SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106–181. The Act required the establishment of an advisory group. Representatives of the Administrator and Director serve alternating 1-year terms as chairperson of the advisory group.

The advisory group provides “advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or Tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) On safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Members of the advisory group may be allowed certain travel expenses as authorized by section 5703 of Title 5, United States Code, for intermittent Government service.

By FAA Order No. 1110–138, signed on October 10, 2003, the NPOAG became an Aviation Rulemaking Committee (ARC). FAA Order No. 1110–138, was amended and became effective as FAA Order No. 1110–138A, on January 20, 2006. The current NPOAG ARC is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American Tribal concerns. Current members of the NPOAG ARC are: Heidi Williams, Aircraft Owners and Pilots Association; Alan Stephen, fixed-winged air tour operator representative; Elling Halvorson, Papillon Airways, Inc.; Matthew Zuccaro, Helicopter Association International; Chip Dennerlein, Siksiyou Project; Gregory Miller, American Hiking Society; Kristen Brengel, National Parks Conservation Association; Bryan Faehner, National Parks Conservation Association; Rory Majenty, Hualapai Nation; and Ray Russell, Navajo Parks and Recreation. Members with expiring terms are Kristen Brengel and Bryan Faehner from the National Parks Conservation Association representing environmental concerns.

Public Participation in the NPOAG ARC

In order to retain balance within the NPOAG ARC, the FAA and NPS invite persons who are interested in serving on the ARC to represent environmental concerns, to contact Mr. Barry Brayer (contact information is written above in FOR FURTHER INFORMATION CONTACT).

Requests to serve on the ARC must be made to Mr. Brayer in writing and postmarked or e-mailed on or before December 20, 2010. The request should indicate whether or not you are a member of an association or group representing environmental concerns, or have another affiliation with issues relating to aircraft flights over national parks. The request should also state what expertise you would bring to the NPOAG ARC as related to the vacancy you are seeking to fill (e.g., environmental concerns). The term of service for NPOAG ARC members is 3 years.

Issued in Hawthorne, CA, on October 27, 2010.

Barry Brayer,

NPOAG Chairman, Manager, Special Programs Staff, Western-Pacific Region.
