**Agency Information Collection Activities: Form I-912, New Information Collection; Comment Request**

**ACTION:** 30-Day Notice of Information Collection Under Review: Form I-912, Request for Fee Waiver; OMB Control No. 1615-New.

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) will be

submitting the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the **Federal Register** on July 14, 2010, at 75 FR 40846, allowing for a 60-day public comment period. USCIS received 30 comments from members of the public for this information collection. These comments have been addressed in item 8 of the supporting statement which will be posted to <http://www.regulations.gov>.

The purpose of this notice is to allow an additional 30 days for public comments. Comments are encouraged and will be accepted until November 5, 2010. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Department of Homeland Security (DHS), and to the Office of Management and Budget (OMB) USCIS Desk Officer. Comments may be submitted to: USCIS, Chief, Regulatory Products Division, 20 Massachusetts Avenue, Washington, DC 20529-2020. Comments may also be submitted to DHS via facsimile to 202-272-8352 or via e-mail at [rfs.regs@dhs.gov](mailto:rfs.regs@dhs.gov), and to the OMB USCIS Desk Officer via facsimile at 202-395-5806 or via e-mail at [oir\\_submission@omb.eop.gov](mailto:oir_submission@omb.eop.gov). When submitting comments by e-mail please make sure to add OMB Control Number 1615-New in the subject box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology,
