

determination. For further discussion, see the Decision Memo at Comment 1.

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) of the Act, we are directing U.S. Customs and Border Protection (CBP) to continue to suspend

liquidation of all imports of subject merchandise that are entered or withdrawn from warehouse, for consumption on or after May 6, 2010, the date of publication of the preliminary determination in the **Federal Register**. We will instruct CBP to continue to require a cash deposit or the posting of a bond for all companies

based on the estimated weighted-average dumping margins shown below. The suspension of liquidation instructions will remain in effect until further notice.

Final Determination Margins

We determine that the weighted-average dumping margins are as follows:

Manufacturer/Exporter	Weighted-Average margin (percent)
PT. Pabrik Kertas Tjiwi Kimia Tbk./PT. Pindo Deli Pulp and Paper/PT. Indah Kiat Pulp and Paper Tbk	20.13
All Others	20.13

All-Others Rate

Section 735(c)(5)(A) of the Act provides that the estimated “All Others” rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act. PD/TK/IK is the only respondent in this investigation for which the Department calculated a company-specific rate. Therefore, for purposes of determining the all-others rate and pursuant to section 735(c)(5)(A) of the Act, we are using the weighted-average dumping margin calculated for PD/TK/IK, as referenced above. *See, e.g., Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Sheet and Strip in Coils From Italy*, 64 FR 30750, 30755 (June 8, 1999); *Coated Free Sheet Paper from Indonesia: Notice of Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination*, 72 FR 30753, 30757 (June 4, 2007), unchanged in *Notice of Final Determination of Sales at Less Than Fair Value: Coated Free Sheet Paper from Indonesia*, 72 FR 60636 (October 25, 2007); and *Certain Magnesia Carbon Bricks from Mexico: Notice of Final Determination of Sales at Less Than Fair Value*, 75 FR 45097 (August 2, 2010).

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

International Trade Commission Notification

In accordance with section 735(d) of the Act, we have notified the International Trade Commission (ITC) of our final determination. As our final determination is affirmative, the ITC will determine within 45 days whether

imports of the subject merchandise are causing material injury, or threat of material injury, to an industry in the United States. If the ITC determines that material injury or threat of injury does not exist, the proceeding will be terminated and all securities posted will be refunded or canceled. If the ITC determines that such injury does exist, the Department will issue an antidumping duty order directing CBP to assess antidumping duties on all imports of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the effective date of the suspension of liquidation.

Return or Destruction of Proprietary Information

This notice will serve as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 735(d) and 777(i) of the Act.

Dated: September 20, 2010.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

SUPPLEMENTARY INFORMATION: The Office of Advisory Committees is accepting applications for three vacant positions on the Board for the current two-year charter term that began September 2009. Members shall serve until the Board's charter expires on September 20, 2011. Members will be selected, in accordance with applicable Department of Commerce guidelines, based on their ability to advise the Secretary of Commerce on matters relating to the U.S. travel and tourism industries, to act as a liaison among the stakeholders represented by the membership and to provide a forum for those stakeholders on current and emerging issues in the travel and tourism industry. Members of the Board shall be selected in a manner that ensures that the Board is balanced in terms of points of view, industry sector or subsector, range of products and services, demographics, geographic locations, and company size. Additional factors which may be considered in the selection of Board members include candidates' proven experience in promoting, developing, and implementing advertising and marketing programs for travel-related or tourism-related industries; or the candidates' proven abilities to manage tourism-related or other service-related organizations.

Each Board member shall serve as the representative of a U.S. entity or U.S. organization in the travel and tourism sector. For the purposes of eligibility, a U.S. entity shall be defined as a firm incorporated in the United States (or an unincorporated firm with its principal place of business in the United States) that is controlled by U.S. citizens or by another U.S. entity. An entity is not a U.S. entity if 50 percent plus one share of its stock (if a corporation, or a similar

For the purposes of eligibility, a U.S. organization shall be defined as an organization, including a trade association or government unit or body, established under the laws of the United States that is controlled by U.S. citizens or by another U.S. organization or entity, as determined based on board of directors (or comparable governing body), membership, and revenue sources.
