## DEPARTMENT OF STATE

[Public Notice 7208]

### Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Sports Youth Visitor Program

*Announcement Type:* New Cooperative Agreement  
*Funding Opportunity Number:* ECA/PE/C/SU-11-02

*Catalog of Federal Domestic Assistance Number:* 19.415

*Key Dates:*  
Application Deadline: November 17, 2010

*Executive Summary:* The U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA) seeks an organization to assist the Office of Citizen Exchanges in the implementation of several short-term, high-visibility sports exchanges taking place during calendar year 2011 and 2012. Approximately 18 programs from countries around the world will participate in exchange initiatives/projects in the United States designed to promote interaction between the foreign participants and their American peers.

#### I. Funding Opportunity Description

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is "to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries \* \* \*; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations \* \* \* and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world." The funding authority for the program above is provided through legislation.

*Purpose:* The three overarching goals for the exchange program are to help foreign participants and their American counterparts to: (1) Develop a broad worldview that incorporates diverse

perspectives; (2) apply their skills toward productive and positive outlets in their local communities, and (3) build upon their professional skills and knowledge while developing a deeper understanding of U.S. society and culture. Through these projects, the Sports Visitor Program provides opportunities for foreign visitors to participate in intensive sport exchanges in the United States. The award recipient must provide overall programmatic, logistical, and administrative support for each of the 18 programs.

The project will entail working with ECA in planning and scheduling all events, including:

- Oversight of arrivals and departures;
- Preparing briefing materials;
- Locating and reserving athletic or cultural facilities; scheduling meeting rooms;
- Aiding in the recruitment of appropriate speakers and/or other sports figures;
- Designing and planning substantive and well-organized activities;
- Coordinating escorts and interpreters;
- Providing adult supervision for minors;
- Arranging possible air travel (domestic and, in some cases, international) and local transportation.

The program will enable participants to:

- Foster understanding and build relationships with others from different ethnic, religious, and national groups;
- Promote mutual understanding between the people of the partner countries and the United States;
- Learn more about U.S. society and culture, thereby countering negative stereotypes;
- Become part of a network of leaders who will share their knowledge and skills with their peers and the broader community.

Applicant organizations should identify their own specific objectives and measurable outcomes based on these program goals and the specifications provided in this solicitation.

Most programs will start and end in Washington, DC. Other activities will take place at other sites in the United States. The exchange format will be intensive and interactive, weaving together both formal and informal sessions to achieve the stated goals and objectives. Applicants must present a program plan that allows the participants to thoroughly explore the themes in a creative, memorable, and practical way. Activities should be

designed to be replicable and provide practical knowledge and skills that the participants can apply at home. Staff from the selected organization will be expected to be available and/or attend all aspects of the visitor programs, when appropriate and in coordination with ECA.

The proposal must demonstrate how these activities/objectives will be met. The proposal narrative should also provide detailed information on major program activities, and applicants should explain and justify their programmatic choices. Programs must comply with J-1 visa regulations. Please refer to the complete Solicitation Package — this RFGP, the Project Objectives, Goals, and Implementation (POGI), and the Proposal Submission Instructions (PSI) — for further information.

#### *Sports Visitor Program*

The Sports Visitor Program will consist of approximately 18 programs with 12–25 participants per program. For planning purposes, we anticipate a total number of approximately 300 participants per the 18 programs; however, final participant numbers will be determined by the Program Officer assigned to the program. Program participants will be selected from all world regions and will focus on a range of sports from basketball to volleyball. The Sports Visitors will be either athletes between the ages of 14 and 17, or adult coaches who will benefit both from personal interaction with U.S. professional athletes and coaches, and from traveling to the United States to take part in an introduction to U.S. training approaches, sports management techniques, or community-based sports programs. The majority of the Sports Visitors will be non-English language speakers with little prior experience in the United States. The final mix of countries and sports will be determined after discussions between ECA, Regional Bureaus, and the U.S. Embassies overseas, as well as input from the relevant U.S. Sports Federations and their foreign counterparts.

## **III. Eligibility Information**

### *III.1. Eligible Applicants*

Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

### *III.2. Cost Sharing or Matching Funds*

There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23—Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved

budget, ECA's contribution will be reduced in like proportion.

### *III.3. Other Eligibility Requirements*

(a.) Bureau grant guidelines require that organizations with less than four years experience in conducting international exchanges be limited to \$60,000 in Bureau funding. ECA anticipates making one award, in an amount up to \$1,000,000 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

(b.) Award recipients must have a Washington, DC. presence. Applicants who do not currently have a Washington, DC presence must include a detailed plan in their proposal for establishing such a presence by January 1, 2011. The costs related to establishing such a presence must be borne by the award recipient. No such costs may be included in the budget submission in this proposal. The award recipient must have e-mail capability, access to Internet resources, and the ability to exchange data electronically with all partners involved in the Sports Visitor Program.

