

demonstrate that they can administer the program without excessive salary, overhead, or administrative expense. Specifically, the state should describe the administrative costs incurred in operating its current homeowner assistance program. States should also project the administrative costs incurred to implement the program with HUD assistance made available through the Emergency Homeowners' Loan program. Administrative costs include costs related to planning and implementing this program, along with the costs associated with the preparation and submission of HUD reports, etc.

D. Information must be submitted to *EHLStateFundingProgram@hud.gov*, no later than 11:59 a.m. on the Deadline Date.

E. If there is a discrepancy between any materials published by HUD in this notice and other information provided about the program, the published notice prevails.

V. Nondiscrimination and Civil Rights Requirements

States operating existing programs that provide substantially similar assistance to homeowners are considered recipients of federal assistance, and, therefore, must comply with the following federal requirements:

- *Fair Housing Act* (42 U.S.C. 3601–19) and implementing regulations at 24 CFR part 100 and the regulations at 24 CFR part 107.
- *Title VI of the Civil Rights Act of 1964* (42 U.S.C. 2000d *et seq.*) and implementing regulations at 24 CFR part 1.
- *The Age Discrimination Act of 1975* (42 U.S.C. 6101–6107) and implementing regulations at 24 CFR part 146.
- *Recordkeeping*. Recipients will be required to keep beneficiary records and report beneficiary data to HUD based on protected classes, in accordance with HUD's regulations in 24 CFR part 121 and other applicable HUD civil rights authorities.

VI. Program Administration

A. Cooperative Agreement

After HUD determines that the state's submission is complete and that the state has an existing program that provides substantially similar assistance to HUD's Emergency Homeowners' Loan program, HUD will execute a cooperative agreement with the state, state housing finance agency, or other nonprofit entity that is state-administered or state-chartered, and over which the state has effective control, oversight responsibility, and the

authority to audit the entity that will administer the Emergency Homeowners' Loan program for the state. The cooperative agreement will include all applicable requirements specific to the Emergency Homeowners' Loan program, federal grant requirements, and reporting requirements.

B. Commitment and Expenditure Deadline

The Dodd-Frank Wall Street Reform and Consumer Act provides that no loan or advance of credit shall be insured and no emergency mortgage relief payments made after September 30, 2011, except with respect to mortgagors approved to receive the benefit of a loan or advance insured, or mortgage relief payments on that date. To expedite the use of funds, states administering a program that provides substantially similar assistance will be subject to the following commitment and expenditure deadlines on the grantee's use of funds.

- Obligate not less than 75 percent of grant funded under this notice by July 31, 2011; and
- Demonstrate that it will be able to obligate 100 percent of its funds by September 30, 2011.

The grantee must track and report to HUD on a regular basis its progress in committing and expending Emergency Homeowners' Loan program grant funds.

C. Recapture and Reallocation

If HUD determines in its sole discretion, that a state grantee will not be able to obligate 100 percent of its funds by September 30, 2011, HUD may recapture all or any portion of the state's unobligated funds, and reallocate those funds to states that are able to expend funding for substantially similar programs or HUD's Emergency Homeowners' Loan program.

VII. Other Information

Environmental Review. This notice of funding availability does not direct, provide for assistance or loan and mortgage insurance for, or otherwise govern or regulate, real property acquisition, disposition, leasing, rehabilitation, alteration, demolition or new construction, or establish, revise, or provide for standards for construction or construction materials, manufactured housing, or occupancy. Accordingly, under 24 CFR 50.19(c)(1), this notice is categorically excluded from environmental review under the National Environmental Policy Act of 1969. (42 U.S.C. 4321)
