SUPPLEMENTARY INFORMATION:

1. Purposes

The purposes of this Notice are to:

- Publish FTA's Federal FY 2011 Certifications and Assurances for Applicants for Federal assistance administered by FTA and the Projects for which they seek Federal assistance awarded by FTA.

- Highlight the changes within the new FTA Certifications and Assurances for Federal FY 2011 now in effect.

- Identify locations where these FTA Certifications and Assurances may be viewed, and

- Provide directions for submitting these FTA Certifications and Assurances for Federal FY 2011 to FTA.

2. Background

a. *FTA's Responsibilities.* Since Federal FY 1995, FTA has been consolidating the various certifications and assurances that may be required of its Applicants and their projects into a single document for publication in the **Federal Register**. FTA intends to continue publishing this document annually, when feasible in conjunction with its publication of the FTA annual apportionment notice, which sets forth the allocations of funds made available by the latest U.S. Department of Transportation (U.S. DOT) annual appropriations act. Because U.S. DOT's full-year appropriations for Federal FY 2011 were not signed into law on

October 1, 2010 (the first day of Federal FY 2011), and have not yet been signed into law, FTA is proceeding with publication of its Certifications and Assurances for Federal FY 2011.

b. Applicant's Responsibilities.

Irrespective of whether a project will be financed under the authority of 49 U.S.C. chapter 53, Title 23, United States Code, or another Federal statute, the Applicant must submit Federal FY 2011 Certifications and Assurances to FTA applicable to all projects for which the Applicant seeks funding from FTA during Federal FY 2011.

FTA requests that an Applicant submit all of the twenty-four (24) categories of the Certifications and Assurances that may be needed for all projects for which the Applicant intends to or might seek Federal assistance in the Federal FY 2011. Selecting and submitting these Certifications and Assurances to FTA signifies the Applicant's intent and ability to comply with all applicable provisions thereof.

In order to assure FTA that the Applicant is authorized under State and local law to certify compliance with the FTA Certifications and Assurances it has selected, FTA requires the Applicant to obtain a current (Federal FY 2011) affirmation signed by the Applicant's attorney affirming the legal authority of the Applicant to certify its compliance with the FTA Certifications and Assurances that the Applicant has selected. The Applicant's attorney must sign this affirmation during Federal FY 2011. Irrespective of whether the Applicant makes a single selection of all twenty-four (24) categories of FTA Certifications and Assurances or selects individual categories from the FTA Certifications and Assurances, the Affirmation of Applicant's Attorney from a previous Federal FY is not acceptable, unless FTA expressly determines otherwise in writing.

c. Effect of Subrecipient Participation.

Absent a written determination by FTA to the contrary, the Applicant itself is ultimately responsible for compliance with the FTA Certifications and Assurances it has selected even though the Project may be carried out in whole or in part by one or more subrecipients. Thus, if subrecipients will be participating in the Project, when the Applicant submits its FTA Certifications and Assurances, the Applicant is also signifying that it will be responsible for compliance, both by itself and by each of its subrecipients, with the provisions of the FTA Certifications and Assurances it has selected. Therefore, in providing Certifications and Assurances that necessarily involve the compliance of any prospective subrecipient, FTA

strongly recommends that the Applicant take appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient participating in the project, to assure the validity of the Applicant's Certifications and Assurances to FTA.

3. Significant Information about FTA's Certifications and Assurances for Federal FY 2011

a. Legal Implications.

(1) *Binding Commitments.* Because the Applicant is required by Federal law and Federal regulations to comply with the applicable provisions of all FTA Certifications and Assurances it submits, it is important that the Applicant be familiar with the provisions of all twenty-four (24) categories of FTA Certifications and Assurances for Federal FY 2011. The text of those Certifications and Assurances is contained in Appendix A of this Notice, and also appears at <http://www.fta.dot.gov/documents/2011-Certs-Appendix.A.pdf>, and in FTA's electronic award and management system, TEAM-Web, <http://ftateamweb.fta.dot.gov>, at the "Cert's & Assurances" tab of the "View/Modify Recipients" page in the "Recipients" option. Provisions of this Notice supersede conflicting statements in any FTA circular containing a previous version of FTA's annual Certifications and Assurances. The Certifications and Assurances contained in those FTA circulars are merely examples, and are not acceptable or valid for Federal FY 2011.

