

environmental organizations; archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of State, county, or local elected office; representatives and employees of a State agency responsible for managing natural resources; representatives of Indian tribes within or adjacent to the area for which the council is organized; representatives of academia who are employed in natural sciences; and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the State of Wyoming. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally registered lobbyists from serving on any FACA and non-FACA boards, committees, or councils. The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed background information nomination form; and
- Any other information that addresses the nominee's qualifications.

Simultaneous with this notice, the BLM Wyoming State Office will issue a press release providing additional information for submitting nominations, with specifics about the positions available on the RAC. The terms of the appointments range from 1 to 3 years in order to stagger future expirations.

Certification Statement: I hereby certify that the BLM Wyoming Resource Advisory Council is necessary and in the public interest in connection with the Secretary's responsibilities to manage the lands, resources, and facilities administered by the BLM.

Ken Salazar,
Secretary.

Geological Survey

National Earthquake Prediction Evaluation Council (NEPEC) Advisory Committee

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of meeting.

SUMMARY: Pursuant to Public Law 96-472, the National Earthquake Prediction Evaluation Council (NEPEC) will hold a 2-day meeting on November 3 and 4, 2010. The meeting will be held on the campus of the California Institute of Technology, Pasadena, California 91106. The Council is comprised of members from academia and the Federal Government. The Council shall advise the Director of the U.S. Geological Survey (USGS) on proposed earthquake predictions, on the completeness and scientific validity of the available data related to earthquake predictions, and on related matters as assigned by the Director. Additional information about the Council may be found at: <http://earthquake.usgs.gov/aboutus/nepec/>.

At the meeting, the Council will review plans and progress related to understanding, forecasting and communicating about earthquake occurrence in California, the Pacific Northwest, and the Central United States. The Council will ratify the charges to NEPEC subcommittees that will focus on: (1) Methods for rapidly estimating the probability of a large earthquake following a possible foreshock or during a swarm of seismicity, procedures by which Council findings are to be transmitted to the USGS, and the format and content of earthquake advisory statements that may be composed and delivered at times of heightened concern; (2) earthquake occurrence and forecasting in the Pacific Northwest; (3) earthquake occurrence and forecasting in the Central and Eastern U.S.; and (4) review procedures for the project intended to deliver an updated Uniform California Earthquake Rupture Forecast (UCERF3) in summer 2012.

Workshops and meetings of the National Earthquake Prediction Evaluation Council are open to the public. A draft workshop agenda is available on request (contact information below). In order to ensure sufficient seating and hand-outs, it is requested that visitors pre-register by November 1. Members of the public wishing to make a statement to the Committee should provide notice of that intention by November 1 so that time may be allotted in the agenda.

DATES: November 3, 2009, commencing at 8:30 a.m. and adjourning at 5:30 p.m., and November 4, 2009, commencing at 8:30 a.m. and adjourning at Noon.

**Notice of Proposed Reinstatement of
Terminated Oil and Gas Lease MTM
98742, Montana**

AGENCY: Bureau of Land Management,
Interior.

ACTION: Notice.

SUMMARY: Under the provisions of the Mineral Leasing Act of 1920, as amended, Coburn, LLC timely filed a petition for reinstatement of competitive oil and gas lease MTM 98742, for land in Fergus County, Montana. The lessee paid the required rental accruing from the date of termination.

The Bureau of Land Management (BLM) has not issued a valid lease to any other interest affecting the lands. The lessee agrees to new lease terms for rentals and royalties of \$10 per acre and 16-2/3 percent. The lessee paid the \$500 administration fee for the reinstatement of the lease and the \$163 cost for publishing this notice.

The lessee has met the requirements for reinstatement of the lease under Section 31(d) and (e) of the Mineral Leasing Act of 1920 (30 U.S.C. 188). The BLM is proposing to reinstate the lease, effective the date of termination, subject to:

- The original terms and conditions of the lease, except as otherwise provided;
- The increased rental of \$10 per acre;
- The increased royalty of 16-2/3 percent;
- The \$163 cost of publishing this notice; and
- The \$500 administration fee.
