exemption have been simultaneously filed: Docket No. FD 35410, Adrian & Blissfield Rail Road Company— Continuance in Control Exemption—Jackson & Lansing Railroad Company, in which Adrian & Blissfield Rail Road Company seeks to continue in control of JAIL, upon JAIL’s becoming a Class III rail carrier; and Docket No. FD 35418, Jackson & Lansing Railroad Company— Trackage Rights Exemption—Norfolk Southern Railway Company, in which JAIL seeks to acquire, pursuant to an agreement with NSR, non-exclusive local and overhead trackage rights over approximately 1.06 miles of line owned by NSR and currently leased to CSX Transportation, Inc., on the Lansing Secondary, between milepost LZ 36.8 2 in Lansing and milepost 37.86 in North Lansing, Mich., for the sole purpose of interchanging with NSR.

JAIL certifies that the projected annual revenues as a result of the proposed transaction will not exceed $5 million, and that JAIL will be a Class III carrier.

The transaction may not be consummated until October 20, 2010, the effective date of the exemption (30 days after the exemption was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed not later than October 13, 2010 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35411, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423–0001. In addition, a copy of each pleading must be served on John D. Heffner, PLLC, and James H. M. Savage, Of Counsel, 1750 K Street, NW., Washington, DC 20006.

Board decisions and notices are available at our Web site at http://www.stb.dot.gov.

It is ordered:
1. The delegation of authority to the Director of the Office of Proceedings, under 49 CFR 1011.7(b)(10), to determine whether to issue a notice of exemption in this proceeding is revoked.

2. This decision is effective on the date of service.

---

1 JAIL states that, despite the apparent overlap, the boundary of the assigned trackage rights is distinct from the boundary of the Lansing Secondary. The apparent overlap is the result of an historical rounding error in NSR’s engineering maps.
