The purpose of the public hearings is to obtain public testimony or comment on the Agency’s proposed revisions and additions to the motor vehicle fuel economy label.3 If you would like to present testimony at the public hearings, we ask that you notify the EPA and NHTSA contact persons listed under FOR FURTHER INFORMATION CONTACT at least ten days before the hearing. Once EPA and NHTSA learn how many people have registered to speak at the public hearing, we will allocate an appropriate amount of time to each participant, allowing time for necessary breaks throughout the hearing. For planning purposes, each speaker should anticipate speaking for approximately ten minutes, although we may need to adjust the time for each speaker if there is a large turnout. We suggest that you bring copies of your statement or other material for the EPA and NHTSA panels and the audience.
