General Motors Company, Formerly Known as General Motors Corporation, Orion Assembly Plant, Including On-Site Leased Workers From Aerotek Automotive, Ryder and Premier Manufacturing Support Services, Lake Orion, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 22273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on March 17, 2010, applicable to workers of General Motors Company, formerly known as General Motors Corporation, Orion Assembly Plant, Lake Orion, Michigan. The notice was published in the Federal Register on April 23, 2010 (75 FR 21355). The notice was amended on August 25, 2010 to include on-site leased workers from Aerotek Automotive. The notice was published in the Federal Register on September 7, 2010 (75 FR 54388).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers assembled the Chevrolet Malibu and Pontiac G6.

New information shows that workers leased from Ryder and Premier Manufacturing Support Services were employed on-site at the Lake Orion, Michigan location of General Motors Company, formerly known as General Motors Corporation, Orion Assembly Plant. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Ryder and Premier Manufacturing Support Services working on-site at the Lake Orion, Michigan location of General Motors Company, formerly known as General Motors Corporation, Orion Assembly Plant.

The amended notice applicable to TA–W–71,952 is hereby issued as follows:

All workers of General Motors Company, formerly known as General Motors Corporation, Orion Assembly Plant, including on-site leased workers from Aerotek Automotive, Ryder and Premier Manufacturing Support Services, Lake Orion, Michigan, who became totally or partially separated from employment on or
after August 6, 2008, through March 17, 2012, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 25th day of October 2010.

Elliott S. Kushner,
Certifying Officer, Division of Trade Adjustment Assistance.

SA Industries 2, Inc., Formerly Known as Gates Corporation, Fluid Power Division, Including On-Site Leased Workers From Corporate Services, Inc., and the Workplace, Inc., Rockford, IL; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on July 31, 2009, applicable to workers of Gates Corporation, Fluid Power Division, a subdivision of Tomkins PLC, including on-site leased workers from Corporate Services, Inc. and The Workplace, Inc., Rockford, Illinois. The notice was published in the Federal Register on September 22, 2009 (74 FR 48304).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of hydraulic hose coupling components.

New information shows that in early October 2010, SA Industries 2, Inc. purchased the business of the Rockford, Illinois location of the Gates Corporation, Fluid Power Division, a subsidiary of Tomkins PLC and is now known only as SA Industries 2, Inc. Since the October purchase, the Rockford, Illinois location is no longer referred to as the Fluid Power Division or is a subsidiary of Tomkins PLC. The on-site leased workers from Corporate Services, Inc., and The Workplace, Inc., are no longer employed at the Rockford, Illinois location of SA Industries 2, Inc., formerly known as Gates Corporation, Fluid Power Division, a subsidiary of Tomkins PLC.

Accordingly, the Department is amending this certification to properly reflect these matters.

The intent of the Department’s certification is to include all workers of the subject firm who were adversely affected by a shift in the production of hydraulic hose coupling components to Mexico.

The amended notice applicable to TA–W–71,523 is hereby issued as follows:

All workers of SA Industries 2, Inc., formerly known as Gates Corporation, Fluid Power Division, a subsidiary of Tomkins PLC, Rockford Illinois, who became totally or partially separated from employment on or after July 1, 2008, through July 31, 2011, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 28th day of October 2010.

Elliott S. Kushner,
Certifying Officer, Division of Trade Adjustment Assistance.

Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974, as amended (19 U.S.C. 2273) the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers by (TA–W) number during the period of October 12, 2010 through October 15, 2010.

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(a) of the Act must be met.

I. Under Section 222(a)(2)(A), the following must be satisfied:

(1) A significant number or proportion of the workers in such workers’ firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) The sales or production, or both, of such firm have decreased absolutely; and

(3) One of the following must be satisfied:

(A) Imports of articles or services like or directly competitive with articles produced or services supplied by such firm have increased;

(B) Imports of articles like or directly competitive with articles into which one or more component parts produced by such firm are directly incorporated, have increased;

(C) Imports of articles directly incorporating one or more component parts produced outside the United States that are like or directly competitive with imports of articles incorporating one or more component parts produced by such firm have increased;

(D) Imports of articles like or directly competitive with articles which are produced directly using services supplied by such firm, have increased; and

(4) The increase in imports contributed importantly to such workers’ separation or threat of separation and to the decline in the sales or production of such firm; or

II. Section 222(a)(2)(B) all of the following must be satisfied:

(1) A significant number or proportion of the workers in such workers’ firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) One of the following must be satisfied:

(A) There has been a shift by the workers’ firm to a foreign country in the production of articles or supply of services like or directly competitive with those produced/supplied by the workers’ firm;

(B) There has been an acquisition from a foreign country by the workers’ firm of articles/services that are like or directly competitive with those produced/supplied by the workers’ firm; and

(3) The shift/acquisition contributed importantly to the workers’ separation or threat of separation.

In order for an affirmative determination to be made for adversely affected workers in public agencies and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(b) of the Act must be met.

(1) A significant number or proportion of the workers in the public agency have become totally or partially separated, or are threatened to become totally or partially separated;

(2) The public agency has acquired from a foreign country services like or directly competitive with services which are supplied by such agency; and
