AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of proposed rulemaking (NPRM); withdrawal.

SUMMARY: This action withdraws the NPRM published in the **Federal Register** on July 19, 2010, which proposed to establish Class E airspace at Upper Valley Connecticut Hospital, Colebrook, NH. SUPPLEMENTARY INFORMATION:

History

On July 19, 2010, a NPRM was published in the **Federal Register** to establish Class E airspace at Colebrook, NH to accommodate special standard instrument approach procedures for Upper Valley Connecticut Hospital (74 FR 41772) Docket No.-2010-0322. After publication, the FAA found that the airspace description in the proposed rule incorrectly included existing controlled airspace 1,200 feet above the surface. To avoid confusion, this proposed rule is being withdrawn and will be established under another rulemaking.
