

from the requirements of notice and comment and a delayed effective date, 5 U.S.C. 553(b), (d), and is made effective upon issuance; (2) the Department certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities and further that no Regulatory Flexibility Analysis was required to be prepared for this final rule since the Department was not required to publish a general notice of proposed rulemaking; and (3) this action is not a "regulation" or "rule" as defined by Executive Order 12866, "Regulatory Planning and Review," § 3(d) and, therefore, this action has not been reviewed by the Office of Management and Budget.

This rule will not have substantial direct effects on the States, on the relationship between the national government and the States, or on distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, "Federalism," it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment. This regulation meets the applicable standards set forth in Executive Order 12988, "Civil Justice Reform." This rule will not result in the expenditure by State, local and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more in any one year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

This action pertains to agency management, personnel and organization and does not substantially affect the rights or obligations of non-agency parties and, accordingly, is not a "rule" as that term is used by the Congressional Review Act (Subtitle E of the Small Business Regulatory Enforcement Fairness Act of 1996 (SBREFA)). Therefore, the reporting requirement of 5 U.S.C. 801 does not apply.

Homeowners Assistance Program—Application Processing

AGENCY: Under Secretary of Defense for Acquisition, Technology, and Logistics, Office of the Deputy Under Secretary of Defense (Installations and Environment), DoD.

ACTION: Final rule.

SUMMARY: This part continues to authorize the Homeowners Assistance Program (HAP) to financially compensate eligible military and civilian Federal employee homeowners when the real estate market is adversely affected directly related to the closure or reduction-in-scope of operations due to Base Realignment and Closure (BRAC).

The American Recovery and Reinvestment Act of 2009 (ARRA) expanded the HAP to provide assistance to: Wounded members of the Armed Forces (30 percent or greater disability), surviving spouses of fallen warriors, and wounded Department of Defense (DoD) civilian homeowners reassigned in furtherance of medical treatment or rehabilitation or due to medical retirement in connection with their disability; Base Realignment and Closure (BRAC) 2005 impacted homeowners relocating during the mortgage crisis; and Service member homeowners undergoing Permanent Change of Station (PCS) moves during the mortgage crisis.

DATES: *Effective Date:* January 18, 2011.

FOR FURTHER INFORMATION CONTACT: Deanna Buchner, (703) 602–4353.

SUPPLEMENTARY INFORMATION:

The prompt implementation of the Final Rule is of critical importance in meeting the goals of the Department of Defense to provide financial stability and increase quality of life for those impacted by the mortgage crisis. The Department of Defense will provide financial assistance to offset financial losses of homeowners who need to sell their homes in conjunction with PCS moves, base closures, combat injuries, or loss of spouse in the line of duty.

The Under Secretary of Defense for Acquisition, Technology, and Logistics has overall responsibility and provides oversight for this program through the Deputy Under Secretary of Defense for Installations and Environment (DUSD(I&E)). The Army, acting as the DoD Executive Agent for administering the HAP and Expanded HAP, uses the Headquarters, U.S. Army Corps of Engineers (HQUSACE), to implement the program.

Comments: The Interim Final Rule was published in the **Federal Register** on September 30, 2009 (74 FR 50109–50115). In response to the Interim Final Rule, the DoD received 56 comments during the 90-day comment period. While many comments crossed several subject areas, generally they can be placed into three categories: Benefits, eligibility, or general.

1. **Benefit comments:** There were 16 comments relating to benefits. These comments concern: benefit percentage, government acquisition, short sale, closing costs, and application processing.

a. **Benefit percentage.** Three comments received concerning the restriction of 90 percent of the primary fair market value for Base Realignment and Closure (BRAC) 2005 and Permanent Change of Station (PCS)

applicants as opposed to the 95 percent offered in the American Recovery and Reinvestment Act (ARRA) legislation. Changing this restriction would increase program costs by at least five percent overall and place expanded program applicants in the same benefit category as those where a DoD action (closing an installation) caused the market decline. ARRA expansion of HAP is designed to assist eligible applicants from catastrophic financial loss, not protect a homeowner's investment in real property.

