

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of Industry and Security (BIS).

Title: Special Comprehensive License.
OMB Control Number: 0694-0089.

Form Number(s): BIS-748P and BIS-752.

Type of Request: Regular submission (extension of a currently approved information collection).

Burden Hours: 542.

Number of Respondents: 64.

Average Hours per Response: 30 minutes to 40 hours.

Needs and Uses: The Special Comprehensive License procedure authorizes multiple shipments of items from the U.S. or from approved consignees abroad, who are approved in advance by BIS, to conduct the following activities: Servicing, support services, stocking spare parts, maintenance, capital expansion, manufacturing, support scientific data acquisition, reselling and reexporting in the form received, and other activities as approved on a case-by-case basis.

Affected Public: Business or other for-profit organizations; not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain benefits.

OMB Desk Officer: Jasmeet Seehra, (202) 395-3123.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jasmeet Seehra, OMB Desk Officer, via e-mail to Jasmeet_K_Seehra@omb.eop.gov, or fax to (202) 395-5167.

Dated: November 9, 2010.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

DEPARTMENT OF COMMERCE**Submission for OMB Review;
Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of Industry and Security (BIS).

Title: Foreign Availability Procedures.
OMB Control Number: 0694-0004.

Form Number(s): N/A.

Type of Request: Regular submission (extension of a currently approved information collection).

Burden Hours: 510.

Number of Respondents: 2.

Average Hours per Response: 255.

Needs and Uses: BIS's Office of Technology Evaluation (OTE) responds to requests by Congress and industry to make foreign availability determinations. OTE identifies foreign goods and technology analogous to American equipment subject to export controls. The U.S. and foreign equipment, however, must demonstrate a similarity of design or approach to the technical problems as well as exhibit similar performance and reliability characteristics. If the information merits an assessment, then it is used in that specific study of foreign availability. Continued restrictions on U.S. exports when comparable items are available from uncontrollable sources decreases U.S. competitiveness in high technology industries and undermines U.S. national security interests.

Affected Public: Business or other for-profit organizations; not-for-profit institutions.

Frequency: On occasion.

Respondent's Obligation: Required to obtain benefits.

OMB Desk Officer: Jasmeet Seehra, (202) 395-3123.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to Jasmeet Seehra, OMB Desk Officer, via e-mail to Jasmeet_K_Seehra@omb.eop.gov, or Fax to (202) 395-5167.

Dated: November 9, 2010.

Gwellnar Banks,

Management Analyst, Office of the Chief Information Officer.

BILLING CODE 3510-33-P

DEPARTMENT OF COMMERCE**Foreign-Trade Zones Board**

[Docket 65-2010]

Foreign-Trade Zone 50—Long Beach, CA; Application for Reorganization/Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Port of Long Beach, grantee of FTZ 50, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09; correction 74 FR 3987, 1/22/09). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on November 8, 2010.

FTZ 50 was approved by the Board on September 14, 1979 (Board Order 147, 44 FR 55919, 09/28/1979) and expanded on April 2, 1985 (Board Order 298, 50 FR 15205, 04/17/1985), on March 25, 1987 (Board Order 341, 52 FR 10393, 04/01/1987), on December 19, 1990 (Board Order 494, 55 FR 53581, 12/31/1990), on July 16, 1996 (Board Order 833, 61 FR 42832, 08/19/1996), on January 16, 2001 (Board Order 1141, 66 FR 8378, 01/31/2001) and on March 11, 2004 (Board Order 1319, 69 FR 13283, 03/22/2004).

The current zone project includes the following sites: Site 1 (8 acres)—909 East Colon Street, Wilmington; Site 2 (1,844 acres)—California Commerce Center, Ontario; Site 3 (68 acres)—within the Inter-City Commuter Station Redevelopment area at 1000 E. Santa Ana Boulevard, Santa Ana; Site 4 (175 acres, 6 parcels)—within the San Bernardino International Airport and Trade Center Complex in San Bernardino, located at 225 N. Leland Norton Way (1 acre), 255 S. Leland

