

collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *Pamela Beverly, OIRA, Submission@OMB.EOP.GOV* or fax (202) 395–5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250–7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720–8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Institute of Food and Agriculture

Title: Veterinary Medicine Loan Repayment Program Application.

OMB Control Number: 0524–0047.

Summary of Collection: In January 2003, the National Veterinary Medical Service Act (NVMSA) was passed into law adding section 1415A to the National Agricultural Research, Extension, and Teaching Policy Act of 1997. This law established a new Veterinary Medicine Loan Repayment Program (VMLRP) (7 U.S.C. 3151a) authorizing the Secretary of Agriculture to carry out a program of entering into agreements with veterinarians under which they agree to provide veterinary services in veterinarian shortage situations. The purpose of the program is to assure an adequate supply of

trained food animal veterinarians in shortage situations and provide USDA with a pool of veterinary specialists to assist in the control and eradication of animal disease outbreaks.

Need and Use of the Information: The National Institute of Food and Agriculture (NIFA) will collect information using the Application forms. The information collected from applicants relates to their eligibility, qualifications, career interests and recommendations necessary to evaluate their applications for repayment of education indebtedness in return for agreeing to provide veterinary services in veterinarian shortage situations. The information will also be used to determine an applicant's eligibility for participation in the program.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 1,260.

Frequency of Responses: Reporting: Biennially.

Total Burden Hours: 2,280.

Ruth Brown,

Departmental Information Collection Clearance Officer.

DEPARTMENT OF AGRICULTURE

Foreign Agricultural Service

Trade Adjustment Assistance for Farmers

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice.

The Administrator of the Foreign Agricultural Service (FAS) has denied a petition (No. 2011029) for trade adjustment assistance for lamb filed under the fiscal year (FY) 2011 program by the Montana Wool Growers Association. The petition was accepted for review by USDA on July 23, 2010.

SUPPLEMENTARY INFORMATION: To qualify under the program, Subtitle C of Title I

of the Trade Act of 2002 (Pub. L. 107–210) states that petitions must demonstrate, using data for the most recent, full marketing year or full official marketing season, a greater than 15-percent decline in at least one of the following factors: national average price, quantity of production, value of production, or cash receipts.

According to the statute, it is also necessary for the petition to demonstrate that an increase in imports of like or directly competitive articles, during the same marketing period, contributed importantly to the decrease in one of the above factors for the agricultural commodity.

All petitions were analyzed by USDA's Economic Research Service and reviewed by the Trade Adjustment Assistance (TAA) for Farmers Program Review Committee, comprised of representatives from USDA's Office of the Chief Economist, Farm Service Agency, Agricultural Marketing Service, and FAS. After a review, the Administrator determined that the petition was unable to demonstrate the 'greater than 15-percent decline' criterion, because it showed a 6-percent decline in the quantity of production for 2009, when compared to the previous 3-year period. Additionally, the import data provided for the same time periods showed a 10.9-percent decrease, instead of the required increase, under the program.

Because the petition was unable to meet the 'greater than 15-percent decline' criterion and the 'increase in imports' criterion, the Administrator was not able to certify the petition, making lamb producers in Montana ineligible for trade adjustment assistance in FY 2011.

FOR FURTHER INFORMATION CONTACT: Trade Adjustment Assistance for Farmers Program Staff, Office of Trade Programs, FAS, USDA; or by phone at (202) 720–0638 or (202) 690–0633; or by e-mail at: tradeadjustment@fas.usda.gov; or visit the TAA for Farmers' Web site at: <http://www.fas.usda.gov/itp/taa>.

Dated: September 20, 2010.

John D. Brewer,
Administrator, Foreign Agricultural Service.
