AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 23, 2010.

FOR FURTHER INFORMATION CONTACT: David Cordell or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230;

telephone: (202) 482-0408, or (202) 482-3019, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 2, 2010, the Department published the notice of initiation of the sunset reviews of the antidumping duty orders on certain stainless steel sheet and strip (SSSS) in coils from, *inter alia*, Italy and Mexico, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). *See Initiation of Five-year ("Sunset") Review*, 75 FR 30777 (June 2, 2010) (*Notice of Initiation*).

The Department received a notice of intent to participate in all of the sunset reviews of the antidumping duty orders on SSSS in coils from the following petitioners: the AK Steel Corporation; Allegheny Ludlum Corporation; North American Stainless; United Steelworkers ("USW"); UAW Local 3303; and UAW Local 4104 (collectively, petitioners) within the deadline specified in 19 CFR 351.218(d)(1)(i). The petitioners claimed interested party status under sections 771(9)(C) and (D) of the Act stating that its individual members are each producers in the United States of a domestic like product.

The Department received complete substantive responses to the *Notice of Initiation* for all antidumping duty orders covering SSSS in coils from the domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). The Department received a complete and timely substantive response in the sunset review of SSSS in coils from Italy from the following respondent interested parties: ThyssenKrupp Acciai Speciali Terni S.P.A. and Acciai Speciali Terni (USA) (collectively, TKAST). The Department received a complete and timely substantive response in the sunset review of SSSS in coils from Mexico from the following respondent interested parties: ThyssenKrupp Mexinox S.A. de C.V. and Mexinox USA, Inc. (collectively, Mexinox), within the applicable deadline specified in 19 CFR 351.218(d)(3)(i).¹

On July 6, 2010, the Department received a request from domestic interested parties for an extension of the deadline for filing rebuttal comments to the substantive responses submitted by respondent parties. Pursuant to 19 CFR 351.302(b), domestic and respondent parties were granted an extension to file rebuttal comments to the substantive responses until July 9, 2010. On July 9,

¹ Domestic interested and respondent parties filed substantive responses on July 2, 2010.

2010, the Department received rebuttal comments to the substantive responses from the domestic interested parties and the respondents with respect to the sunset reviews covering the antidumping duty orders on SSSS in coils from Italy and Mexico.

19 CFR 218(e)(1)(ii)(A) provides that the Secretary normally will conclude that respondent interested parties have provided adequate response to a notice of initiation where it receives complete substantive responses from respondent interested parties accounting on average for more than 50 percent, by volume, or value basis, if appropriate, of the total exports of the subject merchandise to the United States over the five calendar years preceding the year of publication of the notice of initiation. On July 22, 2010, the Department determined that the filed substantive responses constituted adequate responses to the notice of initiation. *See Memoranda to Richard Weible, Director, AD/CVD Operations, Office 7, entitled "Adequacy Determination in Five-year "Sunset" Review of the Antidumping Duty Order on Certain Stainless Steel Sheet and Strip (SSSS) in Coils from Italy (2005-2009)" dated July 22, 2010; and, "Adequacy Determination in Five-year "Sunset" Review of the Antidumping Duty Order on Certain Stainless Steel Sheet and Strip (SSSS) in Coils from Mexico (2005-2009)" dated July 22, 2010. In accordance with 19 CFR 351.218(e)(2)(i), on July 22, 2010, the Department determined to conduct full sunset reviews of the antidumping duty orders covering SSSS in coils from Italy and Mexico, and accordingly, notified the U.S. International Trade Commission. *See Letter to Ms. Catherine DeFilippo, Director, Office of Investigations, U.S. International Trade Commission, from James Maeder, Director, Office 2, AD/CVD Operations, entitled "Expedited and Full Sunset Reviews of the Antidumping Duty Orders Initiated in June 2010," dated July 22, 2010.**

Extension of Time Limits for Preliminary and Final Results of Reviews

Section 751(c)(5)(A) of the Act provides for the completion of a full sunset review within 240 days of the publication of the initiation notice. However, the Department may extend the period of time for making its determination by not more than 90 days, if it determines that the review is extraordinarily complicated in accordance with section 751(c)(5)(B) of the Act.

We determine that these reviews are extraordinarily complicated, pursuant to