An Applicant's annual Certifications and Assurances to FTA generally remain in effect for either the duration of the Grant or Cooperative Agreement supporting the Project until the Project is closed out or for the duration of the Project or Project property when a useful life or industry standard is in effect, whichever occurs later. If, however, the Applicant provides Certifications and Assurances to FTA in a later year that differ from the Certifications and Assurances previously provided, the later Certifications and Assurances will apply to the Grant, Cooperative Agreement, Project, or Project property, except to the extent FTA permits otherwise in writing.

(2) *Penalties for Noncompliance.* If the Applicant makes a false, fictitious, or fraudulent claim, statement, submission, certification, assurance, or representation to the Federal government or includes a false, fictitious, or fraudulent statement or representation in any agreement with the Federal government in connection

with a Project authorized under 49 U.S.C. chapter 53 or any other Federal law, the Federal government reserves the right to impose on the Applicant the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. 3801 *et seq.*, and implementing U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, or the penalties of 49 U.S.C. 5323(l) invoking the criminal provisions of 18 U.S.C. 1001, or other applicable Federal law to the extent the Federal government deems appropriate.

(3) *FTA's Certifications and Assurances Constitute Only a Partial List of Federal Requirements.* FTA cautions that the FTA Certifications and Assurances required by Federal law and regulations do not address all the Federal requirements that will apply to the Applicant and its Project. FTA's Certifications and Assurances are generally pre-award requirements, *i.e.*, those requirements of Federal law and regulations that the Applicant must fulfill before FTA is legally authorized to award Federal financial assistance to an Applicant.

(4) *Other Federal Requirements.* Because FTA's Certifications and Assurances do not encompass all Federal requirements that will apply to the Applicant and its Project, FTA strongly encourages the Applicant to review the Federal authorizing legislation, regulations, and directives pertaining to the program or programs for which the Applicant seeks Federal assistance. The FTA Master Agreement for Federal FY 2011 at <http://www.fta.dot.gov/documents/17-Master.pdf> identifies a substantial number of those Federal laws, regulations, and directives that apply to Applicants and their various projects.

b. Importance of FTA's Certifications and Assurances for Federal FY 2011. Following publication of these Certifications and Assurances, FTA may not award Federal financial assistance through a Federal Grant or Cooperative Agreement until the Applicant submits all of the FTA Certifications and Assurances for Federal FY 2011 pertaining to itself and its project as required by Federal laws and regulations. The Applicant's Certifications and Assurances for Federal FY 2011 will be applicable to all projects for which it seeks Federal assistance during Federal FY 2011 and through the next Federal FY until FTA issues its annual Certifications and Assurances for Federal FY 2012.

c. Federal FY 2011 Changes. Apart from minor editorial revisions, significant matters concerning FTA's

Certifications and Assurances include the following:

(1) In the Introductory paragraphs preceding the text of FTA's Certifications and Assurances, the FTA Web site for the FTA Master Agreement for Federal FY 2011 is identified as <http://www.fta.dot.gov/documents/17-Master.pdf>.

(2) Certification (01), Subsection "B" has been revised to add a statement emphasizing that the FTA Master Agreement has always been incorporated by reference and made part of the FTA grant agreement and cooperative agreement and that the Applicant is certifying that it will comply with the edition of the FTA Master Agreement incorporated by reference and made part of the latest amendment to its grant agreement or cooperative agreement, as specified within that agreement.

(3) A new Subsection "F" has been added to Certification (01), reinstating the Government-wide "Suspension and Debarment" certification. Due to serious concerns expressed by the Government Accountability Office, the U.S. DOT Inspector General, and U.S. DOT officials, FTA considers it prudent to re-emphasize the importance of each Applicant identifying its status to FTA with respect to its eligibility for award of any FTA grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance, or the extension, continuation, renewal, amendment, or modification of any Federal grant, loan (including a line of credit), cooperative agreement, loan guarantee, or loan insurance. Former Subsection "F" of Certification (01) has been re-numbered Subsection "G."

(4) The text of Certification (02), "Lobbying Certification," has been revised to substitute the current title of OMB's Standard Form-LLL, "Disclosure Form to Report Lobbying," currently in use.

d. *When to Submit.* All Applicants for FTA formula program or capital program assistance, and current FTA Grantees with an active project financed with FTA formula program or capital program assistance, are expected to provide their FTA Certifications and Assurances for Federal FY 2011 within 90 days from the date of this publication or as soon as feasible after their first application for Federal assistance authorized or made available for Federal FY 2011, whichever is earlier. In addition, FTA encourages Applicants seeking Federal assistance for other projects to submit their FTA Certifications and Assurances to FTA as soon as possible to expedite awards of FTA assistance.

