displays, Potomac River, National Harbor, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary interim rule with request for comments.

SUMMARY: The Coast Guard is establishing a safety zone upon specified waters of the Potomac River. This action is necessary to provide for the safety of life on navigable waters during five fireworks displays launched from a discharge barge located at National Harbor, in Prince Georges County, Maryland. This safety zone is intended to protect the maritime public in a portion of the Potomac River.

DATES: This rule is effective from September 1, 2010 through November 19, 2010. Comments and related material must reach the Coast Guard on or before October 1, 2010.

ADDRESSES: You may submit comments identified by docket number USCG–2010–0776 using any one of the following methods:

(2) Fax: 202–493–2251.

(4) Hand Delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary interim rule, call or e-mail Ronald L. Houck, Sector Baltimore Waterways Management Division, Coast Guard; telephone 410–576–2674, e-mail Ronald.L.Houck@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to http://www.regulations.gov and will include any personal information you have provided.

Submitting Comments:

If you submit a comment, please include the docket number for this rulemaking (USCG–2010–0776), and indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via http://www.regulations.gov) or by fax, mail or hand delivery, but please use only one of these means. If you submit a comment online via http://www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand delivery, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov, click on the “submit a comment” box, which will then become highlighted in blue. In the “Document Type” drop down menu select “Proposed Rule” and insert “USCG–2010–0776” in the “Keyword” box. Click “Search” then click on the balloon shape in the “Actions” column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and materials received during the comment period and may change this rule based on your comments.

Viewing Comments and Documents:

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, click on the “read comments” box, which will then become highlighted in blue. In the “Keyword” box insert “USCG–2010–0776” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act:

Anyone can search the electronic form of comments received into any of our dockets by the name or the individual submitting the comment (or signing the comment, if submitted on
