### **Overview of the Information Collection**

*Title of the Collection:* Survey of Federal Home Loan Bank Economic Development Programs.

*OMB No.:* 2590-0010.

*Need and Use of the Information Collection:* The Office of Housing and Community Investment (OHCI) of FHFA is conducting research and outreach initiatives to determine ways to enhance the Federal Home Loan Banks' (FHLBanks) capacity to meet the

nation's unmet economic development credit needs. At the conclusion of these processes, OHCI expects to propose for public comment amendments to the Community Investment Cash Advance (CICA) Regulation (12 CFR part 952) in late 2011. Amending the regulation will update the regulatory standards to reflect current community and economic development investment strategies and priorities, and clarify a regulation that may be difficult to apply.

As part of the outreach and after discussion with FHFA, six FHLBanks (Pittsburgh, San Francisco, Atlanta, Boston, Dallas, and Des Moines) will host and conduct open-forum discussions in their districts that will consist of a cross section of FHLBank members and end-users who will provide comments on unmet credit needs and their experiences with current FHLBank economic development products and programs.

FHFA will send two surveys electronically to participants prior to the open-forum discussions. The surveys will be returned electronically to FHFA staff. FHFA staff and the meeting facilitators will review the survey results to initiate discussions at the open-forums.

In addition to the outreach meetings at the FHLBanks, OHCI is proposing to host an Economic Development Conference in October 2010. This conference will be attended by OHCI staff, FHLBank staff and approximately 100 individuals representing economic development organizations from all segments of the community development field. Participants will discuss current and future national economic development issues, financing challenges, opportunities in the field, and best practices. FHFA staff will send four surveys electronically. At the conference, OHCI staff will conduct

concurrent open-forum discussions and use the survey responses to initiate the discussions. The discussions will center on opportunities and challenges in using FHLBank financing to fund economic development projects and activities that will create jobs and spur economic growth. Information from the discussions at the FHLBanks and at the conference will be used to inform FHFA how the CICA regulation may be enhanced.

*Affected Public:* Private sector.

*Costs:* FHFA estimates that there will be no annualized capital/start-up costs for the respondents to collect and submit this information.

*Type of Respondents:* Federal Home Loan Bank Members, Economic Development Organizations, Economic and Community Development Trade Groups, State and Local Economic Development Authorities, and Economists.
