**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

This request is for a renewal of a currently approved information collection. The National Oceanic and Atmospheric Administration (NOAA) provides educators an opportunity to gain first-hand experience with field research activities through the Teacher at Sea Program. Through this program, educators spend up to three weeks at sea on a NOAA research vessel, participating in an on-going research project with NOAA scientists. Once educators are selected and participate on a cruise, they write a report detailing the events of the cruise and ideas for

classroom activities based on what they learned while at sea. These materials are then made available to other educators so they may benefit from the experience, without actually going to sea themselves. In order to better serve the participants, the Teacher at Sea Program will survey the teacher participants on their experience before, during, and after they return from sea. The survey will collect data only from teacher participants, not from applicants.

**Certain Welded Carbon Steel Standard Pipes and Tubes From India: Extension of the Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 15, 2010.

**FOR FURTHER INFORMATION CONTACT:** Michael A. Romani or Minoo Hatten, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone (202) 482-0198 or (202) 482-1690, respectively.

**SUPPLEMENTARY INFORMATION:**

**Background**

On June 14, 2010, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain welded carbon steel standard pipes and tubes from India. *See Certain Welded Carbon Steel Standard Pipes and Tubes from India: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 33578 (June 14, 2010). The review covers the period May 1, 2008, through April 30, 2009. The final results of the review are currently due no later than October 12, 2010.

**Extension of Time Limit for Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results up to 180 days after the date on which the preliminary results are published.

We determine that it is not practicable to complete the final results of this review within the original time limit because we need additional time to analyze certain complicated issues relating to the universe of sales and the date of sale. Therefore, we are extending the time period for issuing the final results of this review by 24 days until November 5, 2010.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: October 7, 2010.

#### Wooden Bedroom Furniture From the People's Republic of China: Correction to Notice of Extension of Preliminary Results of Antidumping Duty New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 15, 2010.

**FOR FURTHER INFORMATION CONTACT:**

Jeffrey Pedersen or Rebecca Pandolph, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2769 or (202) 482-3627, respectively.

#### Correction

On August 27, 2010, the Department of Commerce (the Department) published a notice of extension of time limit for the preliminary results of the antidumping new shipper review of wooden bedroom furniture from the People's Republic of China for the period January 1, 2009, through December 31, 2009. *See Wooden Bedroom Furniture From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty New Shipper Review*, 75 FR 52716 (August 27, 2010) (Extension Notice). Subsequent to the publication of the Extension Notice, we identified an inadvertent clerical error in the Extension Notice.

Under the "Extension of Time Limits for Preliminary Results" section of the Extension Notice, the Department discussed the reasons for extending the preliminary results of the new shipper review but then incorrectly stated that it was "extending the time for the completion of the final results" and noted that "the deadline for completion of the final results of these reviews is now no later than December 27, 2010." The purpose of the instant notice is to

notify parties of the error and to correct the error.

The Department has not extended the final results of the new shipper review. Rather, the Extension Notice was meant to extend the preliminary results of the new shipper review. Thus, the preliminary results of the new shipper review are due no later than December 27, 2010.

This correction notice is issued and published in accordance with sections 751(a)(2)(B)(iv) and 751(h) of the Act.

#### Pure Magnesium From the People's Republic of China: Extension of Time for the Final Results of the Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 15, 2010.

**FOR FURTHER INFORMATION CONTACT:**

Laurel LaCivita, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4243.

#### Background

On June 18, 2010, the Department of Commerce ("the Department") published the preliminary results of this administrative review for the period May 1, 2008, to April 30, 2009. *See Pure Magnesium from the People's Republic of China: Preliminary Results of the 2008-2009 Antidumping Duty Administrative Review*, 75 FR 34689 (June 18, 2010). The final results of review are currently due on October 18, 2010.

#### Extension of Time Limits for the Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not

practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of the administrative review within the 120-day period is not practicable because the Department requires additional time to analyze information obtained at verification, evaluate the surrogate value information placed on the record, and consider the arguments raised by the parties in the case and rebuttal briefs and provided at the hearing.

Because it is not practicable to complete this review within the time specified under the Act, we are extending the time period for issuing the final results of the administrative review to 180 days, until December 15, 2010, in accordance with section 751(a)(3)(A) of the Act.

We are publishing this notice pursuant to sections 751(a) and 777(i) of the Act.
