(f) *Exemptions.* The following cross-border electronic transmittals of funds are not subject to the reporting requirements of paragraphs (a) and (e) of this section:

**California: Proposed Authorization of
State Hazardous Waste Management
Program Revision**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: California has applied to EPA for final authorization of certain changes to its hazardous waste program under the Resource Conservation and Recovery Act (RCRA). EPA has reviewed California's application and made the tentative decision that these changes satisfy all requirements needed to qualify for final authorization, and is proposing to authorize the State's changes. EPA is also proposing that the State's requirements regulating facilities that are conditionally exempt from the federal rules as Conditionally Exempt Small Quantity Generators ("CESQGs") be treated as more stringent than federal requirements, thereby making these provisions federally enforceable.

DATES: EPA must receive written comments on California's application for authorization for changes to its hazardous waste management program by November 1, 2010.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA-R09-RCRA-2010-0598 by one of the following methods:

- *http://www.regulations.gov:* Follow the on-line instructions for submitting comments.

- *E-mail:* smith.rebecca@epa.gov.

- *Fax:* (415) 947-3533 (prior to faxing, please notify Rebecca Smith at 415-972-3313)

- *Mail:* Send written comments to: Rebecca Smith, WST-2, EPA Region 9, 75 Hawthorne Street, San Francisco, CA 94105-3901.

Instructions: We must receive your comments by November 1, 2010. Direct your comments to Docket ID No. EPA-R09-RCRA-2010-0598. EPA's policy is that all comments received will be included in the public docket without change and may be made available online at <http://www.regulations.gov> including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information the disclosure of which is restricted by statute, or you make special arrangements with the EPA contact. Do not submit information that you consider to be CBI or otherwise protected through <http://www.regulations.gov> or e-mail. The <http://www.regulations.gov> Web site is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through <http://www.regulations.gov>, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If you do so, this information will become a part of the public record, unless you have made arrangements with EPA prior to the submittal of your comments. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.
