

messages to up to four e-mail addresses and/or telephone numbers. A complete list of options is available from the VMS provider.

A vessel owner may purchase this system by contacting the entity identified in this notice under the heading "VMS Provider Addresses." The owner should identify himself or herself as a vessel owner issued a permit to operate in the Western and Central Pacific Fishery so the transceiver set can be properly configured.

The Thrane & Thrane Sailor (TT-3026D) Gold VMS

The TT-3026D Gold VMS features an integrated GPS/Inmarsat-C unit. The unit is factory pre-configured for NMFS VMS operations (non-Global Maritime Distress & Safety System (non-GMDSS)). The TT-3026D Gold VMS includes a marine-grade monitor with keyboard and integrated mouse. Satellite commissioning services are provided by GMPCS personnel.

Automatic GPS position reporting starts after transceiver installation and power activation onboard the vessel. The unit is an integrated transceiver/antenna/GPS design using a floating 10 to 32 VDC power supply. The unit is configured for automatic reduced position transmissions when the vessel is stationary (*i.e.*, in port). It allows for port stays without power drain or power shut down. The unit restarts normal position transmission automatically when the vessel goes to sea.

The TT-3026D provides operation down to ± 15 degree angles. The unit has the capability (if so configured) of two-way communications to send electronic forms and to receive e-mail and other messages. A configuration option is available to automatically send position reports to a private address, such as a fleet management company. To use the TT-3026D, the vessel owner will need to establish an Inmarsat-C system use contract with an approved Inmarsat-C communications service provider. The owner will be required to complete the Inmarsat-C Registration for Service Activation for Maritime Mobile Earth Station. The owner should consult with GMPCS when completing this form.

GMPCS personnel will perform the following services before shipment: (1) Configure the transceiver according to OLE specifications for vessels issued permits to operate in the Western and Central Pacific Fishery; (2) download the predetermined NMFS position reporting and broadcast command identification numbers into the unit; (3) test the unit to ensure operation when installation has been completed on the

vessel; and (4) forward the Inmarsat service provider and the transceiver identifying information to OLE.

A vessel owner may purchase this system by contacting the entity identified in this notice under the heading "VMS Provider Addresses." The owner should identify himself or herself as a vessel owner issued a permit to operate in the Western and Central Pacific Fishery so the transceiver set can be properly configured.

CLS America Thorium VMS TST-100

The approved configuration consists of the CLS America Thorium VMS TST-100 Transceiver and the Data Terminal Equipment (DTE) version 1.0. The DTE software is version 1.0. The CLS Thorium VMS unit and the DTE must be bundled with Halios communications (e-mail, eforms) and position services. This configuration is enabled through the Iridium Short Burst Data (SBD) service, and is accessed through the CLS Iridium Web Portal (IWP) or machine-to-machine interface (IWS).

A vessel owner may purchase this system by contacting the entity identified in this notice under the heading "VMS Provider Addresses." The owner should identify himself or herself as a vessel owner issued a permit to operate in the Western and Central Pacific Fishery so the transceiver set can be properly configured.

Communications Service Providers

OLE has approved the below-listed communications service providers for the Western and Central Pacific Fishery: GSM/Iridium for Faria Watchdog 750VMS with VTERM; Stratos Global and Vizada satellite communications services for the Thrane and Thrane Sailor (TT-3026D) Gold VMS; and Halios/Iridium for the CLS America Thorium TST-100 VMS.

The owner must confirm the operation and communications service to ensure that position reports are automatically sent to and received by OLE before leaving on a fishing trip under VMS. OLE does not regard the fishing vessel as being in compliance until position reports are automatically received. For confirmation purposes, contact the VMS support center at 888-219-9228 or ole.helpdesk@noaa.gov.

Faria GSM/Iridium Service

The Faria Watchdog GSM/Iridium Service is a dual mode GSM/GPRS and Iridium platform to ensure that connections are highly reliable, near real time and cost effective. The primary channel is the GSM/GPRS (if activated) and the secondary channel is Iridium.

INMARSAT-C Communications Providers

It is recommended, for vendor warranty and customer service purposes, that the vessel owner keep for his or her records (and that Stratos Global or Vizada have on record) the following identifying information: (a) Signed and dated receipts and contracts; (b) transceiver serial number; (c) Vizada or Stratos Global customer number, user name and password; (d) e-mail address of transceiver; (e) Inmarsat identification number; (f) owner name; (g) vessel name; (h) vessel documentation or registration number; and (i) mobile earth station license (FCC license).

CLS America Halios/Iridium Service

Thorium VMS TST-100 VMS must be bundled with Halios communications (e-mail, eforms) and position services, enabled through the (SBD) service, and accessed through the CLS (IWP) or (IWS).

VMS Provider Addresses

For Faria Watchdog/Iridium information, contact Faria WatchDog Inc., P.O. Box 486, Uncasville, CT 06382, mark@fariawatchdog.net; (860) 608-5875; (fax): (860) 848-9005.

