Notice and Request for Comments

AGENCY: Surface Transportation Board, DOT.

ACTION: 30-Day notice of request for approval: report of fuel cost, consumption, and surcharge revenue.

SUMMARY: As required by the Paperwork Reduction Act of 1995, 44 U.S.C. 501-3519 (PRA), the Surface Transportation Board (STB or Board) has submitted a request to the Office of Management and Budget (OMB) for an extension of approval for the collection of the Rail Fuel Surcharge Report. No comments were received. The Rail Fuel Surcharge Report is described in detail below. Comments may now be submitted to OMB concerning (1) the accuracy of the Board's burden estimates; (2) ways to enhance the quality, utility, and clarity of the information collected; (3) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, when appropriate; and (4) whether this collection of information is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility.
