

interest areas. Members of the BOSC serve as special government employees. The Executive Committee meets approximately three to five times per year in face-to-face meetings and via teleconferences.

Request for Nominations

EPA's BOSC Staff Office is seeking nominations of nationally and internationally recognized scientists, engineers, and social scientists having experience and expertise in one or more of the following areas: Ecology (aquatic and terrestrial); toxicology (environmental and developmental); informatics (ecosystem and bioinformatics); socioeconomics; environmental justice, science policy (research, policy, and outcomes interface); endocrine disrupting chemicals; climate change (environmental and human health impacts and carbon sequestration); sustainability (systems engineering, life-cycle assessment, green chemistry/technology); risk assessment (human health and ecological); and risk management.

Process and Deadline for Submitting Nominations

Any interested person or organization may nominate themselves or qualified individuals in the areas of expertise described above. Nominations should be submitted via the BOSC Web site (which is preferred over hard copy) at <http://www.epa.gov/osp/bosc/nomination.htm>. Nominations should be submitted in time to arrive no later than November 15, 2010. To receive full consideration, nominations should include all of the information requested. EPA's BOSC Staff Office requests: contact information about the person making the nomination; contact information about the nominee; the disciplinary and specific areas of expertise of the nominee; the nominee's curriculum vita and/or resume; sources of recent grant and/or contract support; and a biographical sketch of the nominee indicating current position, educational background, and recent service on other national advisory committees or national professional organizations. Persons having questions about the nomination procedures, or who are unable to submit nominations through the BOSC web site, should contact Ms. Heather Drumm, as indicated above in this notice.

For the EPA BOSC Staff Office, a balanced committee includes candidates who possess the necessary domains of knowledge, the relevant scientific perspectives (which, among other factors, can be influenced by work

history and affiliation), and the collective breadth of experience to adequately address the charge. Selection criteria to be used for membership include: (a) Scientific and/or technical expertise, knowledge, and experience (primary factors); (b) availability and willingness to serve; (c) absence of financial conflicts of interest; (d) absence of an appearance of a lack of impartiality; (e) skills working on committees, subcommittees and advisory panels; and (f) diversity of expertise and viewpoints. EPA values and welcomes diversity. In an effort to obtain nominations of diverse candidates, EPA encourages nominations of women and men of all racial and ethnic groups.

The BOSC Staff Office's evaluation of an absence of financial conflicts of interest will include a review of the "Confidential Financial Disclosure Form for Special Government Employees Serving on Federal Advisory Committees at the U.S. Environmental Protection Agency" (EPA Form 3110-48). This confidential form allows Government Officials to determine whether there is a statutory conflict between that person's public responsibilities (which includes membership on an EPA Federal advisory committee) and private interests and activities, or the appearance of a lack of impartiality, as defined by Federal regulation. The form may be viewed and downloaded from the following URL address <http://www.epa.gov/sab/pdf/epaform3110-48.pdf>.

AGENCY: Federal Trade Commission.

ACTION: Proposed Consent Agreement.

SUMMARY: The consent agreement in this matter settles alleged violations of federal law prohibiting unfair or deceptive acts or practices or unfair methods of competition. The attached Analysis of Agreement Containing

DATES: Comments must be received on or before October 27, 2010.

ADDRESSES: Interested parties are invited to submit written comments electronically or in paper form. Comments should refer to “The Coca-Cola Company, File No. 101 0107” to facilitate the organization of comments. Please note that your comment — including your name and your state — will be placed on the public record of this proceeding, including on the publicly accessible FTC website, at (<http://www.ftc.gov/os/publiccomments.shtml>).

Because comments will be made public, they should not include any sensitive personal information, such as an individual’s Social Security Number; date of birth; driver’s license number or other state identification number, or foreign country equivalent; passport number; financial account number; or credit or debit card number. Comments also should not include any sensitive health information, such as medical records or other individually identifiable health information. Comments containing material for which confidential treatment is requested must be filed in paper form, must be clearly labeled “Confidential,” and must comply with FTC Rule 4.9(c), 16 CFR 4.9(c).¹

Because paper mail addressed to the FTC is subject to delay due to heightened security screening, please consider submitting your comments in electronic form. The Commission will consider all comments that regulations.gov forwards to it. You may also visit the FTC website at (<http://www.ftc.gov/>) to read the Notice and the news release describing it.

A comment filed in paper form should include the “The Coca-Cola Company, File No. 101 0107” reference both in the text and on the envelope, and should be mailed or delivered to the following address: Federal Trade Commission, Office of the Secretary, Room H-135 (Annex D), 600 Pennsylvania Avenue, NW, Washington, DC 20580. The Federal Trade Commission Act (“FTC Act”) and other laws the Commission administers permit the collection of public comments to consider and use in this proceeding as appropriate. The Commission will consider all timely and responsive public comments that it receives, whether filed in paper or electronic form. Comments received will be available to the public on the FTC website, to the extent practicable, at (<http://www.ftc.gov/os/publiccomments.shtml>). As a matter of discretion, the Commission makes every effort to remove home contact information for individuals from the public comments it receives before placing those comments on the FTC website.
