set aside for small businesses, SDVO small businesses. Participants in the SBA’s 8(a) BD Program, or WOSBs, provide the product of a small business manufacturer or processor, if the recipient is other than the actual manufacturer or processor of the product. This requirement is commonly referred to as the Nonmanufacturer Rule. 13 CFR 121.406(b), 125.15(c), 127.505. Section 8(a)(17)(b)(iv) of the Act authorizes SBA to waive the Nonmanufacturer Rule for any “class of products” for which there are no small business manufacturers or processors available to participate in the Federal market.

In order to be considered available to participate in the Federal market for a class of products, a small business manufacturer must have submitted a proposal for a contract solicitation or received a contract from the Federal Government within the last 24 months. 13 CFR 121.1202(c). The SBA defines “class of products” based on the Office of Management and Budget’s NAICS.

The SBA received a request on August 13, 2010, to waive the Nonmanufacturer Rule for Woven and Knit impregnated with Flat Dipped Rubber/Plastic Gloves under PSC 9999 (Miscellaneous), NAICS code 315992 (Glove and Mitten Manufacturing).

On August 27, 2010, SBA published in the Federal Register a notice of intent to waive the Nonmanufacturer Rule for the above listed item, 75 FR 38156 (2010). SBA explained in the notice that it was soliciting comments and sources of small business manufacturers of this class of products. No comments were received in response to this notice. In addition, SBA conducted market research using the Dynamic Small Business Search database and no small business manufacturers that participate in the Federal market were identified. Lastly, on September 16, 2010, SBA posted a Sources Sought notice on http://www.fbo.gov that it was soliciting comments and sources of small business manufacturers of this class of products. One comment was received from a small business distributor, not a small business manufacturer of this type of product. Thus, SBA has determined that there are no small business manufacturers of this class of products, and is therefore granting the waiver of the Nonmanufacturer Rule for Woven and Knit impregnated with Flat Dipped Rubber/Plastic Gloves, under NAICS code 315992 (Glove and Mitten Manufacturing).

Background

Under section 504 of the Rehabilitation Act of 1973, as amended, Federal agencies are required to provide meaningful access to their programs and activities to qualified persons with disabilities. We are conducting a self-evaluation of our policies and practices to ensure that they comply with section 504 and 45 CFR part 85.

Request for Ideas and Suggestions

As we begin our self-evaluation, we are asking for your ideas and suggestions on how we can best perform the self-evaluation. For example:

• What aspects of our facilities, activities, and programs should we evaluate? Should we perform a self-evaluation of individual facilities or
perform a more general evaluation of our facilities, activities, and programs?  
- How can we best provide an opportunity for persons with disabilities, their family members, and those who work with or advocate for persons with disabilities to participate in the self-evaluation? Should we conduct public meetings, obtain ideas and suggestions through the solicitation of written comments, or obtain input through some other method?  
You will also have another opportunity to participate in the self-evaluation process when we ask you to submit comments about our policies and practices in a subsequent Federal Register notice.