4. Ways to Submit FTA'S Certifications and Assurances

As further explained, FTA will accept an Applicant's Certifications and Assurances submitted either in TEAM-Web at <http://ftateamweb.fta.dot.gov>, or on paper containing the text set forth on the Signature Page(s) of Appendix A of this Notice. In order of preference, FTA permits:

a. *Electronic Submission in Team-Web.* An Applicant registered in TEAM-Web must submit its FTA Certifications and Assurances, as well as its applications for Federal assistance in TEAM-Web. FTA prefers that other Applicants for Federal assistance submit their FTA Certifications and Assurances through TEAM-Web.

The TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of the "View/Modify Recipients" page contains fields for selecting among the twenty-four (24) categories of FTA Certifications and Assurances to be submitted. There is also a field for entering a single selection covering all twenty-four (24) categories of FTA Certifications and Assurances.

Within the "Cert's & Assurances" tab is a field for the Applicant's authorized representative to enter his or her personal identification number (PIN), which constitutes the Applicant's electronic signature for the FTA Certifications and Assurances selected. In addition, there is a field for the Applicant's attorney to enter his or her PIN, affirming the Applicant's legal authority to make and comply with the FTA Certifications and Assurances the Applicant has selected. The Applicant's authorized representative may enter his or her PIN in lieu of the Attorney's PIN, provided that the Applicant has a current Affirmation of Applicant's Attorney as set forth in Appendix A of this Notice, written and signed by the attorney in Federal FY 2011.

For more information, the Applicant may contact the appropriate FTA Regional Office or Metropolitan Office listed in this Notice or the TEAM-Web Helpdesk.

b. *Paper Submission.* Only if the Applicant is unable to submit its FTA Certifications and Assurances in TEAM-Web may the Applicant submit its FTA Certifications and Assurances on paper.

If an Applicant is unable to submit its FTA Certifications and Assurances electronically, it must mark the categories of FTA Certifications and Assurances it is making on the Signature Page(s) in Appendix A of this Notice and submit them to FTA. The Applicant may signify compliance with

all categories by placing a single mark in the appropriate space or select the categories applicable to itself and its projects.

The Applicant must enter its signature on the Signature Page(s) and must provide an Affirmation of Applicant's Attorney pertaining to the Applicant's legal capacity to make and comply with the Certifications and Assurances the Applicant has selected. The Applicant may enter its signature in lieu of its Attorney's signature in the Affirmation of Applicant's Attorney section of the Signature Page(s), provided that the Applicant has on file the Affirmation of Applicant's Attorney as set forth in Appendix A of this Notice, written and signed by the attorney and dated in Federal FY 2011.

For more information, the Applicant may contact the appropriate FTA Regional Office or Metropolitan Office listed in this Notice.

FEDERAL FISCAL YEAR 2011 CERTIFICATIONS AND ASSURANCES FOR FEDERAL TRANSIT ADMINISTRATION ASSISTANCE PROGRAMS

PREFACE

In accordance with 49 U.S.C. 5323(n), the following certifications and assurances have been compiled for Federal Transit Administration (FTA) assistance programs. FTA requests each Applicant to provide as many certifications and assurances as needed for all programs for which the Applicant intends to seek FTA assistance during Federal Fiscal Year 2011. Category 01 applies to all Applicants. Category 02 applies to all applications for Federal assistance in excess of \$100,000. Categories 03 through 24 will apply to and be required for some, but not all, Applicants and projects. An Applicant may select a single certification that will cover all the programs for which it anticipates submitting an application. FTA requests each Applicant to read each certification and assurance carefully and select all certifications and assurances that may apply to the programs for which it expects to seek Federal assistance.

FTA and the Applicant understand and agree that not every provision of these certifications and assurances will apply to every Applicant or every project for which FTA provides Federal financial assistance through a Grant Agreement or Cooperative

Agreement. The type of project and the section of the statute authorizing Federal financial assistance for the project will determine which provisions apply. The terms of these certifications and assurances reflect applicable requirements of FTA's enabling legislation currently in effect.

The Applicant also understands and agrees that these certifications and assurances are special pre-award requirements specifically prescribed by Federal law or regulation and do not encompass all Federal laws, regulations, and directives that may apply to the Applicant or its project. A comprehensive list of those Federal laws, regulations, and directives is contained in the FTA Master Agreement MA(17) for Federal Fiscal Year 2011 at the FTA Web site <http://www.fta.dot.gov/documents/17-Master.pdf>. The certifications and assurances in this document have been streamlined to remove most provisions not covered by statutory or regulatory certification or assurance requirements.

