The defendants filed a counterclaim seeking to recover from the United States environmental cleanup costs that they incurred in connection with environmental contamination on, or allegedly originating from, the former DSCP property. The proposed settlement agreement would require defendants to pay, collectively, \$10 million to the United States.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the settlement agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O.
