FEDERAL DEPOSIT INSURANCE CORPORATION

**Determination of Insufficient Assets To Satisfy Claims Against Financial Institution in Receivership**

**AGENCY:** Federal Deposit Insurance Corporation (FDIC).

**ACTION:** Notice.

**SUMMARY:** The FDIC has determined that insufficient assets exist in the receivership of BankUnited, FSB, Coral Gables, Florida, to make any distribution to general unsecured claims, and therefore such claims will recover nothing and have no value.

**DATES:** The FDIC made its determination on November 2, 2010.

**FOR FURTHER INFORMATION CONTACT:** If you have questions regarding this notice, you may contact an FDIC Claims Agent at (972) 761–8677. Written correspondence may also be mailed to FDIC as Receiver of BankUnited, FSB, Attention: Claims Agent, 1601 Bryan Street, Dallas, Texas 75201.

**SUPPLEMENTARY INFORMATION:** On May 21, 2009, BankUnited, FSB, Coral Gables, Florida, (FIN # 10061) was closed by the Office of Thrift Supervision, and the Federal Deposit Insurance Corporation ("FDIC") was appointed as its receiver ("Receivers"). In complying with its statutory duty to resolve the institution in the method that is least costly to the deposit insurance fund (see 12 U.S.C. 1823(c)(4)), the FDIC facilitated a transaction with a newly chartered Federal savings bank, BankUnited, Coral Gables, Florida, to acquire most of the assets and liabilities of the failed institution.

Section 11(d)(11)(A) of the FDI Act, 12 U.S.C. 1821(d)(11)(A), sets forth the order of priority for distribution of amounts realized from the liquidation or other resolution of an insured depository institution to pay claims. Under the statutory order of priority, administrative expenses and deposit liabilities must be paid in full before any distribution may be made to general unsecured creditors or any lower priority claims.

As of June 30, 2010, the value of assets available for distribution by the Receiver, together with all expected recovery sources, including recoveries on claims against directors, officers, and other professionals, claims in bankruptcy, and refunds of Federal and State taxes, was $4,321,339,716. As of the same date, administrative expenses and depositors' liabilities equaled $8,120,876,686, exceeding available assets by $3,799,536,970. Accordingly, the FDIC has determined that insufficient assets exist to make any distribution on general unsecured creditor claims (and any lower priority claims) and therefore all such claims, asserted or unasserted, will recover nothing and have no value.

Dated: November 4, 2010.

Executive Secretary.

Medicare Program; Medicare Part B Monthly Actuarial Rates, Premium Rate, and Annual Deductible Beginning January 1, 2011

AGENCY: Centers for Medicare & Medicaid Services (CMS), HHS.

ACTION: Notice.

SUMMARY: This notice announces the monthly actuarial rates for aged (age 65 and over) and disabled (under age 65) beneficiaries enrolled in Part B of the Medicare Supplementary Medical Insurance (SMI) program beginning January 1, 2011. In addition, this notice announces the annual deductible and premiums for aged and disabled beneficiaries as well as the monthly Part B premium rate for each enrollee. The monthly Part B premium rate to be paid by aged and disabled enrollees is also announced. Prior to the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) (Pub. L. 108–173), the Part B deductible was set in statute. After setting the 2005 deductible amount at $110.00, the Part B deductible for 2011 is $115.40, which is equal to 50 percent of the monthly actuarial rate for each enrollee. The Part B deductible to be paid by aged and disabled enrollees is also announced.

DATES: Effective Date: January 1, 2011.

FOR FURTHER INFORMATION CONTACT: M. Kent Clemens, 410–786–6391.

SUPPLEMENTARY INFORMATION:

I. Background

Part B is the voluntary portion of the Medicare program that pays all or part of the costs for physicians’ services, outpatient hospital services, certain home health services, services furnished by rural health clinics, ambulatory surgical centers, comprehensive outpatient rehabilitation facilities, and certain other medical and health services not covered by Medicare Part A. The Medicare Part B premium is available to individuals who are entitled to Medicare Part A, as well as to U.S. residents who have attained age 65 and are citizens, and aliens who were lawfully admitted for permanent residence and have resided in the United States for 5 consecutive years. Part B requires enrollment and payment of monthly premiums, as described in 42 CFR part 407, subpart B, and part 408, respectively. The difference between the premiums paid by all enrollees and total incurred costs is met by payments from the Supplementary Medical Insurance Fund.

The Secretary of the Department of Health and Human Services (the Secretary) is required by section 1839 of the Social Security Act (the Act) to announce the Part B monthly actuarial rates for aged and disabled beneficiaries as well as the monthly Part B premium. The Part B annual deductible is included because its determination is directly linked to the aged actuarial rate.

The monthly actuarial rates for aged and disabled enrollees are used to determine the correct amount of general revenue financing per beneficiary each month. These amounts, according to actuarial estimates, will equal, respectively, one-half the expected average monthly cost of Part B for each aged enrollee (age 65 and over) and one-half the expected average monthly cost of Part B for each disabled enrollee (under age 65).

The Part B deductible to be paid by enrollees is also announced. Prior to the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (MMA) (Pub. L. 108–173), the Part B deductible was set in statute. After setting the 2005 deductible amount at $110.00, section 629 of the MMA (amending section 1833(b) of the Act) requires that the Part B deductible be indexed beginning in 2006. The inflation factor to be used each year is the annual percentage increase in the Part B actuarial rate for enrollees age 65 and over. Specifically, the 2011 Part B deductible is indexed by multiplying the 2010 deductible by the ratio of the 2011 aged actuarial rate over the 2010 aged actuarial rate. The amount determined under this formula is then rounded to the nearest $1.

The monthly Part B premium rate to be paid by aged and disabled enrollees is also announced. (Although the costs of the program per disabled enrollee are different than for the aged, the statute provides that they pay the same premium amount.) Beginning with the passage of section 203 of the Social Security Amendments of 1972 (Pub. L. 92–603), the premium rate, which was determined on a fiscal year basis, was limited to the lesser of the actuarial rate for aged enrollees, or the current monthly premium rate increased by the
