Title of Proposal: Public/Private Partnerships for the Mixed Finance Development of Public Housing Units.

OMB Control Number: 2577—pending.

Description of the need for the information and proposed use: The Quality Housing and Work Responsibility (QHWRA) Act of 1998 (HUD Reform Act) authorized PHAs to use a combination of private financing and public housing development funds to develop public housing units (Mixed-Finance Development). Mixed-Finance public housing development is designed to enable PHAs and their partners to structure transactions that make use of private and/or public sources of financing. Many potential scenarios for ownership and transaction structures exist. HUD must ensure that public housing rental regulations and public housing development regulations, which include wider HUD and Federal statutes and regulations, e.g., OMB Circulars, Fair Housing Act, Americans with Disabilities Act, are followed by PHAs and their private sector partners.