(c.) Proposals must demonstrate that an applicant has an established resource base of programming contacts and the ability to keep this resource base continuously updated. This resource base should include speakers, thematic specialists, or practitioners in a wide range of professional fields in both the private and public sectors.

(d.) Technical Eligibility: In addition to the requirements outlined in the Proposal Submission Instructions (PSI) technical format and instructions document, all proposals must comply with the following or they will result in your proposal being declared technically ineligible and given no further consideration in the review process.

The Office does not support proposals limited to conferences or seminars (i.e., one- to fourteen-day programs with plenary sessions, main speakers, panels, and a passive audience). It will support conferences only when they are a small part of a larger project in duration that is receiving Bureau funding from this competition.

No funding is available exclusively to send U.S. citizens to conferences or conference-type seminars overseas; nor is funding available for bringing foreign nationals to conferences or to routine

professional association meetings in the United States.

The Office of Citizen Exchanges does not support academic research or faculty or student fellowships.

Applicants must follow all instructions in the Solicitation Package. The application should be submitted per the instructions under IV.3f. "Application Deadline and Methods of Submission" section below.

IV.3a. You are required to have a Dun and Bradstreet Data Universal Numbering System (DUNS) number to apply for a grant or cooperative

agreement from the U.S. Government.

This number is a nine-digit identification number, which uniquely identifies business entities. Obtaining a DUNS number is easy and there is no charge. To obtain a DUNS number, access <http://www.dunandbradstreet.com> or call 1-866-705-5711. Please ensure that your DUNS number is included in the appropriate box of the SF-424 which is part of the formal application package.

IV.3b. All proposals must contain an executive summary, proposal narrative and budget.

Please refer to the Solicitation Package. It contains the mandatory Proposal Submission Instructions (PSI) document and the Project Objectives, Goals and Implementation (POGI) document for additional formatting and technical requirements.

IV.3c. You must have nonprofit status with the IRS at the time of application.

**Please note:** Effective January 7, 2009, all applicants for ECA federal assistance awards must include in their application the names of directors and/or senior executives (current officers, trustees, and key employees, regardless of amount of compensation). In fulfilling this requirement, applicants must submit information in one of the following ways:

(1) Those who file Internal Revenue Service Form 990, "Return of Organization Exempt From Income Tax," must include a copy of relevant portions of this form.

(2) Those who do not file IRS Form 990 must submit information above in the format of their choice.

In addition to final program reporting requirements, award recipients will also be required to submit a one-page document, derived from their program reports, listing and describing their grant activities. For award recipients, the names of directors and/or senior executives (current officers, trustees, and key employees), as well as the one-page description of grant activities, will be transmitted by the State Department to OMB, along with other information required by the Federal Funding Accountability and Transparency Act (FFATA), and will be made available to the public by the Office of Management and Budget on its [USASpending.gov](http://USASpending.gov) Web site as part of ECA's FFATA reporting requirements.

If your organization is a private nonprofit that has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure

to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1 Adherence to all regulations governing The J Visa. The Office of Citizen Exchanges of the Bureau of Educational and Cultural Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR part 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR part 62, organizations receiving awards (either a grant or cooperative agreement) under this RFGP will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR part 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR part 62 *et seq.*

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should explicitly state in writing that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR part 62. If your organization has experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss their record of compliance with 22 CFR part 62 *et seq.*, including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, record-keeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of

Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from: United States Department of State, Office of Designation, Private Sector Programs Division, ECA/EC/D/PS, SA-5, 5th Floor, 2200 C Street, NW., Washington, DC 20037.

IV.3d.2. Diversity, Freedom and Democracy Guidelines. Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3. Program Monitoring and Evaluation. Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals

and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and how and when you intend to measure these outcomes (performance indicators). The more that outcomes are "smart" (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program outputs and outcomes. Outputs are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. Outcomes, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. Participant satisfaction with the program and exchange experience.
2. Participant learning, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.
3. Participant behavior, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.
4. Institutional changes, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

**Please note:** Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) specifies

intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured; and (4) provides a clear description of the data collection strategies for each outcome (i.e., surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

#### Department of State Acknowledgement

All recipients of ECA grants or cooperative agreements should be prepared to state in any announcement or publicity where it is not inappropriate that activities are assisted financially by the Bureau of Educational and Cultural Affairs of the U.S. Department of State under the authority of the Fulbright-Hays Act of 1961, as amended. In any contact with the media (print, television, web, etc.) applicants must acknowledge the SportsUnited Division of the Bureau of Educational and Cultural Affairs of the U.S. Department of State funding for the program.

IV.3d.4. For information on the Bureau's policies regarding alumni outreach and engagement, as well as guidance on the proper acknowledgement of ECA sponsorship of this program, please refer to the enclosed PSI.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1. Applicants must submit SF-424A—"Budget Information—Non-Construction Programs" along with a comprehensive budget for the entire program. The award request may not exceed \$1,000,000. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification.

