RIN 2120-AA66

Amendment of Class E Airspace; Kwajalein Island, Marshall Islands, RMI

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule, technical amendment.

SUMMARY: This action removes the reference to the Kwajalein Tactacial Air

Navigation (TACAN) System from the legal description of the Class E airspace areas for Kwajalein Island, Bucholz AAF, Marshall Islands, RMI. The U.S. Army notified the FAA that the Kwajalein TACAN was decommissioned. This action corrects the legal descriptions for the Class E airspace areas in the vicinity of the Marshall Islands.

DATES: Effective date 0901 UTC, January 13, 2011. The Director of the Federal Register approves this incorporation by reference action under 1 CFR part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

FOR FURTHER INFORMATION CONTACT: Ken McElroy, Airspace and Rules Group, Office of System Operations Airspace and AIM, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, DC 20591; telephone: (202) 267-8783.

SUPPLEMENTARY INFORMATION:

The Rule

This action amends Title 14 Code of Federal Regulations (14 CFR) part 71 by removing the reference to the Kwajalein TACAN, as it has been decommissioned, from the legal description of Class E airspace designated as an extension to a Class D surface area, and Class E airspace areas extending upward from 700 feet or more above the surface of the earth at Kwajalein Island, Bucholz AAF, Marshall Islands, RMI. Therefore, notice and public procedures under 5 U.S.C. 553(b) are unnecessary.

Class E airspace designations are published in paragraphs 6004 and 6005 of FAA Order 7400.9U signed August 18, 2010, and effective September 15, 2010, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally

current. Therefore, this regulation: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority.

This rulemaking is promulgated under the authority described in subtitle VII, part A, subpart I, section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of the airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends Class E airspace at Kwajalein Island, Marshall Island, RMI.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with 311a., FAA Order 1050.1E, “Environmental Impacts: Policies and Procedures.” This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

DEPARTMENT OF THE TREASURY

Office of the Secretary

31 CFR Part 1

RIN 1505–AC25

Privacy Act; Implementation

AGENCY: Office of Foreign Assets Control, Departmental Offices, Treasury.

ACTION: Final rule.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, the Department of the Treasury is amending its regulations due to the consolidation of the existing Office of Foreign Assets Control (OFAC)-related systems of records by revising the number and title of the Privacy Act system of records for which an exemption has been claimed.

DATES: *Effective Date:* November 8, 2010.

FOR FURTHER INFORMATION CONTACT:

Assistant Director, Disclosure Services, Office of Foreign Assets Control, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220, *tel.:* 202–622–2510 (not a toll free number), or Chief Counsel (Foreign Assets Control), Office of General Counsel, Department of the Treasury, 1500 Pennsylvania Avenue, NW., Washington, DC 20220, *tel.:* 202–622–2410 (not a toll free number).

SUPPLEMENTARY INFORMATION: Currently, one OFAC-related Privacy Act systems of records, DO .114—Foreign Assets Control Enforcement Records, is exempt from provisions of the Privacy Act pursuant to 5 U.S.C. 552a(k)(2). Under 5 U.S.C. 552a(k)(2), the head of an agency may promulgate rules to exempt a system of records from certain provisions of 5 U.S.C. 552a if the system contains investigatory material compiled for law enforcement purposes. The purpose of the final rule is to revise the number and title of the system of records for which an exemption has been claimed pursuant to 5 U.S.C. 552a(k)(2) as found in paragraph (g)(1)(i) of § 1.36 to read DO .120—Records Related to Office of Foreign Assets Control Economic Sanctions to reflect the proposed revision and consolidation of systems of records, as further discussed below. No new exemptions are being proposed by this document and the revision does not affect the scope of the records for which the exemption pursuant to 5 U.S.C. 552a(k)(2) is claimed.

The action amends § 1.36 by revising the title of the system of records listed in Paragraph (g)(1)(i) from “DO .114—

Foreign Assets Control Enforcement Records” to “DO .120—Records Related to Office of Foreign Assets Control Economic Sanctions.”

These regulations are being published as a final rule because the amendments do not impose any requirements on any member of the public and do not result in any change to the scope of the records for which the exemption from provisions of the Privacy Act is claimed pursuant to 5 U.S.C. 552a(k)(2). These amendments are the most efficient means for the Treasury Department to implement its internal requirements for complying with the Privacy Act.

A proposed notice to consolidate three OFAC-related systems of records under the Privacy Act will be published separately in a future issue of the **Federal Register**. The proposed notice to alter the three systems of records will consolidate the records into the following system of records: Treasury/DO .120—Records Related to Office of Foreign Assets Control Economic Sanctions. This realignment will permit more precise expression of the data elements and will permit the published notices to serve more effectively as guides for the public in understanding how these individually identifiable records are collected, maintained, disclosed, and used.

Pursuant to Executive Order 12866, it has been determined that this final rule is not a significant regulatory action, and therefore, does not require a regulatory impact analysis.

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601–612, do not apply.
