of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (32)(e), of the Instruction. Under figure 2–1, paragraph (32)(e), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 117

Bridges.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 117 as follows:

PART 117—DRAWBRIDGE OPERATION REGULATIONS

1. The authority citation for part 117 continues to read as follows:

2. Revise §117.219 to read as follows:

§117.219 Pequonnock River.

(a) The draw of the Stratford Avenue Bridge at mile 0.1, at Bridgeport, shall open on signal; except that, from 6:45 a.m. to 7:15 a.m., 7:45 a.m. to 8:15 a.m., 11:45 a.m. to 1:15 p.m., and 4:30 p.m. to 6:10 p.m., the draw need not open for the passage of vessel traffic. From December 1 through March 31, from 8 p.m. to 4 a.m., the draw shall open on signal if at least a six-hour notice is given by calling the number posted at the bridge.

(b) The draw of the Metro-North Peck Bridge at mile 0.3, at Bridgeport, shall open on signal or after three blasts as follows:

(1) From 5:45 a.m. to 9 p.m. except:

(i) From Monday through Friday, excluding holidays or emergencies, the draw need not be opened from 6:45 a.m. to 7:15 a.m., 7:45 a.m. to 8:15 a.m., and 4:30 p.m. to 6:10 p.m.

(ii) From Monday through Friday, excluding holidays or emergencies, the draw need not be opened more than once during the periods from 5:45 a.m. to 6:45 a.m., 7:15 a.m. to 7:45 a.m., 8:15 a.m. to 9 a.m., and 6:10 p.m. to 8:15 p.m.

(2) From 9 p.m. to 5:45 a.m., the draw shall open on signal if at least an eight-hour notice is given by calling the number posted at the bridge.

(3) The draw need not open on signal if a train is approaching so closely that it may not be safely stopped; however, any delay in opening the draw shall not exceed seven minutes from the time the request to open is received.

(c) The draw of the East Washington Street Bridge at mile 0.6, shall open on signal or after one prolonged blast followed by two short blasts, if at least a twenty four hour notice is given by calling the number posted at the bridge.

Daniel A. Neptun,
Bear Admiral, U.S. Coast Guard, Commander, First Coast Guard District.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Doct No. USCG–2010–0791]

RIN 1625–AA00

Safety Zone; Revolution 3 Triathlon, Lake Erie & Sandusky Bay, Cedar Point, OH

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on Lake Erie and Sandusky Bay near Cedar Point, Ohio. The safety zone is intended to restrict vessels from portions of the Lake Erie during the Revolution 3 Cedar Point Triathlon. The temporary safety zone is necessary to protect participants of the swim portion of the triathlon race from potential hazards from vessels operating in the area.

DATES: This rule is effective from 6:30 a.m. through 9:30 a.m. on September 12, 2010.

ADDRESSES: Documents indicated in this preamble as being available in the docket are part of docket USC–2010–0791 and are available online by going to http://www.regulations.gov, inserting USCG–2010–0791 in the “Keyword” box, and then clicking “search.” They are also available for inspection or copying at the Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground floor, Room W12–140, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary rule, contact or e-mail MSTC Benjamin Wagner, Response Department, Marine Safety Unit Toledo, Coast Guard; telephone (419) 418–6008, Benjamin.D.Wagner@uscg.mil. If you have questions on viewing the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Regulatory Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when an agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because publishing an NPRM is impractical as the Coast Guard did not receive notification of the final details of this event in sufficient time to issue an NPRM without delaying this rulemaking. A delay or cancellation of the event in order to allow for a notice and comment period is contrary to the public interest because of the hazards associated with vessel operation in close proximity to swimming participants. For the same reasons under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the Federal Register. In addition, to the reasons stated above, this rule is intended to ensure the safety of the event participants, spectators, and other waterway users; thus any delay in the rule’s effective date is impractical.

Background and Purpose

The temporary safety zone is necessary to ensure the safety of participants of the swim portion of a triathlon race as well as the safety of mariners operating in the vicinity of the triathlon. Establishing this temporary safety zone to control vessel movement around the location of the triathlon swim event will help ensure the safety of persons and property at the event and help minimize any potential risks associated with the event.

Discussion of Rule

The Coast Guard is establishing a temporary safety zone. The safety zone will be enforced from 6:30 a.m. through 9:30 a.m. on September 12, 2010. This safety zone will encompass all waters of Lake Erie within the geographic area bounded by the following coordinates: starting at position 41°29′06″ N, 082°40′56″ W; then extending northeast to position 41°29′37″ N, 082°40′14″ W; then extending southeasterly to position 41°29′14″ N, 082°39′52″ W; then extending southwest to position...
The Coast Guard certifies under 5
U.S.C. 605(b) that this rule would not
have a significant economic impact on
a substantial number of small entities.

This rule will affect the following
entities, some of which may be small
entities: The owners or operators of
vessels intending to transit or anchor in
the applicable portions of the Lake Erie
or Sandusky Bay near Cedar Point, OH
identified below between 6:30 a.m. and
9:30 a.m. on September 12, 2010.

The safety zone will not have a
significant economic impact on a
substantial number of small entities for
the following reasons: The affected
portions of Lake Erie and Sandusky Bay
do not experience heavy vessel traffic
on a regular basis. Any vessels that wish
to utilize these waterways can be
scheduled around the event. The safety
zone will only be in effect during the
morning of September 12, 2010 and will
not substantially limit vessels intending
to utilize the affected waterways. In the
event that the temporary safety zone
affects shipping, commercial vessels
may request permission from the
Captain of the Port Detroit, or
designated on-scene representative to
transit through the safety zone. The
Coast Guard will give notice to the
public via a Broadcast Notice to
Mariners that the regulation is in effect.
Additionally, the Captain of the Port
Detroit, or on-scene representative will
suspend enforcement of the safety zone
if the event for which the zone is
established ends earlier than the
expected time.

