Title of Proposal: Exigent Health and Safety Deficiency Correction Certification.

OMB Control Number: 2577-0241.

Description of the need for the information and proposed use: HUD's Uniform Physical Condition Standards (UPCS) regulation (24 CFR part 5, subpart G) provides that HUD housing must be decent, safe, sanitary, and in good repair. Public housing agencies (PHAs) must maintain housing in a manner that meets prescribed physical condition standards to be considered decent, safe, sanitary, and in good repair. The UPCS regulation also provides that all area and components of the housing must be free of health and safety hazards. HUD conducts physical inspections of the HUD-funded housing to determine if the UPCS standards are being met. Pursuant to the UPCS inspection protocol, at the end of the inspection (or at the end of each day of a multi-day inspection) the inspector provides the property representative with a copy of the "Notification of Exigent and Fire Safety Hazards Observed" form. Each exigent health and safety (EHS) deficiency that the inspector observed that day is listed on the form. The property representative signs the form acknowledging receipt.

PHAs are to correct EHS deficiencies (i.e., emergency work orders) within 24 hours. PHAs are to notify HUD, using the electronic format, within three business days of the date of inspection, which is the date the PHA was provided notice of these deficiencies, that the deficiencies were corrected within the prescribed time frames.

Agency form number: None.

Members of affected public: Public Housing Agencies.

Estimation of the total number of hours needed to prepare the information collection including number of respondents: 1,236 respondents annually with one response per respondent. Average time per response is .44 hours and the total burden hours are 333.57.

Status of the proposed information collection: Extension of currently approved collection.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: October 21, 2010.

Merrie Nichols-Dixon,

Acting Deputy Assistant Secretary, Office of Policy, Program and Legislative Initiatives.