Because many requirements of these certifications and assurances will require the compliance of the subrecipient of an Applicant, we strongly recommend that each Applicant, including a State, that will be implementing projects through one or more subrecipients, secure sufficient documentation from each subrecipient to assure compliance, not only with these certifications and assurances, but also with the terms of the Grant Agreement or Cooperative Agreement for the project, and the applicable Master Agreement for its project, if applicable, incorporated therein by reference. Each Applicant is ultimately responsible for compliance with the provisions of the certifications and assurances applicable to itself or its project irrespective of participation in the project by any subrecipient. The Applicant understands and agrees that when it applies for FTA assistance on behalf of a consortium, joint venture, partnership, or team, each member of that consortium, joint venture, partnership, or team is responsible for compliance with the certifications and assurances the Applicant selects.

FTA strongly encourages each Applicant to submit its certifications and assurances through TEAM-Web, FTA's electronic award and management system, at <http://fteamweb.fta.dot.gov>. Twenty-four (24) Categories of certifications and assurances are listed by numbers 01 through 24 in the TEAM-Web "Recipients" option at the "Cert's & Assurances" tab of "View/Modify Recipients." Should the Applicant choose not to submit its certifications and assurances through TEAM-Web, the Applicant may submit its certifications and assurances on paper by submitting the Signature Page(s) at the end of this document, indicating the certifications and assurances it is making on one side of the document or on one page, and signing its affirmation and that of its attorney on the other side or other page.

01. ASSURANCES REQUIRED FOR EACH APPLICANT

Each Applicant for FTA assistance must provide all assurances in this Category "01." Except to the extent that FTA expressly

determines otherwise in writing, FTA may not award any Federal assistance until the Applicant provides the following assurances by selecting Category "01."

A. Assurance of Authority of the Applicant and Its Representative

The authorized representative of the Applicant and the attorney who sign these certifications, assurances, and agreements affirm that both the Applicant and its authorized representative have adequate authority under applicable State, local, or Indian Tribal law and regulations, and the Applicant's by-laws or internal rules to:

- (1) Execute and file the application for Federal assistance on behalf of the Applicant;
- (2) Execute and file the required certifications, assurances, and agreements on behalf of the Applicant binding the Applicant; and
- (3) Execute grant agreements and cooperative agreements with FTA on behalf of the Applicant.

B. Standard Assurances

The Applicant assures that it will comply with all applicable Federal statutes and regulations in carrying out any project supported by an FTA grant or cooperative agreement. The Applicant agrees that it is under a continuing obligation to comply with the terms and conditions of the FTA grant agreement or cooperative agreement, including the FTA Master Agreement that is incorporated by reference and made part of the latest amendment to its grant agreement or cooperative agreement with FTA issued for its project. The Applicant recognizes that Federal laws and regulations may be modified from time to time and those modifications may affect project implementation. The Applicant understands that Presidential executive orders and Federal directives, including Federal policies and program guidance may be issued concerning matters affecting the Applicant or its project. The Applicant agrees that the most recent Federal laws, regulations, and directives will apply to the project, unless FTA issues a written determination otherwise.

C. Intergovernmental Review Assurance

Except if the Applicant is an Indian Tribal government seeking assistance authorized by 49 U.S.C. 5311(c)(1), the Applicant assures that each application for Federal assistance it submits to FTA has been submitted or will be submitted for intergovernmental review to the appropriate State and local agencies as determined by the State. Specifically, the Applicant assures that it has fulfilled or will fulfill the obligations imposed on FTA by U.S. Department of Transportation (U.S. DOT) regulations, "Intergovernmental Review of Department of Transportation Programs and Activities," 49 CFR part 17. This assurance does not apply to Applicants for Federal assistance under FTA's Tribal Transit Program, 49 U.S.C. 5311(c)(1).

D. Nondiscrimination Assurance

As required by 49 U.S.C. 5332 (which prohibits discrimination on the basis of race, color, creed, national origin, sex, or age, and prohibits discrimination in employment or

business opportunity), by Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000d, and by U.S. DOT regulations, "Nondiscrimination in Federally-Assisted Programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act," 49 CFR part 21 at 21.7, the Applicant assures that it will comply with all requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21, so that no person in the United States, on the basis of race, color, national origin, creed, sex, or age will be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity (particularly in the level and quality of transportation services and transportation-related benefits) for which the Applicant receives Federal assistance awarded by the U.S. DOT or FTA.

