**NATIONAL AERONAUTICS AND SPACE ADMINISTRATION**

[Notice (10–123)]

**Notice of Information Collection**

**AGENCY:** National Aeronautics and Space Administration (NASA).

**ACTION:** Notice of information collection.

**SUMMARY:** The new NASA Explorer Schools (NES) project is a national education project, which works with K–12 teachers to provide content and curricular support selected as the best from among the resources NASA has developed. This data collection will help to assess the NES project implementation and to provide data that can inform decisions made by NASA leadership and project staff about project modifications and implementation.

**I. Abstract**

The new NASA Explorer Schools (NES) project is a national education project, which works with K–12 teachers to provide content and curricular support selected as the best from among the resources NASA has developed. This data collection will help to assess the NES project implementation and to provide data that can inform decisions made by NASA leadership and project staff about project modifications and implementation.

**II. Method of Collection**

The current paper-based system is used to collect the information. It is deemed not cost effective to collect the information using a Web site form since the reports submitted vary significantly in format and volume.

**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

This information collection helps to ensure that engineering changes to contracts are made quickly and in a cost effective manner. Proposals supporting such change orders contain detailed information to obtain best goods and services for the best prices.
II. Method of Collection

NASA does not prescribe a format for submission, though most contractors have cost collection systems which are used for proposal preparation. NASA encourages the use of computer technology for preparing proposals and submission.

[Notice (10–128)]

Notice of Information Collection

AGENCY: National Aeronautics and Space Administration (NASA).
ACTION: Notice of information collection

SUMMARY: The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Pub. L. 104–13, 44 U.S.C. 3506(c)(2)(A)).

DATES: All comments should be submitted within 60 calendar days from the date of this publication.

ADDRESSES: All comments should be addressed to Lori Parker, National Aeronautics and Space Administration, Washington, DC 20546–0001.

FOR FURTHER INFORMATION CONTACT:
Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Lori Parker, NASA Clearance Officer, NASA Headquarters, 300 E Street, SW., JF0000, Washington, DC 20546, (202) 358–1351, Lori.Parker@nasa.gov.

SUPPLEMENTARY INFORMATION:
I. Abstract
Recordkeeping and reporting are required to ensure proper accounting of Federal funds and property provided under grants and cooperative agreements with state and local governments.

II. Method of Collection
Electronic funds transfer is used for payment under Treasury guidance. Submission of almost all information required under grants or cooperative agreements with state and local governments, including property, financial, performance, and financial reports, is submitted electronically.
