U.S. Participants and sold to their Canadian retirement accounts without being registered under the Securities Act.

Rule 237 requires written offering documents for securities offered and sold in reliance on the rule to disclose prominently that the securities are not registered with the Commission and are exempt from registration under the U.S. securities laws. The burden under the rule associated with adding this disclosure to written offering documents is minimal and is non-recurring. The foreign issuer, underwriter, or broker-dealer can redraft an existing prospectus or other written offering material to add this disclosure statement, or may draft a sticker or supplement containing this disclosure to be added to existing offering materials. In either case, based on discussions with representatives of the Canadian fund industry, the staff estimates that it would take an average of 10 minutes per document to draft the requisite disclosure statement.

The Commission understands that there are approximately 3,811 Canadian issuers other than funds that may rely on Rule 237 to make an initial public offering of their securities to Canadian-U.S. Participants. The staff estimates that in any given year approximately 38 respondents would be required to make 114 offering documents concerning those securities, for a total of 114 offering documents. The staff therefore estimates that during each year that Rule 237 is in effect, approximately 38 respondents would be required to make 114 responses by adding the new disclosure statements to approximately 114 written offering documents. Thus, the staff estimates that the total annual burden associated with the rule 237 disclosure requirements would be approximately 19 hours (114 offering documents x 10 minutes per document). The total annual cost of burden hours is estimated to be $6,004 (19 hours x $316 per hour of attorney time).

In addition, issuers from foreign countries other than Canada could rely on Rule 237 to offer securities to Canadian-U.S. Participants and sell securities to their accounts without becoming subject to the registration requirements of the Securities Act. However, the staff believes that the number of issuers from other countries that rely on Rule 237, and that therefore are required to comply with the offering document disclosure requirements, is negligible.

These burden hour estimates are based upon the Commission staff's experience and discussions with the fund industry. The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act. These estimates are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules.

Compliance with the collection of information requirements of the rule is mandatory and is necessary to comply with the requirements of the rule in general. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number. The Commission's estimate concerning the wage rate for attorney time is based on salary information from a comprehensive or even a representative survey or study of the costs of Commission rules.

The Commission’s estimate concerning the wage rate for attorney time is based on salary information from SIFMA’s Management & Professional Earnings in the Securities Industry 2009, modified by Commission staff to account for an 1,800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits, and overhead.

SECURITIES AND EXCHANGE COMMISSION

November 2, 2010.

3 CBOE’s allocation of certain regulatory responsibilities under this Agreement is limited to the facilities of the CBOE Stock Exchange, LLC, a facility of CBOE.
I. Introduction

Section 19(g)(1) of the Act, among other things, requires every self-regulatory organization ("SRO") registered as either a national securities exchange or a national securities association to examine for, and enforce compliance by, its members and persons associated with its members with the Act, the rules and regulations thereunder, and the SRO's own rules, unless the SRO is relieved of this responsibility pursuant to Section 17(d) or Section 19(g)(2) of the Act. Without this relief, the statutory obligation of each individual SRO could result in a pattern of multiple examinations of broker-dealers that maintain memberships in more than one SRO ("common members"). Such regulatory duplication would add unnecessary expenses for common members and their SROs.

Section 17(d)(1) of the Act was intended, in part, to eliminate unnecessary multiple examinations and regulatory duplication. With respect to a common member, Section 17(d)(1) authorizes the Commission, by rule or order, to relieve an SRO of the responsibility to receive regulatory reports, to examine for and enforce compliance with applicable statutes, rules, and regulations, or to perform other specified regulatory functions.

To implement Section 17(d)(1), the Commission adopted two rules: Rule 17d–1 and Rule 17d–2 under the Act. Rule 17d–1 authorizes the Commission to name a single SRO as the designated examining authority ("DEA") to examine common members for compliance with the financial responsibility requirements imposed by the Act, or by Commission or SRO rules. When an SRO has been named as a common member's DEA, all other SROs to which the common member belongs are relieved of the responsibility to examine the firm for compliance with the applicable financial responsibility rules. On its face, Rule 17d–1 deals only with an SRO's obligations to enforce member compliance with financial responsibility requirements. Rule 17d–1 does not relieve an SRO from its obligation to examine a common member for compliance with its own rules and provisions of the federal securities laws governing matters other than financial responsibility, including sales practices and trading activities and practices.