Specifically, during the period in which Federal assistance is extended to the project, or project property is used for a purpose for which the Federal assistance is extended or for another purpose involving the provision of similar services or benefits, or as long as the Applicant retains ownership or possession of the project property, whichever is longer, the Applicant assures that:

(1) Each project will be conducted, property acquisitions will be undertaken, and project facilities will be operated in accordance with all applicable requirements of 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21, and understands that this assurance extends to its entire facility and to facilities operated in connection with the project;

(2) It will promptly take the necessary actions to effectuate this assurance, including notifying the public that complaints of discrimination in the provision of transportation-related services or benefits may be filed with U.S. DOT or FTA. Upon request by U.S. DOT or FTA, the Applicant assures that it will submit the required information pertaining to its compliance with these provisions;

(3) It will include in each subagreement, property transfer agreement, third party contract, third party subcontract, or participation agreement adequate provisions to extend the requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d and 49 CFR part 21 to other parties involved therein including any subrecipient, transferee, third party contractor, third party subcontractor at any level, successor in interest, or any other participant in the project;

(4) Should it transfer real property, structures, or improvements financed with Federal assistance provided by FTA to another party, any deeds and instruments recording the transfer of that property shall contain a covenant running with the land assuring nondiscrimination for the period during which the property is used for a purpose for which the Federal assistance is extended or for another purpose involving the provision of similar services or benefits;

(5) The United States has a right to seek judicial enforcement with regard to any matter arising under Title VI of the Civil Rights Act, U.S. DOT implementing regulations, and this assurance; and

(6) It will make any changes in its Title VI implementing procedures as U.S. DOT or FTA may request to achieve compliance with the requirements imposed by or issued pursuant to 49 U.S.C. 5332, 42 U.S.C. 2000d, and 49 CFR part 21.

E. Assurance of Nondiscrimination on the Basis of Disability

As required by U.S. DOT regulations, "Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance," at 49 CFR 27.9, the Applicant assures that, as a condition to the approval or extension of any Federal assistance awarded by FTA to construct any facility, obtain any rolling stock or other equipment, undertake studies, conduct research, or to participate in or obtain any benefit from any program administered by FTA, no otherwise qualified person with a disability shall be, solely by reason of that disability, excluded from participation in, denied the benefits of, or otherwise subjected to discrimination in any program or activity receiving or benefiting from Federal assistance administered by the FTA or any entity within U.S. DOT. The Applicant assures that project implementation and operations so assisted will comply with all applicable requirements of U.S. DOT regulations implementing the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, *et seq.*, and the Americans with Disabilities Act of 1990, as amended, 42 U.S.C. 12101 *et seq.*, and implementing U.S. DOT regulations at 49 CFR parts 27, 37, and 38, and any other applicable Federal laws that may be enacted or Federal regulations that may be promulgated.

F. Suspension and Debarment

In accordance with the terms of U.S. DOT regulations, "Nonprocurement Suspension and Debarment," 2 CFR Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," 2 CFR Part 180:

(1) The Applicant (Primary Participant) certifies to the best of its knowledge and belief, that it and its principals, including its first tier subrecipients:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded or disqualified from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding its latest application or proposal been convicted of or had a civil judgment rendered against any of them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction, or contract under a public transaction; violation of any Federal or State antitrust statute; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making any false statement, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local)

with commission of any of the offenses listed in subparagraph (1)(b) of this certification;

(d) Have not within a three-year period preceding this certification had one or more public transactions (Federal, State, or local) terminated for cause or default.

(2) The Applicant (Primary Participant) certifies that it and its principals, including its first tier subrecipients, will treat each lower tier contract or lower tier subcontract under the Project that (a) equals or exceeds \$25,000, (b) is for audit services, or (3) requires the consent of a Federal official, as a covered contract for purposes of 2 CFR Part 1200 and 2 CFR Part 180, and will otherwise comply with the Federal requirements of 2 CFR Part 1200 and 2 CFR Part 180, and will assure that each lower tier participant involved in the Project is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded or disqualified from participation in this transaction by any Federal department or agency;

(3) The Applicant (Primary Participant) certifies that if, later, it or its principals, including any of its first tier subrecipients, become aware of any information contradicting the statements of subparagraphs (1)(a) through (d) above, it will promptly provide any necessary information to FTA;

(4) If the Applicant (Primary Participant) or any of its principals, including any of its first tier subrecipients or lower tier participants, is unable to certify to the statements within paragraphs (1), (2), and (3) above, the Applicant shall indicate so on its Signature Page or a Page attached in FTA's TEAM system providing a written explanation to FTA.