Norton Way (2 acres), Perimeter Road (33 acres), Mill Street (19 acres), Central Avenue (32 acres), and 300 South Tippecanoe Avenue at East Mill Street (88 acres); Site 5 (5 acres)—10501–10509 E. Valley Blvd. at Pacific Place, El Monte; Site 6 (50 acres)—1875 West Mission Boulevard, Pomona; Site 7 (1 acre)—301 San Marino Avenue, between Broadway and Clary Avenues, San Gabriel; Site 8 (4 acres)—22941 South Wilmington Avenue, Carson; Site 9 (30 acres)—2560 East Philadelphia Street, Ontario; Site 10 (48 acres)—within Ontario Ridge Commerce Center at 3655 East Philadelphia Street, 2055 South Haven Street and 3625 East Philadelphia Street, Ontario; Site 11 (33 acres)—4100 E. Mission Boulevard, Ontario; Site 12 (32 acres)—1661 and 1777 S. Vintage Ave. and 1670 Champagne Ave., Ontario; Site 13 (7 acres)—2530 S. Birch Street, Santa Ana; Site 14 (7 acres)—3000 and 31000 Segerstrom Avenue, Santa Ana; Site 15 (9 acres)—2900 and 2930 South Fairview Street, Santa Ana; Site 16 (1 acre)—3630 West Garry Avenue, Santa Ana; Site 17 (6 acres)—1101 W. McKinley Avenue (buildings 4, 5, 7, 8, & 22), Pomona; and Site 18 (2 acres)—Santa Ana and Junipero Serra Streets, San Gabriel.

The grantee's proposed service area under the ASF would include all of Orange County and portions of Los Angeles County and San Bernardino County, California, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Los Angeles/Long Beach Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include fourteen of the existing sites as "magnet" sites (sites 1–8, 10, 14–18) and four of the existing sites as "usage-driven" sites (sites 9, 11–13). The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 2 be so exempted. The applicant is also requesting to expand the zone to include the following initial "usage-driven" sites: *Proposed Site 19* (22.09 acres)—VF Outdoor, Inc., 15614–15620 and 15700 Shoemaker Avenue, Santa Fe Springs (Los Angeles County); *Proposed Site 20* (22.32 acres)—Liberty Hardware, 5555 Jurupa Street, Ontario (San Bernardino County); *Proposed Site 21* (45.91 acres)—Tireco, Inc., 10545 Production Avenue, Fontana (San Bernardino County); *Proposed Site 22* (17.8 acres)—Schlosser Forge Company,

11711 Arrow Route, Rancho Cucamonga (San Bernardino County); and *Proposed Site 23* (15.7 acres)—Forged Metals Inc., 10685 Beech Avenue, Fontana (San Bernardino County). Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 50's authorized subzones.

In accordance with the Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 14, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to January 29, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230–0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482–0862.

Dated: November 8, 2010.

Andrew McGilvray,
Executive Secretary.

BILLING CODE P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

RIN 0648–XA024

Request for Comments on the Draft Revision of the Estuary Habitat Restoration Strategy Prepared by the Estuary Habitat Restoration Council

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; request for comments.

SUMMARY: The National Oceanic and Atmospheric Administration, on behalf of the interagency Estuary Habitat Restoration Council, is soliciting

comments on the draft revision of the "Estuary Habitat Restoration Strategy."

DATES: Comments and information must be received by January 14, 2011.

ADDRESSES: Send comments to Estuary Habitat Restoration Strategy, NOAA Fisheries Service, 1315 East-West Highway, Room 14730, Silver Spring, MD 20910. Electronic comments may be submitted by e-mail to estuaryrestorationact@noaa.gov or via an online form at <http://www.era.noaa.gov>. NOAA is not responsible for e-mail comments sent to addresses other than the one provided here. Comments should be in one of the following formats: Word or Word Perfect. The subject line for submission of comments should begin with "Estuary Habitat Restoration Strategy comments from [insert name of agency, organization, or individual]." Comments sent via e-mail, including all attachments, must not exceed a 10-megabyte file size.

All comments received are a part of the public record and may be posted to <http://www.era.noaa.gov> without change. All Personal Identifying Information (for example, name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information. A copy of the current strategy and authorizing legislation may be obtained by writing to the address specified above, telephoning the contact listed below (see **FOR FURTHER INFORMATION CONTACT**), or visiting the Internet at: <http://www.era.noaa.gov> or <http://www.usace.army.mil/CECW/ERA/Pages/home.aspx>.

FOR FURTHER INFORMATION CONTACT: Jenni Wallace, NOAA Fisheries Service, Silver Spring, MD, 301–713–0174.

SUPPLEMENTARY INFORMATION: The Estuary Restoration Act of 2000, title I of Public Law 106–457 as amended by Section 5017 of the Water Resources Development Act of 2007, Public Law 110–114 (hereinafter referred to as "the Act"), has four purposes: (1) Promotion of estuary habitat restoration through a coordinated Federal approach relying on common standards for monitoring and a common system for tracking restored acreage; (2) Development of a national strategy for creating and maintaining effective estuary habitat restoration partnerships among public agencies as well as through public-private partnerships; (3) Provision of Federal assistance through cooperative agreements for efficient financing of estuary habitat restoration projects; and (4) Development and enhancement of monitoring and research capabilities to
