Notice of Application for a Recordable Disclaimer of Interest; NM

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: Mr. Carlos Ortega, Jr., has filed an application with the Bureau of Land Management (BLM) for a Disclaimer of Interest from the United States pursuant to Section 315 of the Federal Land Policy and Management Act of 1976, as amended (FLPMA), and the regulations contained in 43 CFR subpart 1864 for the surface estate of land lying along the right bank of the Rio Caliente river in Rio Arriba County, New Mexico. This Notice provides the public an opportunity to comment on the Disclaimer of Interest application.

DATES: Interested parties may submit written comments regarding the proposed disclaimer of interest on or before January 24, 2011.

ADDRESSES: Comments should be sent to the Deputy State Director, Lands and Resources, BLM, New Mexico State

Office, P.O. Box 27115, 301 Dinosaur Trail, Santa Fe, New Mexico 87502.

FOR FURTHER INFORMATION CONTACT: Gilda Fitzpatrick, Realty Specialist, BLM New Mexico State Office, (505) 954-2197. Additional information pertaining to this application can be reviewed in case file NMNM 114447 located in the New Mexico State Office, at the above address.

SUPPLEMENTARY INFORMATION: The purpose of this Disclaimer of Interest is to address the land title status to a parcel of land that is within the exterior boundary of the Carson National Forest. The authority to issue a Disclaimer of Interest for lands within the boundaries of the National Forest system administered by the U.S. Forest Service (USFS) falls to the BLM. The USFS, Southwest Regional Office, requested the BLM process Mr. Ortega's Disclaimer of Interest application after a determination by BLM Cadastral Survey that the east boundary of the parcel is riparian and extends to the medial line of the current location of the Rio Caliente river. The application requests that the United States disclaim any interest in the surface estate of the subject land from their original surveyed and platted location to the center line of the Rio Caliente river. This action will be processed pursuant to Section 315 of the FLPMA (43 U.S.C. 1745) for the following described land:

**Carson National Forest, New Mexico
Principal Meridian**

T. 25 N., R. 8 E.,
Sec. 24, a portion of lot 6.

The area described contains 1.490 acres more or less, in Rio Arriba County. Individual respondents may request confidentiality. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

A final decision on the merits of the application will not be made before January 24, 2011.

If no valid objection is received, a Disclaimer of Interest may be approved stating that the United States does not have a valid interest in these surface lands.

(Authority: 43 CFR 1864.2)

William Merhege,

Deputy State Director, Division of Lands and Resources.

**Notice Reopening the Call for
Nominations for the New Mexico
Resource Advisory Councils**

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to reopen the nomination period for the Bureau of Land Management's (BLM) New Mexico Resource Advisory Councils (RAC). The RACs provide advice and recommendations to the BLM on land use planning and management of the public lands within their geographic areas.

DATE: All nominations must be received no later than November 26, 2010.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of BLM offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Allison Sandoval, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street, NW., MS-401 LS, Washington, DC 20240; (202) 912-7434.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1739) directs the Secretary of the Interior (Secretary) to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). The rules governing RACs are found at 43 CFR subpart 1784. As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. These include three categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations, archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of state, county, or local elected office; representatives and employees of a state agency responsible for management of natural resources; representatives of Indian tribes within or adjacent to the area for which the council is organized; representatives of academia who are employed in natural sciences; and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the BLM district in which the RAC has jurisdiction. The BLM will evaluate nominees based on a variety of factors, including training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decisionmaking. Current administration policy discourages individuals who are currently federally registered lobbyists from serving on FACA and non-FACA boards, committees, or councils. The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed background information nomination form; and
- Any other information that addresses the nominee's qualifications.

The BLM's New Mexico State Office will issue a press release simultaneously with this notice, providing additional information for submitting nominations, specifying the number and categories of positions available for each RAC. The terms of the appointments range from 1 to 3 years in order to stagger future expirations. If you have already submitted your nomination materials for 2010, you do not need to resubmit them. Nominations for RACs should be sent to the appropriate BLM offices listed below:

Edwin Singleton, Albuquerque District Office, BLM, 435 Montano NE, Albuquerque, New Mexico 87107, (505) 761-8700.
