Chlorinated Isocyanurates From the People's Republic of China: Notice of Extension of Time Limit for the Final Results of the 2008-2009 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* September 17, 2010.

FOR FURTHER INFORMATION CONTACT: Brandon Petelin or Charles Riggle, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-8173 or (202) 482-0650, respectively.

SUPPLEMENTARY INFORMATION:

Background

On May 14, 2010, the Department of Commerce ("Department") published its preliminary results of review of the antidumping order on chlorinated isocyanurates from the People's Republic of China ("PRC").¹ This review covers the period June 1, 2008, through May 31, 2009. The final results of review are currently due no later than September 11, 2010.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act

¹ See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results and Partial Rescission of Antidumping Duty Administrative Review*, 75 FR 27302 (May 14, 2010) ("*Preliminary Results*").

allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of this review within the 120-day period is not practicable because the Department needs additional time to analyze and address complicated surrogate value issues, including the most appropriate methodology for valuing labor, for the final results. Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review by 30 days in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results will be due Monday, October 11, 2010, which is 150 days from publication of the preliminary results. However, October 11, 2010, falls on a federal holiday, and it is the Department's long-standing practice to issue a determination on the next business day when the statutory deadline falls on a federal holiday.² Accordingly, the deadline for completion of the preliminary results of the review is now no later than October 12, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: September 10, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is extending the time limit for the preliminary results of the administrative review of certain frozen warmwater shrimp from the People's Republic of China ("PRC"). The review covers the period February 1, 2009, through January 31, 2010.

² See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

DATES: *Effective Date:* September 17, 2010.

FOR FURTHER INFORMATION CONTACT: Kabir Archuletta, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230; *telephone:* (202) 482-2593.

Background

On April 9, 2010, the Department published in the **Federal Register** a notice of initiation of the administrative reviews of the antidumping duty orders on certain frozen shrimp from the Socialist Republic of Vietnam and the PRC. See *Notice of Initiation of Administrative Reviews and Requests for Revocation in Part of the Antidumping Duty Orders on Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam and the People's Republic of China*, 75 FR 18154 (April 9, 2010). The preliminary results of the reviews are currently due no later than October 31, 2010.

Statutory Time Limits

In antidumping duty administrative reviews, section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of the administrative review on certain frozen warmwater shrimp from the PRC within the original time limit because the Department requires additional time to analyze questionnaire responses, issue supplemental questionnaires, and to evaluate surrogate value submissions for purposes of these preliminary results.

Therefore, the Department is extending the time limit for completion of the preliminary results of the administrative review by 120 days. The preliminary results will now be due no later than February 28, 2011. The final results continue to be due 120 days after