G. U.S. OMB Assurances

Consistent with U.S. OMB assurances set forth in SF-424B and SF-424D, the Applicant assures that, with respect to itself or its project, the Applicant:

(1) Has the legal authority to apply for Federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay the non-Federal share of project cost) to assure proper planning, management, and completion of the project described in its application;

(2) Will give FTA, the Comptroller General of the United States, and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives;

(3) Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain;

(4) Will initiate and complete the work within the applicable project time periods following receipt of FTA approval;

(5) Will comply with all applicable Federal statutes relating to nondiscrimination including, but not limited to:

(a) Title VI of the Civil Rights Act, 42 U.S.C. 2000d, which prohibits discrimination on the basis of race, color, or national origin;

(b) Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 through 1683, and 1685 through 1687, and U.S. DOT regulations, "Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance," 49 CFR part 25, which prohibit discrimination on the basis of sex;

(c) Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, which prohibits discrimination on the basis of disability;

(d) The Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 through 6107, which prohibits discrimination on the basis of age;

16. CLEAN FUELS GRANT PROGRAM

Each Applicant for Clean Fuels Grant Program assistance authorized under 49 U.S.C. 5308 is required to provide the following certifications on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the Applicant is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the Applicant is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the Applicant has made to FTA. FTA may not award Federal assistance for the Clean Fuels Grant Program until the Applicant provides these certifications by selecting Category "16."

17. ELDERLY INDIVIDUALS AND INDIVIDUALS WITH DISABILITIES FORMULA GRANT PROGRAM AND PILOT PROGRAM

Before FTA may award Elderly Individuals and Individuals with Disabilities Formula Grant Program assistance and, if applicable, Elderly Individuals and Individuals with Disabilities Pilot Program assistance to a State, the U.S. Secretary of Transportation or his or her designee is required to make the pre-award determinations required by 49 U.S.C. 5310. Because certain information is needed before FTA can make those determinations, each State is requested to provide the following certifications assurances on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the State itself is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the State is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the State has made to FTA. A State that fails to provide these certifications and assurances on behalf of itself and its subrecipients may be determined ineligible for a grant of Federal assistance under 49 U.S.C. 5310 if FTA lacks sufficient information from which to make those determinations required by Federal laws and regulations governing the Elderly Individuals and Individuals with Disabilities Formula Grant Program and, if applicable, the Elderly Individuals and Individuals with Disabilities Pilot Program authorized by 49 U.S.C. 5310 and section 3012 of SAFETEA-LU, respectively. The State is thus requested to select Category "17."

A. As required by 49 U.S.C. 5310(d), which makes the requirements of 49 U.S.C. 5307 applicable to the Elderly Individuals and

Individuals with Disabilities Formula Grant Program to the extent that the Federal Transit Administrator or his or her designee determines appropriate, and 49 U.S.C. 5307(d)(1), the State or State organization serving as the Applicant (State) and that administers, on behalf of the State, the Elderly Individuals and Individuals with Disabilities Program authorized by 49 U.S.C. 5310, and, if applicable, the Elderly Individuals and Individuals with Disabilities Pilot Program authorized by subsection 3012(b) of SAFETEA-LU, 49 U.S.C. 5310 note, certifies and assures on behalf of itself and its subrecipients as follows:

(1) In compliance with 49 U.S.C. 5307(d)(1)(A), the Applicant has or will have the legal, financial, and technical capacity to carry out its proposed program of projects, including the safety and security aspects of that program;

(2) In compliance with 49 U.S.C. 5307(d)(1)(B), the Applicant has or will have satisfactory continuing control over the use of project equipment and facilities;

(3) In compliance with 49 U.S.C. 5307(d)(1)(C), the Applicant will adequately maintain the project equipment and facilities;

(4) In compliance with 49 U.S.C. 5307(d)(1)(E), the Applicant, in carrying out a procurement financed with Federal assistance authorized under 49 U.S.C. 5310 or subsection 3012(b) of SAFETEA-LU: (1) will use competitive procurement (as defined or approved by FTA), (2) will not use exclusionary or discriminatory specifications in its procurements, (3) will comply with applicable Buy America laws, and (4) will comply with the general provisions for FTA assistance of 49 U.S.C. 5323 and the third party procurement requirements of 49 U.S.C. 5325;

(5) The State has or will have available and will provide the amount of funds required by 49 U.S.C. 5310(c), and if applicable by subsections 3012(b)(3) and (4) of SAFETEA-LU, for the local share, and that those funds will be provided from approved non-Federal sources except as permitted by Federal law; and