To address regulatory duplication in these and other areas, the Commission adopted Rule 17d–2 under the Act. Rule 17d–2 permits SROs to propose joint plans for the allocation of regulatory responsibilities with respect to their common members. Under paragraph (c) of Rule 17d–2, the Commission may declare such a plan effective if, after providing for appropriate notice and comment, it determines that the plan is necessary or appropriate in the public interest and for the protection of investors; to foster cooperation and coordination among the SROs; to remove impediments to, and foster the development of, a national market system and a national clearance and settlement system; and is in conformity with the factors set forth in Section 17(d) of the Act. Commission approval of a plan filed pursuant to Rule 17d–2 relieves an SRO of those regulatory responsibilities allocated by the plan to another SRO.

II. Proposed Plan

The proposed 17d–2 Plan is intended to reduce regulatory duplication for firms that are common members of both FINRA and one or more exchanges that are a Party to the proposed 17d–2 Plan. Pursuant to the proposed 17d–2 Plan, FINRA would assume certain examination and enforcement responsibilities for common members with respect to certain applicable laws, rules, and regulations.

The text of the Plan delineates the proposed regulatory responsibilities with respect to the Parties. Included in the proposed Plan is an exhibit (the "Covered Regulation NMS Rules") that lists the Federal securities laws, rules, and regulations, for which FINRA would bear responsibility under the Plan for overseeing and enforcing with respect to trading activities or practices involving its own marketplace.

The text of the proposed 17d–2 Plan is as follows:

Agreement for the Allocation of Regulatory Responsibility for the Covered Regulation NMS Rules pursuant to § 17(d) of the Securities Exchange Act of 1934, 15 U.S.C. § 78q(d), and Rule 17d–2 Thereunder

This agreement (the "Agreement") by and among BATS Exchange, Inc. ("BATS"), BATS Y–Exchange, Inc. ("BATS Y"), Chicago Board Options Exchange, Inc. ("CBOE") 1, Chicago Stock Exchange, Inc. ("CHX"), EDGA Exchange, Inc. ("EDGA"), EDGEX Exchange, Inc. ("EDGEX"), Financial Industry Regulatory Authority, Inc. ("FINRA"), The NASDAQ Stock Market LLC ("NASDAQ"), NASDAQ OMX BX, Inc., NASDAQ OMX PHXL, Inc., National Stock Exchange, Inc. ("NSX"), New York Stock Exchange LLC ("NYSE"), NYSE Arca Inc. ("NYSE Arca") (together, the "Participating Organizations"), is made pursuant to § 17(d) of the Securities Exchange Act of 1934 (the "Act" or "SEA"), 15 U.S.C. § 78q(d), and Rule 17d–2 thereunder, which allow for plans to allocate regulatory responsibility among self-regulatory organizations ("SROs"). WHEREAS, the Participating Organizations desire to: (a) foster cooperation and coordination among the SROs; (b) remove impediments to, and foster the development of, a national market system; (c) strive to protect the interest of investors; and (d) eliminate duplication in their examination and enforcement of SEA Rules 611(a) and (b) and 612 (the "Covered Regulation NMS Rules"); WHEREAS, the Participating Organizations are interested in

2. See paragraph 1 of the proposed 17d–2 Plan.

3. CBOE's allocation of certain regulatory responsibilities under this Agreement is limited to the activities of the CBOE Stock Exchange, LLC, a facility of CBOE.
allocating regulatory responsibilities with respect to broker-dealers that are members of more than one Participating Organization (the “Common Members”) relating to the examination and enforcement of the Covered Regulation NMS Rules; and

WHEREAS, the Participating Organizations will request regulatory allocation of these regulatory responsibilities by executing and filing with the Securities and Exchange Commission (“Commission” or “SEC”) a plan for the above stated purposes (this Agreement) pursuant to the provisions of § 17(d) of the Act, and Rule 17d–2 thereunder, as described below.

NOW, THEREFORE, in consideration of the mutual covenants contained hereafter, and other valuable consideration to be mutually exchanged, the Participating Organizations hereby agree as follows:

1. Assumption of Regulatory Responsibility. The Designated Regulating Examining Authority (the “DREA”) shall assume examination and enforcement responsibilities relating to compliance by Common Members with the Covered Regulation NMS Rules ("Regulatory Responsibility"). A list of the Covered Regulation NMS Rules is attached hereto as Exhibit A. FINRA shall serve as DREA for Common Members that are members of FINRA. The Designated Examining Authority pursuant to SEA Rule 17d–1 ("DEA") shall serve as DREA for Common Members that are not members of FINRA. Notwithstanding anything herein to the contrary, it is explicitly understood that the term “Regulatory Responsibility” does not include, and each of the Participating Organizations shall retain full responsibility for examination, surveillance and enforcement with respect to trading activities or practices involving its own marketplace unless otherwise allocated pursuant to a separate Rule 17d–2 Agreement. Whenever a Common Member ceases to be a member of its DREA, the DREA shall promptly inform the Common Member’s DEA, which will become such Common Member’s new DREA.