b. *Government acquisition.* One comment received. The comment concerned providing private sale augmentation at 100 percent of mortgage. Private Sale Augmentation is not authorized by law.

c. *Short sale.* Two comments received concerned applicants receiving benefits after being forgiven the outstanding mortgage by lender and with deficiency being subtracted from the final amount due. Changing the current requirement would enable an applicant to profit by receiving benefits for amounts forgiven by lenders. The requirement is further clarified in § 239.5(c)(1).

d. *Closing costs.* Five comments were received regarding clarification of what constitutes closing costs. A definition has been added to § 239.4 (Definitions) that clarifies what is included in closing costs.

e. *Application processing.* Five comments were received regarding how applications are processed and applicants subsequently notified of eligibility. Clarification has been added to § 239.9 (Application Processing Procedures) to ensure applicants understand that applications must be mailed or otherwise delivered to the Corps of Engineers district office.

2. *Eligibility comments:* There were 50 comments relating to eligibility criteria. These comments concern: BRAC 2005 purchase date, BRAC 2005 definition, Automated Valuation Model (AVM) methodology, Retiree and Reservist eligibility, Fannie Mae/Freddie Mac conforming loan limit, PCS purchase date, market decline, and Coast Guard eligibility.

a. *BRAC 2005 purchase date.* Six comments received suggesting changing the requirement for the home to be purchased as of the BRAC announcement date of May 13, 2005. This requirement remains unchanged. While language in the ARRA gives the Secretary of Defense the discretion to allow ownership until July 1, 2006, the basic HAP law, Demonstration Cities and Metropolitan Development Act of 1966, established that BRAC impacted individuals should own homes prior to

announcement dates. For example, the two conventional homeowners assistance programs in effect under the prior law, which are now being executed at Naval Air Station (NAS) Brunswick, Maine, and Fort Monmouth, New Jersey, require ownership by May 13, 2005.

b. *BRAC 2005 eligibility.* Four comments received. One requested that eligibility for BRAC 2005 include those who were assigned to a BRAC installation but required to relocate for other than a BRAC action; one that recommended BRAC eligibility be expanded to include other Federal agency employees; one requesting BRAC eligibility include employees at non-BRAC sites but are affected by BRAC unit relocations; and one requesting a clarification of who is eligible for BRAC 2005 assistance. Current requirement remains unchanged. BRAC eligibility will continue to be only for those assigned to BRAC organizations where their positions are eliminated or relocated.

c. *AVM methodology and process.* Ten comments received expressing concern that the AVM does not represent current market conditions and requesting an explanation of the process and data behind the AVM uses to determine market value. The use of AVM to determine market value has been eliminated from the rule by no longer requiring owners to show a ten percent market loss.

d. *Retiree and Reservist eligibility.* Three comments received; two requesting voluntary retirement and one requesting Reservists be included as eligible for benefits. The primary focus of the Expanded HAP is helping those members where a DoD-ordered move caused the financial distress experienced by homeowners. Voluntary retirement is not a DoD-ordered move. Involuntary retirement, however, is a DoD-ordered move. Reservists called to active duty, who are not expected to move their household goods, have an option to remain in the areas where they live and are generally not eligible for the HAP benefit.

e. *FannieMae/FreddieMac (FM/FM) Conforming Loan Limit.* Twelve comments received. Some comments requested that this loan limit be lifted as an eligibility requirement because it does not capture what is occurring in today's market. Other comments requested that the focus of this limit be placed on the loan as opposed to purchase price. § 239.6(3) has been changed to remove the requirement for the Prior Fair Market Value (PFMV) or qualifying mortgage to be within the FM/FM conforming loan limit for

eligibility purposes. The Final Rule removes the FM/FM limit as an eligibility requirement and specifies a cap on benefit payments. Benefits cannot exceed an amount equal to the highest 2009 FM/FM conforming loan limit (as amended by the ARRA of 2009), which is \$729,750. For home purchase prices or qualifying mortgages that exceed this amount, the benefit calculation will use \$729,750 as the purchase price or qualifying mortgage amount.

