Rescission of Reviews in Part

In accordance with 19 CFR 351.213(d)(1), the Department will rescind an administrative review in part "if a party that requested a review withdraws the request within 90 days of the date of the publication of notice of initiation of the requested review." In addition, on September 1, 2010, the Department revoked, in part, the antidumping duty order on ball bearings and parts thereof from the United Kingdom as it applies to all subject merchandise exported and/or sold by The Barden Corporation (U.K.) Limited and Schaeffler (U.K.) Limited. *See Ball Bearings and Parts Thereof From France, et al.: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661 (September 1, 2010). The effective date of the revocation is May 1, 2009. The Department intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice.

Notification

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice is published in accordance with section 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: November 4, 2010.