**Assistance for Small Entities**

Under section 213(a) of the Small
Business Regulatory Enforcement
Fairness Act of 1996 (Pub. L. 104–121),
we offer to assist small entities in
understanding the rule so that they
could better evaluate its effects on them
and participate in the rulemaking
process. Small businesses may send
comments on the actions of Federal
employees who enforce, or otherwise
determine compliance with, Federal
regulations to the Small Business and
Agriculture Regulatory Enforcement
Ombudsman and the Regional Small
Business Regulatory Fairness Boards.
The Ombudsman evaluates these
actions annually and rates each agency’s
responsiveness to small business. If you
wish to comment on actions by
employees of the Coast Guard, call
The Coast Guard will not retaliate
against small entities that question or
complain about this rule or any policy
or action of the Coast Guard.

**Collection of Information**

This rule calls for no new collection
of information under the Paperwork
3520).

**Federalism**

A rule has implications for federalism
under Executive Order 13132,
Federalism, if it has a substantial direct
effect on State or local governments and
would either preempt State law or
impose a substantial direct cost of
compliance on them. We have analyzed
this rule under that Order and have
determined that it does not have
implications for federalism.

**Unfunded Mandates Reform Act**

The Unfunded Mandates Reform Act
of 1995 (2 U.S.C. 1531–1538) requires
Federal agencies to assess the effects of
their discretionary regulatory actions. In
particular, the Act addresses actions
that may result in the expenditure by a
State, local, or tribal government, in the
aggregate, or by the private sector of
$100,000,000 or more in any one year.
Though this rule will not result in such
expenditure, we do discuss the effects of
this rule elsewhere in this preamble.

**Taking of Private Property**

This rule will not affect a taking of
private property or otherwise have
taking implications under Executive
Order 12630, Governmental Actions and
Interference with Constitutionally
Protected Property Rights.

**Civil Justice Reform**

This rule meets applicable standards
in sections 3(a) and 3(b)(2) of Executive
Order 12988, Civil Justice Reform, to
minimize litigation, eliminate
ambiguity, and reduce burden.

**Protection of Children**

We have analyzed this rule under
Executive Order 13045, Protection of
Children from Environmental Health
Risks and Safety Risks. This rule is not
an economically significant rule and
would not create an environmental risk
to health or risk to safety that might
disproportionately affect children.

**Indian Tribal Governments**

This rule does not have tribal
implications under Executive Order
13175, Consultation and Coordination
with Indian Tribal Governments,
because it does not have a substantial
direct effect on one or more Indian
tribes, on the relationship between the
Federal Government and Indian tribes,
or on the distribution of power and
responsibilities between the Federal
Government and Indian tribes.
Energy Effects
We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards
The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment
We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule involves the establishment of a safety zone and is therefore categorically excluded under paragraph (34)(g) of the Instruction.

A final environmental analysis check list and categorical exclusion determination are available in the docket where indicated under

ADDRESS.

List of Subjects in 33 CFR Part 165
Harbors, Marine Safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for part 165 continues to read as follows:

2. Add temporary § 165.T09–0791 as follows:

§ 165.T09–0791 Safety Zone; Revolution 3 Cedar Point Triathlon, Lake Erie & Sandusky Bay, Cedar Point, OH.

(a) Location. The following area is a safety zone:

(1) Primary Safety Zone; Lake Erie. All waters of Lake Erie within the geographic area bounded by the following coordinates: Starting at position 41°28′42″ N, 082°40′56″ W; then extending northeast to position 41°29′37″ N, 082°40′14″ W; then extending southeast to position 41°29′14″ N, 082°39′52″ W; then extending southwest to position 41°28′46″ N, 082°40′38″ W; then returning to the starting position. [DATUM: NAD 83].

(2) Alternate Safety Zone; Sandusky Bay. All waters of the Sandusky Bay within the geographic area bounded by the following coordinates: Starting at position 41°32′22″ N, 082°40′44″ W; then extending northwest to position 41°28′45″ N, 082°41′11″ W; then extending southeast to position 41°28′12″ N, 082°41′06″ W; then returning to the starting position. [DATUM: NAD 83].

(b) Effective Period. This regulation is effective from 6:30 a.m. through 9:30 a.m. on September 12, 2010. This regulation will be enforced as follows:

(1) On September 12, 2010 from 6:30 a.m. to 9:30 a.m., the safety zone listed in paragraph (a)(1) of this section will be enforced. In the event of inclement weather, the alternate safety zone listed in paragraph (a)(2) of this section will be enforced.

(c) Regulations.

(1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting or anchoring within the safety zones is prohibited unless authorized by the Captain of the Port Detroit, or designated on-scene representative.

(2) The safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Detroit, or designated on-scene representative.

(3) The "on-scene representative" of the Captain of the Port Detroit is any Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port Detroit to act on his or her behalf. The designated on-scene representative or the Captain of the Port Detroit will be aboard either a Coast Guard or Coast Guard Auxiliary vessel. The Captain of the Port Detroit, or designated on-scene representative may be contacted via VHF Channel 16.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Detroit, or designated on-scene representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the Captain of the Port, or designated on-scene representative.

Dated: August 26, 2010.

J.E. Ogden, Captain, U.S. Coast Guard, Captain of the Port Detroit.