f. *Permanent Change of Station home purchase date.* Four comments received requesting information on how the date was chosen and/or requesting that the date be changed. The requirement to have purchased the home prior to July 1, 2006, is based on market trends documented by S&P/Case-Shiller Home Price Indices, which indicates over ten percent market decline through the second quarter of 2006 nationwide. The July 1, 2006, date is a statutory requirement and remains unchanged.

g. *Personal loss/Market loss requirement.* Nine comments received that suggested the requirement to show a ten percent market loss is too restrictive. The need to show a ten percent county/parish/city market decline has been eliminated from the rule; however, the requirement to show a ten percent decline in individual home value remains.

h. *Coast Guard eligibility.* Two comments received that expressed concern that because of Coast Guard PCS procedures, ending the PCS eligibility on December 31, 2009, unfairly excludes most Coast Guard applicants from qualifying for the HAP benefit. The end date for PCS eligibility for members of all services was extended to September 30, 2010.

3. *General comments:* Received 12 comments of a general nature in the following categories: tax, marketing, definition of purchase date, rulemaking process, and the appeal process.

a. *Tax.* Four comments were received requesting that tax implications be explained more clearly. 26 U.S.C. 132(n) exempts HAP benefits from Federal tax. This change has been made in § 239.5(d).

b. *Marketing.* Two comments were received requesting that the requirement to list houses on the market prior to obtaining HAP benefit be lifted. It is important to retain this requirement because it helps establish a home's current fair market value and will reduce the number of homes purchased and held in the Government's inventory which would increase program costs significantly.

c. Purchase date definition. Four comments were received requesting clarity on what determines a purchase date, e.g., deed recording, signed contract. The Final Rule has been changed to add a definition of the term purchase. According to that definition, purchase occurs when the applicant enters into a contract for the purchase of the home or, in the event there is no contract for purchase, when the applicant closes on the property.

d. Rulemaking process. One comment received suggesting that extensions to public comment period be announced by a press release. The Department of Defense published a notice in the **Federal Register** on November 16, 2009 (74 FR 58846) extending the public comment period by an additional 60 days.

e. Appeal process. One comment received requesting information on appeal process. Section 239.11 (Appeals) explains the appeal process.

a. Executive Order 12866, “Regulatory Planning and Review”

Under Executive Order 12866, “Regulatory Planning and Review,” 58 FR 51735 (Oct. 4, 1993), a “significant regulatory action” is subject to Office of Management and Budget (OMB) review and the requirements of Executive Order 12866. Section 3(f) of the Executive Order defines “significant regulatory action” as one that is likely to result in a rule that may:

(1) Have an annual effect on the economy of \$100 million or more, or may adversely affect in a material way the economy; a sector of the economy; productivity; competition; jobs; the environment; public health or safety; or State, local, or tribal governments or communities;

(2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency;

(3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligations of recipients thereof; or

(4) Raise novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in the Executive Order.

This rule is an economically significant regulatory action under section 3(f) of Executive Order 12866 because it is expected to have an annual effect on the economy of more than \$100 million and materially alter the budgetary impact of the Homeowners Assistance Program. Accordingly, OMB has reviewed this rule.

b. Sec. 202, Public Law 104–4, “Unfunded Mandates Reform Act”

It has been certified by the DUSD(I&E) that 32 CFR part 239, does not contain a Federal mandate that may result in expenditure by State, local, and tribal governments, in aggregate, or by the private sector, of \$100 million or more in any one year.

c. Public Law 96–354, “Regulatory Flexibility Act” (5 U.S.C. 601)

It has been certified by the DUSD(I&E) that 32 CFR part 239, is not subject to the Regulatory Flexibility Act (5 U.S.C. 601) because it would not, if promulgated, have a significant economic impact on a substantial number of small entities.

d. Public Law 96–511, “Paperwork Reduction Act” (44 U.S.C. Chapter 35)

It has been certified by the DUSD(I&E) that 32 CFR part 239, does impose reporting or recordkeeping requirements under the Paperwork Reduction Act of 1995. These requirements have been approved by the Office of Management and Budget under OMB Control Number 0704–0463.

e. Executive Order 13132, “Federalism”

It has been certified by the DUSD(I&E) that 32 CFR part 239, does not have federalism implications, as set forth in Executive Order 13132. This rule does not have substantial direct effects on:

- (1) The States;
- (2) The relationship between the Federal Government and the States; or
- (3) The distribution of power and responsibilities among the various levels of Government.

