##### Need for Correction

On September 9, 2010, the Federal Aviation Administration published a Notice of Proposed Policy in the **Federal Register** at 75 FR 54946 proposing to amend and clarify FAA policy concerning through-the-fence access to a Federally obligated airport from an adjacent or nearby property, when that property is used as a residence and permits continuation of existing access subject to certain standards. The Notice also proposed to amend sponsor grant assurance 5, Preserving Rights and Powers, to prohibit new residential through-the-fence access. In that Notice, there was an inadvertent omission.