2. No Retention of Regulatory Responsibility. The Participating Organizations do not contemplate the retention of any responsibilities with respect to the regulatory activities being assumed by the DREA under the terms of this Agreement. Nothing in this Agreement will be interpreted to prevent a DREA from entering into Regulatory Services Agreement(s) to perform its Regulatory Responsibility.

3. No Charge. A DREA shall not charge Participating Organizations for performing the Regulatory Responsibility under this Agreement.

4. Applicability of Certain Laws, Rules, Regulations or Orders. Notwithstanding any provision hereof, this Agreement shall be subject to any statute, or any rule or order of the SEC. To the extent such statute, rule, or order is inconsistent with one or more provisions of this Agreement, the statute, rule, or order shall supersede the provision(s) hereof to the extent necessary to be properly effectuated and the provision(s) hereof in that respect shall be null and void.

5. Customer Complaints. If a Participating Organization receives a copy of a customer complaint relating to a DREA’s Regulatory Responsibility as set forth in this Agreement, the Participating Organization shall promptly forward such copy of such customer complaint. It shall be such DREA’s responsibility to review and take appropriate action in respect to such complaint.

6. Parties to Make Personnel Available as Witnesses. Each Participating Organization shall make its personnel available to the DREA to serve as testimonial or non-testimonial witnesses as necessary to assist the DREA in fulfilling the Regulatory Responsibility allocated under this Agreement. The DREA shall provide reasonable advance notice when practicable and shall work with a Participating Organization to accommodate reasonable scheduling conflicts within the context and demands as the entity with ultimate regulatory responsibility. The Participating Organization shall pay all reasonable travel and other expenses incurred by its employees to the extent that the DREA requires such employees to serve as witnesses, and provide information or other assistance pursuant to this Agreement.

7. Sharing of Work-Papers, Data and Related Information. a. Sharing. A Participating Organization shall make available to the DREA information necessary to assist the DREA in fulfilling the Regulatory Responsibility assumed under the terms of this Agreement. Such information shall include any information collected by a Participating Organization in the course of performing its regulatory obligations under the Act, including information relating to an on-going disciplinary investigation or action against a member, the amount of a fine imposed on a member, financial information, or information regarding proprietary trading strategies gained in the course of performing the “Regulatory Information”. This Regulatory Information shall be used by the DREA solely for the purposes of fulfilling the DREA’s Regulatory Responsibility.

b. No Waiver of Privilege. The sharing of documents or information between the parties pursuant to this Agreement shall not be deemed a waiver as against third parties of regulatory or other privileges relating to the discovery of documents or information.

8. Special or Cause Examinations and Enforcement Proceedings. Nothing in this Agreement shall restrict or in any way encumber the right of a Participating Organization to conduct special or cause examinations of a Common Member, or take enforcement proceedings against a Common Member as a Participating Organization, in its sole discretion, shall deem appropriate or necessary.

9. Dispute Resolution Under this Agreement.

a. Negotiation. The Participating Organizations will attempt to resolve any disputes through good faith negotiation and discussion, escalating such discussion up through the appropriate management levels until reaching the executive management level. In the event a dispute cannot be settled through these means, the Participating Organizations shall refer the dispute to binding arbitration.

b. Binding Arbitration. All claims, disputes, controversies, and other matters in question between the Participating Organizations to this Agreement arising out of or relating to this Agreement or the breach thereof that cannot be resolved by the Participating Organizations will be resolved through binding arbitration. Unless otherwise agreed by the Participating Organizations, a dispute submitted to binding arbitration pursuant to this paragraph shall be resolved using the following procedures:

(i) The arbitration shall be conducted in a city selected by the DREA in which it maintains a principal office or where otherwise agreed to by the Participating Organizations in accordance with the Commercial Arbitration Rules of the American Arbitration Association and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof; and

(ii) There shall be three arbitrators, and the chairperson of the arbitration panel shall be an attorney.

10. Limitation of Liability. As between the Participating Organizations, no Participating Organization, including its respective directors, governors, officers, employees and agents shall be liable to any other Participating Organization, or its directors, governors, officers,
employees and agents, for any liability, loss or damage resulting from any delays, inaccuracies, errors or omissions with respect to its performing or failing to perform regulatory responsibilities, obligations, or functions, except (a) as otherwise provided for under the Act, (b) in instances of a Participating Organization’s gross negligence, willful misconduct or reckless disregard with respect to another Participating Organization, or (c) in instances of a breach of confidentiality obligations owed to another Participating Organization.