(6) In compliance with 49 U.S.C. 5307(d)(1)(H), the Applicant will comply with: (1) 49 U.S.C. 5301(a) (requirements for public transportation systems that maximize the safe, secure, and efficient mobility of individuals, minimize environmental impacts, and minimize transportation-related fuel consumption and reliance on foreign oil); (2) 49 U.S.C. 5301(d) (special efforts to design and provide public transportation for elderly individuals and individuals with disabilities); and (3) 49 U.S.C. 5303 through 5306 (planning and private enterprise requirements);

B. The State assures that each subrecipient either is recognized under State law as a private nonprofit organization with the legal capability to contract with the State to carry out the proposed project, or is a public body that has met the statutory requirements to receive Federal assistance authorized for 49 U.S.C. 5310;

C. The private nonprofit subrecipient's application for 49 U.S.C. 5310 assistance contains information from which the State concludes that the transit service provided or

offered to be provided by existing public or private transit operators is unavailable, insufficient, or inappropriate to meet the special needs of the elderly and persons with disabilities;

D. In compliance with 49 U.S.C. 5310(d)(2)(A) and subsection 3012(b)(2) of SAFETEA-LU, the State certifies that, before it transfers funds to a project funded under 49 U.S.C. 5336, that project has been or will have been coordinated with private nonprofit providers of services under 49 U.S.C. 5310;

E. In compliance with 49 U.S.C. 5310(d)(2)(C), the State certifies that allocations to subrecipients of financial assistance authorized under 49 U.S.C. 5310 or subsection 3012(b) of SAFETEA-LU will be distributed on a fair and equitable basis; and

F. In compliance with 49 U.S.C. 5310(d)(2)(B) and subsection 3012(b)(2) of SAFETEA-LU, the State certifies that: (1) projects it has selected or will select for assistance under that program were derived from a locally developed, coordinated public transit-human services transportation plan; and (2) the plan was developed through a process that included representatives of public, private, and nonprofit transportation and human services providers and participation by the public.

18. NONURBANIZED AREA FORMULA PROGRAM FOR STATES

The provisions of 49 U.S.C. 5311 establishing the Nonurbanized Area Formula Program for States do not impose, as a pre-condition of award, any explicit certification or assurance requirements established specifically for that program. Only a State or a State organization acting as the Recipient on behalf of a State (State) may be a direct recipient of this Nonurbanized Area Formula Program assistance. Separate certifications and assurances have been established in Category 22 for an Indian Tribe that is an Applicant for Tribal Transit Program assistance authorized by 49 U.S.C. 5311(c)(1).

Before FTA may award Nonurbanized Area Formula Program assistance to a State, the U.S. Secretary of Transportation or his or her designee is required to make the pre-award determinations required by 49 U.S.C. 5311. Because certain information is needed before FTA can make those determinations, each State is requested to provide the following certifications and assurances on behalf of itself and its subrecipients. Unless FTA determines otherwise in writing, the State itself is ultimately responsible for compliance with its certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the State is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the State has made to FTA. A State that fails to provide these certifications and assurances on behalf of itself and its subrecipients may be

determined ineligible for a grant of Federal assistance under 49 U.S.C. 5311 if FTA lacks sufficient information from which to make those determinations required by Federal laws and regulations governing the Nonurbanized Area Formula Program authorized by 49 U.S.C. 5311. The State is thus requested to select Category "18."

The State or State organization serving as the Applicant and that administers, on behalf of the State (State) the Nonurbanized Area Formula Program for States authorized by 49 U.S.C. 5311, assures on behalf of itself and its subrecipients as follows:

A. The State has or will have the necessary legal, financial, and managerial capability to apply for, receive, and disburse Federal assistance authorized for 49 U.S.C. 5311; and to carry out each project, including the safety and security aspects of that project;

B. The State has or will have satisfactory continuing control over the use of project equipment and facilities;

C. The State assures that the project equipment and facilities will be adequately maintained;

D. In compliance with 49 U.S.C. 5311(b)(2)(C)(i), the State's program has provided for a fair distribution of Federal assistance authorized for 49 U.S.C. 5311 within the State, including Indian reservations within the State;

E. In compliance with 49 U.S.C. 5311(b)(2)(C)(ii), the State's program provides or will provide the maximum feasible coordination of public transportation service to receive assistance under 49 U.S.C. 5311 with transportation service assisted by other Federal sources;

F. The projects in the State's Nonurbanized Area Formula Program are included in the Statewide Transportation Improvement Program and, to the extent applicable, the projects are included in a metropolitan Transportation Improvement Program;

G. The State has or will have available and will provide the amount of funds required by 49 U.S.C. 5311(g) for the local share, and that those funds will be provided from approved non-Federal sources except as permitted by Federal law; and

H. In compliance with 49 U.S.C. 5311(f), the State will expend not less than fifteen (15) percent of its Federal assistance authorized under 49 U.S.C. 5311 to develop and support intercity bus transportation within the State, unless the chief executive officer of the State, or his or her designee, after consultation with affected intercity bus service providers, certifies to the Federal Transit Administrator, apart from these certifications and assurances herein, that the intercity bus service needs of the State are being adequately met.