For Thrane & Thrane Sailor 3026D Gold VMS, Stratos Global or Vizada information contact GMPCS Personal Communications Inc., 1501 Green Rd., Suite A-B, Pompano Beach, FL 33064; vms@GMPCS-US.com; (954) 973-3100; (fax): (954) 973-4800.

For CLS America Thorium VMS TST-100 and Halios/Iridium information, contact CLS America, Inc., 1441 McCormick Drive, Suite 1050, Largo, MD 20774; userservices@clsamerica.com; (301) 925-4411; (fax): (301) 925-8995.

Dated: October 12, 2010.

Samuel D. Rauch III,

Deputy Assistant Administrator for Regulatory Programs, National Marine Fisheries Service.

BILLING CODE 3510-22-P

COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List Proposed Additions And Deletions

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Proposed Additions to and Deletions from the Procurement List.

SUMMARY: The Committee is proposing to add a product and services to the Procurement List that will be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities and to delete products previously furnished by such agencies.

DATES: Comments Must Be Received On or Before: November 15, 2010.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia, 22202-3259.

FOR FURTHER INFORMATION CONTACT: Patricia Briscoe, Telephone: (703) 603-7740, Fax: (703) 603-0655, or e-mail CMTEFedReg@AbilityOne.gov.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to 41 U.S.C. 47(a) (2) and 41 CFR 51-2.3. Its purpose is to provide interested persons an opportunity to submit comments on the proposed actions.

Additions

If the Committee approves the proposed additions, the entities of the Federal Government identified in this notice will be required to procure the product and services listed below from nonprofit agencies employing persons who are blind or have other severe disabilities.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the product and services to the Government.

2. If approved, the action will result in authorizing small entities to furnish the product and services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the product and services proposed for addition to the Procurement List.

Comments on this certification are invited. Commenters should identify the statement(s) underlying the certification on which they are providing additional information.

End of Certification

The following product and services are proposed for addition to Procurement List for production by the nonprofit agencies listed:

Product

NSN: 8345-00-NSH-0015—Yellow Vinyl Panel Marker

NPA: Development Workshop, Inc., Idaho Falls, ID

Contracting Activity: BUREAU OF LAND MANAGEMENT, FA-NATIONAL INTERAGENCY FIRE CENTER, BOISE, ID

Coverage: C-List for 100% of the requirement of the FA-National Interagency Fire Center as aggregated by the Bureau of Land Management, FA-National Interagency Fire Center.

Services

Service Type/Location: Property Management Service, National Park Service Horace M. Albright Training Center, 1 Albright Avenue Grand Canyon, AZ

NPA: Trace, Inc., Boise, ID

Contracting Activity: DEPT OF THE INTERIOR, NATIONAL PARK SERVICE, DENVER SERVICE CENTER (DSC), DENVER, CO

Service Type/Location: Custodial Service, FEMA Louisiana Recovery Office, 1500 Main Street, Baton Rouge, LA

NPA: Goodworks, Inc., Metairie, LA

Contracting Activity: DEPT OF HOMELAND SECURITY, FEDERAL EMERGENCY MANAGEMENT AGENCY, BATON ROUGE, LA

Deletions

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. If approved, the action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. If approved, the action may result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the products proposed for deletion from the Procurement List.

End of Certification

The following products are proposed for deletion from the Procurement List:

Products:

Hanger, Magnetic (Picture)

NSN: 5340-00-916-4209-6x6"

NSN: 5340-00-916-4208-6x7"

NSN: 5340-00-916-4207-3x6"

BILLING CODE 6353-01-P

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Intent To Prepare a Draft Environmental Impact Statement for the Louisiana Coastal Area—Plaquemines Parish, LA, Medium Diversion With Dedicated Dredging at Myrtle Grove Feasibility Study

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of Intent.

SUMMARY: The U.S. Army Corps of Engineers (USACE) intends to prepare a Draft Environmental Impact Statement (EIS) for the Louisiana Coastal Area (LCA)—Louisiana, Medium Diversion at Myrtle Grove with Dedicated Dredging project. The proposed restoration feature consists of a diversion, coupled with dedicated dredging, that would allow the reintroduction of freshwater, sediment and nutrients into the critically effected area of the Barataria Basin, which is located in the Ascension, Assumption, Jefferson, Lafourche, Orleans, Plaquemines, St. Charles, St. James, and St. John the Baptist parishes, Louisiana. This particular combination of restoration features would allow for rapid creation of wetland acreage and enable long-term stability. This EIS will be tiered off of the programmatic EIS for the LCA Ecosystem Restoration Study, November 2004. The record of decision for the programmatic EIS was signed on November 18, 2005.

DATES: See SUPPLEMENTARY INFORMATION section for scoping meeting dates.

For Further Information Contact: Questions concerning the draft EIS
