OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Public Comments on Annual Review of Country Eligibility for Benefits Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice and request for Comments.

SUMMARY: The African Growth and Opportunity Act Implementation Subcommittee of the Trade Policy Staff Committee (the “Subcommittee”) is requesting written public comments for the annual review of the eligibility of sub-Saharan African countries to receive the benefits of the African Growth and Opportunity Act (AGOA). The Subcommittee will consider these comments in developing recommendations on AGOA country eligibility for the President. Comments received related to the child labor criteria may also be considered by the Secretary of Labor for the preparation of the Department of Labor’s report on child labor as required under section 412(c) of the Trade and Development Act of 2000. This notice identifies the eligibility criteria that must be considered under the AGOA, and lists those sub-Saharan African countries that are currently eligible for the benefits of the AGOA, and those that are currently ineligible for such benefits.

DATES: Public comments are due at the Office of the U.S. Trade Representative (USTR) by noon, Thursday, October 21, 2010.

FOR FURTHER INFORMATION CONTACT: For procedural questions, please contact Gloria Blue, Office of the U.S. Trade Representative, 600 17th Street, NW., Room F516, Washington, DC 20508, at (202) 395–3475. All other questions should be directed to Constance Hamilton, Deputy Assistant U.S. Trade Representative for Africa, Office of the U.S. Trade Representative, at (202) 395–9514.

The President may designate a country as a beneficiary sub-Saharan African country eligible for both the additional GSP benefits and the textile and apparel benefits of the AGOA for countries meeting certain statutory requirements intended to prevent unlawful transshipment of such articles, if he determines that the country meets the eligibility criteria set forth in: (1) Section 104 of the AGOA; and (2) section 502 of the 1974 Act. For 2010, 39 countries have been designated as beneficiary sub-Saharan African countries. These countries, as well as the 9 countries currently ineligible, are listed below. Section 506A of the 1974 Act provides that the President shall monitor and review annually the progress of each sub-Saharan African country in meeting the foregoing eligibility criteria in order to determine whether each beneficiary sub-Saharan African country should continue to be eligible, and whether each sub-Saharan African country that is currently not a beneficiary sub-Saharan African country, should be designated as such a country. Section 506A of the 1974 Act requires that, if the President determines that a beneficiary sub-Saharan African country is not making continual progress in meeting the eligibility requirements, he must terminate the designation of the country as a beneficiary sub-Saharan African country.

The Subcommittee is seeking public comments in connection with the annual review of the eligibility of beneficiary sub-Saharan African countries for the AGOA’s benefits. The Subcommittee will consider any such comments in developing recommendations on country eligibility for the President. Comments related to the child labor criteria may also be considered by the Secretary of Labor in making the findings required under section 504 of the 1974 Act. The information required under § 1.430(h)(2)–1(e) is required in order for a plan sponsor to make an election to use an alternative interest rate for purposes of determining a plan’s funding obligations under § 1.430(h)(2)–1.
