Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance

After notice of the petitions was published in the **Federal Register** and

on the Department's website, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

| TA-W No. | Subject firm | Location | Impact date |
|--------------|---|-----------------------|-------------|
| 73,868 | Hewlett Packard Corporation | Marlborough, MA | |
| 74,052 | Green Design Furniture Company | Portland, ME | |
| 74,127 | Dyrsmith, LLC, Precisionworks Manufacturing | Berthoud, CO | |
| 74,392 | Beckman Coulter, Inc | Webster, TX | |

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.
