SUMMARY: The Federal Trade Commission published a document in the **Federal Register** of August 27, 2010, revising several of the notices that it is required to publish under the Privacy Act of 1974 to describe its systems of records about individuals. The document contained an incorrect change to one of the notices, FTC-I-1, System Name: Nonpublic Investigational and Other Nonpublic Legal Program Records. The heading under routine uses was improperly identified and this notice corrects that paragraphing error. We have also clarified that the records subject to this routine usage involve only the specific types of debt-related records as set out in the correction below.
