Polyethylene Terephthalate Film, Sheet and Strip From India: Extension of Time Limit for Preliminary Results of Countervailing Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 12, 2010.

FOR FURTHER INFORMATION CONTACT: Elfi Blum, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0197.

Background

On March 2, 2010, the Department of Commerce (the Department) published the initiation of a new shipper review under the countervailing duty order on polyethylene terephthalate film, sheet and strip from India for the period January 1, 2009, through December 31, 2009. *See Polyethylene Terephthalate Film, Sheet and Strip from India: Initiation of Antidumping Duty and Countervailing Duty New Shipper Reviews*, 75 FR 10758 (March 9, 2010). This new shipper review covers one producer and exporter of the subject merchandise to the United States: SRF Limited. On August 27, 2010, the Department published a notice of extension for the preliminary results of this new shipper review until November

22, 2010. *See Polyethylene Terephthalate Film, Sheet and Strip From India: Extension of Time Limit for Preliminary Results of Countervailing Duty New Shipper Review*, 75 FR 52717 (August 27, 2010). The Department is now further extending the deadline for the preliminary results until December 14, 2010.

Extension of Time Limit for the Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and section 351.214(i)(1) of the Department's regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the review was initiated, and the final results of the review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department's regulations allow the Department to extend the 180-day period to 300 days, and to extend the 90-day period to 150 days. The Department determines that this new shipper review involves extraordinarily complicated issues pertaining to the *bona fides* of this new shipper. In addition, we need further information from SRF Limited to analyze fully the subsidy programs under review. Because of these issues, the Department must issue another supplemental questionnaire to SRF Limited, provide SRF Limited with time to respond, and have sufficient time to analyze SRF Limited's response.

Therefore, the Department is extending the deadline for completion of the preliminary results of this new shipper review by an additional 22 days. Accordingly, the deadline for the completion of these preliminary results is now no later than December 14, 2010.

This notice is issued and published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: November 5, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Folding Metal Tables and Chairs From the People's Republic of China: Extension of Time Limit for the Final Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 12, 2010.

FOR FURTHER INFORMATION CONTACT: Lilit Astvatsatrian or Erin Kearney, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-6412 or (202) 482-0167, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 29, 2009, the Department of Commerce ("Department") published the initiation of the administrative review of the antidumping duty order on folding metal tables and chairs from the People's Republic of China ("PRC"). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Review*, 74 FR 37690 (July 29, 2009). On July 14, 2010, the Department published the preliminary results of review. *See Folding Metal Tables and Chairs from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 40788 (July 14, 2010). The 2008-2009 administrative review covers the period June 1, 2008, through May 31, 2009 and a deferred administrative review for Feili Group (Fujian) Co., Ltd. and Feili Furniture Development Limited Quanzhou City covers the period June 1, 2007, through May 31, 2008.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results are published. The Act further provides, however, that the Department may extend that 120-day period to 180 days after the preliminary results if it determines it is not practicable to complete the review within the foregoing time period.

The Department finds that it is not practicable to complete the final results of the 2007–2008 deferred and 2008–2009 administrative reviews of folding metal tables and chairs from the PRC within the 120-day time limit due to the Department’s adoption of a new labor valuation methodology for the final results. We find that additional time is needed to complete these final results. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the final results of this review, which is currently due on November 11, 2010, by 60 days to January 10, 2011, which is the 180th day after publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 5, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Fishing Capacity Reduction Program for the Longline Catcher Processor Subsector of the Bering Sea and Aleutian Islands NonPollock Groundfish Fishery

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration, Commerce.

ACTION: Notice of fee rate adjustment.

SUMMARY: NMFS issues this notice to decrease the fee rate for the non-pollock groundfish fishery to repay the \$35,000,000 reduction loan to finance the Non-Pollock groundfish fishing capacity reduction program.

DATES: The non-pollock groundfish program fee rate decrease will begin on January 1, 2011.

ADDRESSES: Send questions about this notice to Paul Marx, Chief, Financial Services Division, National Marine

Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910–3282.

FOR FURTHER INFORMATION CONTACT: Paul Marx, (301) 713–2390.

SUPPLEMENTARY INFORMATION:

I. Background

Sections 312(b)–(e) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1861a(b) through (e)) generally authorizes fishing capacity reduction programs. In particular, section 312(d) authorizes industry fee systems for repaying reduction loans which finance reduction program costs.

Subpart L of 50 CFR part 600 is the framework rule generally implementing section 312(b)–(e).

Sections 1111 and 1112 of the Merchant Marine Act, 1936 (46 App. U.S.C. 1279f and 1279g) generally authorizes reduction loans.

Enacted on December 8, 2004, section 219, Title II, of FY 2005 Appropriations Act, Public Law 104–447 (Act) authorizes a fishing capacity reduction program implementing capacity reduction plans submitted to NMFS by catcher processor subsectors of the Bering Sea and Aleutian Islands (“BSAI”) non-pollock groundfish fishery (“reduction fishery”) as set forth in the Act.

The longline catcher processor subsector (the “Longline Subsector”) is among the catcher processor subsectors eligible to submit to NMFS a capacity reduction plan under the terms of the Act.

The longline subsector non-pollock groundfish reduction program’s objective was to reduce the number of vessels and permits endorsed for longline subsector of the non-pollock groundfish fishery.

All post-reduction fish landings from the reduction fishery are subject to the longline subsector non-pollock groundfish program’s fee.

NMFS proposed the implementing notice on August 11, 2006 (71 FR 46364), and published the final notice on September 29, 2006 (71 FR 57696).

NMFS allocated the \$35,000,000 reduction loan to the reduction fishery and is repayable by fees from the fishery.

NMFS published in the **Federal Register** on September 24, 2007 (72 FR

54219), the final rule to implement the industry fee system for repaying the non-pollock groundfish program’s reduction loan and established October 24, 2007, as the effective date when fee collection and loan repayment began. The regulations implementing the program are located at § 600.1012 of 50 CFR part 600’s subpart M.

NMFS published in the **Federal Register** on November 2, 2009 (74 FR 56592), a notice to decrease the fee rate to \$0.016 per pound, effective January 1, 2010.

II. Purpose

The purpose of this notice is to adjust, in accordance with the framework rule’s § 600.1013(b), the fee rate for the reduction fishery. Section 600.1013(b) directs NMFS to recalculate the fee rate that will be reasonably necessary to ensure reduction loan repayment within the specified 30 year term.

NMFS has determined for the reduction fishery that the current fee rate of \$0.016 per pound is more than needed to service the loan. Therefore, NMFS is decreasing the fee rate to \$0.015 per pound which NMFS has determined is sufficient to ensure timely loan repayment.

Subsector members may continue to use *Pay.gov* to disburse collected fee deposits at: <http://www.pay.gov/paygov/>

Please visit the NMFS Web site for additional information at: http://www.nmfs.noaa.gov/mb/financial_services/buyback.htm.

III. Notice

The new fee rate for the Non-Pollock Groundfish fishery will begin on January 1, 2011.

From and after this date, all subsector members paying fees on the non-pollock groundfish fishery shall begin paying non-pollock groundfish fishery program fees at the revised rate.

Fee collection and submission shall follow previously established methods in § 600.1013 of the framework rule and in the final fee rule published in the **Federal Register** on September 24, 2007 (72 FR 54219).

The revised fee rate applicable to the non-pollock groundfish program’s reduction fishery is as follows:

Fishery	Current fee rate	New fee rate
Non-Pollock Groundfish	\$0.016 per pound	\$0.015 per pound.
