persons who register. Members of the public who have not registered may also have an opportunity to speak, if time permits. Public comments will be considered in the scoping process for the EIS. If special equipment or accommodations are needed to attend or present information at the public meeting, such requests should be brought to Mr. Fetter’s or Ms. Williamson’s attention no later than October 27, 2010, so that the NRC staff can determine whether the request can be accommodated.

ADDRESSES: You may submit comments by any one of the following methods. Please include Docket ID NRC–2010–0215 in the subject line of your comments.

Federal Rulemaking Web site: Go to http://www.regulations.gov and search for documents filed under Docket ID NRC–2010–0215. Comments may be submitted electronically through this Web site. Address questions about NRC docketing to Carol Gallagher at 301–492–3668, or e-mail at Carol.Gallagher@nrc.gov.

Mail comments to: Members of the public may send written comments on the scope of the PSEG Site ESP environmental review to Cindy Bladely, Chief, Rules, Announcements, and Directives Branch (RA DB), Division of Administrative Services, Office of Administration, Mail Stop: TWB–05–B01M, U.S. Nuclear Regulatory Commission, Washington, DC 20555–0001, or by fax to RADB at (301) 492–3446. To be considered in the scoping process, written comments must be postmarked or delivered by the comment period end date of December 14, 2010. Electronic comments may be sent by e-mail to the NRC at PSEGSite.ESPEIS@nrc.gov. Electronic submissions must be received no later than the comment period end date of December 14, 2010, to be considered in the scoping process.

Comments submitted in writing or in electronic form will be posted on the NRC Web site and on the Federal rulemaking Web site http://www.regulations.gov. Unless your comments contain sensitive information typically not released to the public by NRC policy, the NRC will make all comments publically available. Because your comments will not be edited to remove any identifying information, the NRC cautions you against including any information in your submission that you do not want to be publicly disclosed.

The NRC requests that any party soliciting or aggregating comments received from other persons for submission to the NRC inform those persons that the NRC will not edit their comments to remove any identifying or contact information, and therefore, they should not include any information in their comments that they do not want publicly disclosed.

Document Availability: Publicly available documents related to this notice can be accessed using any of the methods described in this section.

Participation in the scoping process for the EIS does not entitle participants to become parties to the proceeding to which the EIS relates. Notice of a hearing regarding the application for COLs will be noticed separately in the Federal Register.

At the conclusion of the scoping process, the NRC will prepare a concise summary of the determination and conclusions on the scope of the environmental review including the significant issues identified and will make this summary publicly available. The staff will then prepare and issue for comment the draft EIS which will be the subject of a separate Federal Register notice and a separate public meeting. Copies of the draft EIS will be available for public inspection at the PDR through the above-mentioned address and one copy per request will be provided free of charge. After receipt and consideration of the comments, the NRC will prepare a final EIS, which will also be available to the public. Information about the proposed action, the EIS, and the scoping process may be obtained from Mr. Allen Fetter or Ms. Alicia Williamson at the U.S. Nuclear Regulatory Commission, Mail Stop T7–E18, Washington, DC 20555–0001, by phone at 1–800–368–5642, extensions 8556 or 1878, respectively or via e-mail at Allen.Fetter@nrc.gov or Alicia.Williamson@nrc.gov.

Dated at Rockville, Maryland, this 8th day of October 2010.

For the Nuclear Regulatory Commission.

Scott Flanders,
Director, Division of Site and Environmental Reviews, Office of New Reactors.
