

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release property at the Plains Airport under the provisions of 49 U.S.C. 47107(h)(2).

On August 12, the FAA determined that the request to release property at Plains Airport submitted by the airport meets the procedural requirements of the Federal Aviation Administration. The FAA may approve the request, in whole or in part, no later than December 10, 2010.

The following is a brief overview of the request:

Plains Airport is proposing the release of approximately 3.75 acres of non-aeronautical airport property to an adjacent land owner in order to conclude on-going land negotiations. The Airport Sponsor will receive fair market value for the property, which will be subsequently reinvested in eligible airport improvement projects.

Any person may inspect, by appointment, the request in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT.**

In addition, any person may, upon appointment and request, inspect the application, notice and other documents germane to the application in person at Plains Airport.

Issued in Helena, Montana, on November 2, 2010.

Gary M. Gates,

Acting Manager, Helena Airports District Office.