19. JOB ACCESS AND REVERSE COMMUTE FORMULA GRANT PROGRAM

Each Applicant for Job Access and Reverse Commute (JARC) Formula Grant Program assistance authorized under 49 U.S.C. 5316 is required to provide the following certifications on behalf of itself and any subrecipient that may be implementing its project. Unless FTA determines otherwise in writing, the Applicant itself is ultimately responsible for compliance with its

certifications and assurances even though a subrecipient, lessee, third party contractor, or other participant may participate in that project. Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the Applicant is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the Applicant has made to FTA. FTA may not award Federal assistance for the JARC Formula Grant Program until the Applicant provides these certifications by selecting Category "19."

A. As required by 49 U.S.C. 5316(f)(1), which makes the requirements of 49 U.S.C. 5307 applicable to Job Access and Reverse Commute (JARC) formula grants, and 49 U.S.C. 5307(d)(1), the Applicant for JARC Formula Program assistance authorized under 49 U.S.C. 5316, certifies on behalf of itself and its subrecipients, if any, as follows:

(5) In compliance with 49 U.S.C. 5307(d)(1)(E), the Applicant, in carrying out a procurement financed with Federal assistance authorized under 49 U.S.C. 5316: (1) will use competitive procurement (as defined or approved by FTA), (2) will not use exclusionary or discriminatory specifications in its procurements, (3) will comply with applicable Buy America laws, and (4) will comply with the general provisions for FTA assistance of 49 U.S.C. 5323 and the third party procurement requirements of 49 U.S.C. 5325;

(6) In compliance with 49 U.S.C. 5316(f)(1) and 49 U.S.C. 5307(d)(1)(F), the Applicant certifies that (1) with respect to financial assistance authorized under 49 U.S.C. 5316, it will conduct in cooperation with the appropriate MPO an areawide solicitation for applications, and make awards on a competitive basis and (2) with respect to financial assistance authorized under 49 U.S.C. 5316, it will conduct a statewide solicitation for applications, and make awards on a competitive basis; and that these activities will be carried out in a manner that

20. NEW FREEDOM PROGRAM

Consequently, in providing certifications and assurances that involve the compliance of its prospective subrecipients, the Applicant is strongly encouraged to take the appropriate measures, including but not limited to obtaining sufficient documentation from each subrecipient, to assure the validity of all certifications and assurances the Applicant has made to FTA. FTA may not award Federal assistance for the New Freedom Program until the Applicant provides these certifications by selecting Category "20."

A. As required by 49 U.S.C. 5317(e)(1), which makes the requirements of 49 U.S.C. 5310 applicable to New Freedom grants to the extent the Federal Transit Administrator or his or her designee determines appropriate, by 49 U.S.C. 5310(d)(1), which makes the requirements of 49 U.S.C. 5307 applicable to Elderly Individuals and Individuals with Disabilities Formula grants to the extent the Federal Transit Administrator or his or her designee determines appropriate, and by 49 U.S.C. 5307(d)(1), the Applicant for New Freedom Program assistance authorized under 49 U.S.C. 5317 certifies and assures on behalf of itself and its subrecipients, if any, as follows:

2010. The final rule amended the Federal pipeline safety regulations to address human factors and other aspects of control room management for certain pipelines where controllers use supervisory control and data acquisition (SCADA) systems. Under the final rule, pipeline operators must implement methods to reduce the risk associated with controller fatigue. In addition, certain operators must define the roles and responsibilities of controllers and provide controllers with the necessary information, training, and processes to fulfill these responsibilities. Affected operators must also manage alarms, ensure control room considerations are taken into account when changing pipeline equipment or configurations, and review reportable incidents for accidents to determine whether control room actions contributed to the event.

The workshop will include presentations highlighting several topical areas and the sharing of specific solutions based on initial feedback received from stakeholders. The panel format will offer the opportunity for dialogue and sharing of ideas to help PHMSA generate guidance material.

Preliminary Workshop Agenda

The preliminary agenda for the workshop includes:
