

new contract. Prospective new concessioners for this contract will be required to pay the previous concessioner its ending LSI value. Accordingly, the significantly lower ending LSI value under the final LSI alternative, in contrast to the significantly higher ending LSI value as proposed by the commenter, lowers the entry cost to prospective new concessioners and thereby encourages the submission of competitive proposals in future solicitations.

2. *Comment:* A concerned citizen commented to the effect that the new contract should not be trusted and that Government contracts should be shut down because they always prove detrimental to the public.

Response: NPS considers the new contract to be in the public interest and in furtherance of the NPS mission to preserve and protect areas of the national park system while making them available for public enjoyment.

Public Availability of Further Information

Complete details and further explanation of the final LSI alternative are publically available at <http://www.nps.gov/commercialservices/>. NPS will amend the prospectus by public notice in FedBizOpp.gov in order to implement the final LSI alternative. This **Federal Register** notice regarding the LSI alternative, although not required, was issued in order to provide the public a complete understanding of the NPS alternative LSI authority (exercised for the first time in this transaction).

Notice of Temporary Closure for Lands West of North Menan Butte, Idaho

AGENCY: Bureau of Land Management; Idaho Falls District, Upper Snake Field Office, Idaho.

ACTION: Temporary closure.

SUMMARY: Notice is hereby given that a temporary closure will apply to approximately 1,800 acres of public lands administered by the Bureau of Land Management (BLM) Upper Snake Field Office, Idaho. This same area has been closed to target shooting and full-

size vehicles for the past 3 years to prevent illegal dumping and littering, including hazardous materials. This closure will be in effect for 24 months, to allow completion of a resource management plan (RMP), which will provide permanent management direction for the area. During the temporary closure, the 1,800 acres will continue to be open to human entry by foot and by horse. Off-road vehicles are allowed entry but will be required to stay on developed roads and trails. Any person who fails to comply with a closure or restriction order issued under this authority may be subject to the penalties described in 43 CFR 8360.0-7.

DATES: This temporary closure will be effective on the date this notice is published in the **Federal Register** and will remain in effect for 24 months from the date of publication or until rescinded or modified by the authorized officer or designated Federal officer.

FOR FURTHER INFORMATION CONTACT: The Upper Snake Field Office, 1405 Hollipark Drive, Idaho Falls, Idaho 83401 or call (208) 524-7500. By mail: Field Manager, Upper Snake Field Office, Bureau of Land Management, 1405 Hollipark Drive, Idaho Falls, Idaho 83401.

SUPPLEMENTARY INFORMATION: Annually, the BLM buries or removes between 20 and 50 dumped dead animals and approximately 10 tons of solid waste from public lands near North Menan Butte, a National Natural Landmark and an Area of Critical Environmental Concern. The waste originates when the public brings propane tanks, hot water heaters, computers, televisions, washers, dryers, car batteries, paint cans, and other waste objects and leaves them on the public lands. Target shooters shoot at this waste, leaving shell casings littering the landscape. This area is now a health and safety hazard due to the dumping, shooting, and the potential for disease transmission from uncovered dead animal carcasses. This waste has also included hazardous materials in recent years. During the temporary closure, the 1,800 acres will continue to be open to human entry by foot and by horse. Off-road vehicles are allowed entry but will be required to stay on developed roads and trails.

The following public lands are included in the closure:

Boise Meridian, Idaho

T. 6 N., R. 38 E.,
Section 27 (all) in Madison County,
Sections 28 (parts) in Jefferson County, and
T. 5 N., R. 38 E.,