IV.3e.2. Allowable costs for the program include the following:

1. Educational materials;
2. Participant travel (domestic, local, and in some cases, international, transportation);
3. Orientations;
4. Cultural and social activities;

5. Meeting costs;
6. Food and lodging;
7. Interpreters and translation, when necessary;
8. Follow-on activities;
9. Evaluation;
10. Stipends or allowances;
11. Other justifiable expenses directly related to supporting program activities.

Please refer to the Solicitation Package for complete budget guidelines and formatting instructions.

IV.3g. Intergovernmental Review of Applications: Executive Order 12372 does not apply to this program.

## V. Application Review Information

### V.1. Review Process

The Bureau will review all proposals for technical eligibility. Proposals will be deemed ineligible if they do not fully adhere to the guidelines stated herein and in the Solicitation Package. All eligible proposals will be reviewed by the program office, as well as the Public Diplomacy section overseas, where appropriate. Eligible proposals will be subject to compliance with Federal and Bureau regulations and guidelines and forwarded to Bureau grant panels for advisory review. Proposals may also be reviewed by the Office of the Legal Adviser or by other Department elements. Final funding decisions are at the discretion of the Department of State's Assistant Secretary for Educational and Cultural Affairs. Final technical authority for assistance awards cooperative agreements resides with the Bureau's Grants Officer.

### Review Criteria

Technically eligible applications will be competitively reviewed according to the criteria stated below. These criteria are not rank ordered and all carry equal weight in the proposal evaluation:

1. Program Planning: Detailed agenda and relevant work plan should

demonstrate substantive undertakings and logistical capacity. Agenda and plan should adhere to the program overview and guidelines described above. Program schedules should reflect innovative and relevant itineraries, and creative and dynamic meetings and site visits.

2. Ability to Achieve Program Objectives: Objectives should be reasonable, feasible, and flexible. Your proposal should clearly demonstrate how your organization will meet the program's objectives and plan.

3. Multiplier Effect/Impact: The proposed program should strengthen long-term mutual understanding, including maximum sharing of information and establishment of long-term institutional and individual linkages.

4. Support of Diversity: Proposals should demonstrate substantive support of the Bureau's policy on diversity. Achievable and relevant features should be cited in both program administration (selection of participants, program venue and program evaluation) and program content (orientation and wrap-up sessions, program meetings, resource materials and follow-up activities). Applicants should refer to the Bureau's Diversity, Freedom and Democracy Guidelines in the PSI and the Diversity, Freedom and Democracy Guidelines section, Item IV.3d.2, above for additional guidance.

5. Project Evaluation: Your proposal should include a plan to evaluate the activity's success, both as the activities unfold and at the end of the program. The Bureau recommends that the proposal include a draft survey questionnaire or other technique, plus a description of a methodology to use to link outcomes to original project objectives.

6. Institution's Record/Ability/Institutional Capacity: Your proposal should demonstrate an institutional record of successful international exchange programs, including responsible fiscal management and full compliance with all reporting requirements for past Bureau grants as determined by the Bureau's Grants Office. The Bureau will consider the past performance of prior recipients and the demonstrated potential of new applicants. Proposed personnel and institutional resources should be adequate and appropriate to achieve the program or project goals.

7. Cost-effectiveness: The applicant should demonstrate efficient use of Bureau funds. Overhead and administrative costs in the proposal budget, including salaries, honoraria and subcontracts for services, should be

kept to a minimum. Proposals whose administrative costs are less than twenty-five (25) per cent of the total funds requested from the Bureau will be deemed more competitive under this criterion. All other items should be necessary and appropriate.

## VI. Award Administration Information

VI.1a. Award Notices. Final awards cannot be made until funds have been appropriated by Congress, allocated and committed through internal Bureau procedures. The successful applicant will receive a Federal Assistance Award (FAA) from the Bureau's Grants Office. The FAA and the original proposal with subsequent modifications (if applicable) shall be the only binding authorizing document between the recipient and the U.S. Government. The FAA will be signed by an authorized Grants Officer, and mailed to the recipient's responsible officer identified in the application.

Unsuccessful applicants will receive notification of the results of the application review from the ECA program office coordinating this competition.

VI.1b. The following additional requirements apply to this project: A critical component of current U.S. government Iran policy is the support for indigenous Iranian voices. The State Department has made the awarding of grants for this purpose a key component of its Iran policy. As a condition of licensing these activities, the Office of Foreign Assets Control (OFAC) has requested the Department of State to follow certain procedures to effectuate the goals of Sections 481(b), 531(a), 571, 582, and 635(b) of the Foreign Assistance Act of 1961 (as amended); 18 U.S.C. 2339A and 2339B; Executive Order 13224; and Homeland Security Presidential Directive 6. These licensing conditions mandate that the Department conduct a vetting of potential Iran grantees and sub-grantees for counter-terrorism purposes. To conduct this vetting the Department will collect information from grantees and sub-grantees regarding the identity and background of their key employees and Boards of Directors.