The Participating Organizations understand and agree that the regulatory responsibilities are being performed on a good faith and best effort basis and no warranties, express or implied, are made by any Participating Organization to any other Participating Organization with respect to any of the responsibilities to be performed hereunder. This paragraph is not intended to create liability of any Participating Organization to any third party.

11. SEC Approval.

a. The Participating Organizations agree to file promptly this Agreement with the SEC for its review and approval. FINRA shall file this Agreement on behalf, and with the explicit consent, of all Participating Organizations.

b. If approved by the SEC, the Participating Organizations will notify their members of the general terms of the Agreement and of its impact on their members.

12. Subsequent Parties; Limited Relationship. This Agreement shall inure to the benefit of and shall be binding upon the Participating Organizations hereto and their respective legal representatives, successors, and assigns. Nothing in this Agreement, expressed or implied, is intended or shall: (a) Confer on any person other than the Participating Organizations hereto, or their respective legal representatives, successors, and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement, (b) constitute the Participating Organizations hereto partners or participants in a joint venture, or (c) appoint one Participating Organization the agent of the other.

13. Assignment. No Participating Organization may assign this Agreement without the prior written consent of the DREAs performing Regulatory Responsibility on behalf of such Participating Organization, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that any Participating Organization may assign the Agreement to a corporation controlling, controlled by or under common control with the Participating Organization without the prior written consent of such Participating Organization’s DREAs. No assignment shall be effective without Commission approval.

14. Severability. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction.

15. Termination. Any Participating Organization may cancel its participation in the Agreement at any time upon the approval of the Commission after 180 days written notice to the other Participating Organizations (or in the case of a change of control in ownership of a Participating Organization, such other notice time period as that Participating Organization may choose). The cancellation of its participation in this Agreement by any Participating Organization shall not terminate this Agreement as to the remaining Participating Organizations.

16. General. The Participating Organizations agree to perform all acts and execute all supplementary instruments or documents that may be reasonably necessary or desirable to carry out the provisions of this Agreement.

17. Written Notice. Any written notice required or permitted to be given under this Agreement shall be deemed given if sent by certified mail, return receipt requested, or by a comparable means of electronic communication to each Participating Organization entitled to receipt thereof, to the attention of the Participating Organization’s representative at the Participating Organization’s then principal office or by e-mail.

18. Confidentiality. The Participating Organizations agree that documents or information shared shall be held in confidence, and used only for the purposes of carrying out their respective regulatory obligations under this Agreement, provided, however, that each Participating Organization may disclose such documents or information as may be required to comply with applicable regulatory requirements or requests from the SEC. Any Participating Organization disclosing confidential documents or information in compliance with applicable regulatory or oversight requirements will request confidential treatment of such information. No Participating Organization shall assert regulatory or other privileges as against the other with respect to Regulatory Information that is required to be shared pursuant to this Agreement.

19. Regulatory Responsibility. Pursuant to Section 17(d)(1)(A) of the Act, and Rule 17d–2 thereunder, the Participating Organizations request the SEC, upon its approval of this Agreement, to relieve the Participating Organizations which are participants in this Agreement that are not the DREA as to a Common Member of any and all responsibilities with respect to the matters allocated to the DREA pursuant to this Agreement for purposes of §§ 17(d) and 19(g) of the Act.

20. Governing Law. This Agreement shall be deemed to have been made in the State of New York, and shall be construed and enforced in accordance with the laws of the State of New York, without reference to principles of conflicts of laws thereof. Each of the Participating Organizations hereby consents to submit to the jurisdiction of the courts of the State of New York in connection with any action or proceeding relating to this Agreement.

21. Survival of Provisions. Provisions intended by their terms or context to survive and continue notwithstanding delivery of the regulatory services by the DREA and any expiration of this Agreement shall survive and continue.

22. Amendment.

a. This Agreement may be amended to add a new Participating Organization, provided that such Participating Organization does not assume regulatory responsibility, solely by an amendment executed by all applicable DREAs and such new Participating Organization. All other Participating Organizations expressly consent to allow such DREAs to jointly add new Participating Organizations to the Agreement as provided above. Such DREAs will promptly notify all Participating Organizations of any such amendments to add a new Participating Organization.

b. All other amendments must be made approved by each Participating Organization. All amendments, including adding a new Participating Organization, must be filed with and approved by the Commission before they become effective.

23. Effective Date. The Effective Date of this Agreement will be the date the SEC declares this Agreement to be effective pursuant to authority conferred
by § 17(d) of the Act, and Rule 17d–2 thereunder.

24. Counterparts. This Agreement may be executed in any number of counterparts, including facsimile, each of which will be deemed an original, but all of which taken together shall constitute one single agreement among the Participating Organizations.
