SUPPLEMENTARY INFORMATION:

I. Background

In particular, the final rule: Identifies 83 industries by four digit North American Industry Classification System codes in which WOSBs are underrepresented or substantially underrepresented; allows WOSBs and EDWOSBs to self-certify their status as long as adequate documents are provided to support the certification; allows WOSBs or EDWOSBs to be certified by approved third-party certifiers, including Federal agencies; sets forth the criteria to determine eligibility for the program; sets forth the contracting requirements for the program; and explains and expands the contracting requirements for EDWOSBs to self-certify their status as long as adequate documents are provided to support the certification.

The SBA also stated in the rule that it is effective February 4, 2011 because the agency is in the process of working with the Federal Acquisition Regulatory Council to implement this program in the Federal Acquisition Regulations. In addition, the SBA is working with the Integrated Acquisition Environment to make changes to the various Federal procurement data systems, which will be affected by this rule.

Further, in the final rule the SBA examined the economic implications of the rule as required by the Regulatory Flexibility Act (5 U.S.C. 601–612) and determined that the rule would have a significant economic impact on a substantial number of small entities. In compliance with section 212 of the Small Business Regulatory Enforcement Fairness Act (Pub. L. 104–121), SBA is making available this Small Entity Compliance Guide, which explains in plain language the legal requirements of the WOSB Program, as set forth in the final rule.

This collection of information has been submitted to the Office of Management and Budget (OMB) for review and approval under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). Approval is currently pending.

Abstract of Proposed Collection

Form DS–156 is required by regulation of all nonimmigrant visa applicants who do not use the Online Application for Nonimmigrant Visa (Form DS–160). Posts will use the DS–156 to elicit information necessary to determine an applicant’s visa eligibility.

Methodology

The DS–156 is completed by applicants online or, in exceptional circumstances, applicants may submit a paper application to posts abroad. The applicant prints the application and a 2–D barcode. When the applicant appears at the interview the barcode is scanned and the information electronically received.
