SUPPLEMENTARY INFORMATION: This National Organic Certification Cost-Share Program is authorized under 7 U.S.C. 6523, as amended by section 10301 of the Food, Conservation and Energy Act of 2008 (Act). The Act authorizes the Department to provide certification cost-share assistance to producers and handlers of organic agricultural products in all States. Beginning in Fiscal Year 2008, the AMS has allocated \$22 million for this program to be distributed through cooperative agreements to interested States, until such funding has been exhausted. The Program provides financial assistance to organic producers and handlers certified to the NOP. The NOP is authorized under the Organic Foods Production Act of 1990, as amended (7 U.S.C. 6501 *et seq.*).

To participate in the program, interested States, through their State Department of Agriculture, must complete an Application for Federal Assistance (Standard Form 424) and enter into a written cooperative agreement with AMS. State Department of Agriculture refers to agencies, commissions, or departments of State government responsible for implementing regulation, policy or programs on agriculture within their State. The program will provide cost-share assistance, through participating States, to organic producers and handlers receiving certification or continuation of certification by a USDA accredited certifying agent commencing October 1, 2010, through September 30, 2011. Under the Act, cost-share assistance payments are limited to 75 percent of an individual producer's or handler's certification costs up to a maximum of \$750.00 per year.

This application must include: (1) Proof of NOP certification issued or continued within the cost-share qualifying period, October 1, 2010, through September 30, 2011, and; (2) an itemized invoice demonstrating costs incurred for NOP certification. Costs incurred for non-certification activities, such as, membership associations or farm/operation inputs are not eligible for assistance through this program.

However, for producers in the states of Connecticut, Delaware, Hawaii, Maine, Maryland, Massachusetts, Nevada, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Utah, Vermont, West Virginia, and Wyoming cost-share funding is available to these states, through their State Department of Agriculture, under the Agricultural Management Assistance (AMA) Organic Certification Cost-Share Program authorized under Section 1524 of the Federal Crop Insurance Act, as amended (7 U.S.C. 1501-1524). As provided in a notice of Funds Availability published in the **Federal Register** completed applications for the AMA Federal assistance program, along with signed cooperative agreements must be received by close of business, September 24, 2010.