Authority: 42 U.S.C. 3374, as amended by Section 1001, ARRA, Public Law 111–5.

§ 239.1. Purpose.

This part: (a) Continues to authorize the Homeowners Assistance Program (HAP) under Section 3374 of title 42, United States Code (U.S.C.), to assist eligible military and civilian Federal employee homeowners when the real estate market is adversely affected directly related to the closure or reduction-in-scope of operations due to Base Realignment and Closure (BRAC). Additionally, in accordance with section 1001, American Recovery and Reinvestment Act of 2009 (ARRA), Public Law 111–5, this part temporarily expands authority provided in section 3374, of title 42 U.S.C., to provide assistance to: Wounded, Injured, or Ill members of the Armed Forces (30 percent or greater disability), wounded Department of Defense (DoD) and Coast Guard civilian homeowners reassigned in furtherance of medical treatment or rehabilitation or due to medical retirement in connection with their disability, surviving spouses of fallen warriors, Base Realignment and Closure (BRAC) 2005 impacted homeowners relocating during the mortgage crisis, and Service member homeowners undergoing Permanent Change of Station (PCS) moves during the mortgage crisis. This authority is referred to as “Expanded HAP.”

(b) Establishes policy, authority, and responsibilities for managing Expanded HAP and defines eligibility for financial assistance.

(c) In accordance with this part, the Under Secretary of Defense for Acquisition, Technology, and Logistics (USD(AT&L)) has overall responsibility and, through the Deputy Under Secretary of Defense for Installations and Environment (DUSD(I&E)), provides oversight for this program. The Army, acting as the DoD Executive Agent for administering the HAP, uses the Headquarters, U.S. Army Corps of Engineers (HQUSACE) to implement the program.

§ 239.2 Applicability and scope.

This part applies to the Office of the Secretary of Defense, the Military Departments (including the U.S. Coast Guard), the Chairman of the Joints Chiefs of Staff, the Combatant Commands, the Inspector General of the Department of Defense, the Defense Agencies, DoD Field Activities, and all other organizational entities within the Department of Defense (hereafter

referred to collectively as the “DoD Components”). This part for Expanded HAP is applicable until September 30, 2012, or as otherwise extended by law.

§ 239.3 Policy.

It is DoD policy, in implementing section 3374 of title 42, United States Code, as amended by section 1001 of the ARRA (Pub. L. 111–5), that those eligible (*see* section 239.6 of this part) to participate in the HAP and Expanded HAP are treated fairly and receive available benefit as quickly as practicable.

§ 239.4 Definitions.

(a) *Armed Forces.* The Army, Navy, Air Force, Marine Corps, and Coast Guard (*see* section 101(a) of title 10, U.S.C., as stipulated in section 1001(p) of Public Law 111–5).

(b) *Closing costs.* Sellers’ closing costs typically include: loan payoff fees; the real estate commission; title insurance; all or part of transfer taxes and escrow fees, if there are any; attorney’s fees where applicable; and other fees set by local custom. HAP pays sellers’ closing costs that are customary for the region where the home is located. Applicant’s realtor or lender can provide the applicant with the normal closing costs for his/her region. HAP will reimburse the seller for limited contributions made to the buyer’s portion of closing costs, including appraisal cost and realtor fees.

(c) *Deficiency judgment.* Judicial recognition of personal liability under applicable state law against a Service member whose property was foreclosed on or who otherwise passed title to another person for a primary residence through a sale that realized less than the full outstanding mortgage balance.

(d) *Deployment.* Performing service in a training exercise or operation at a location or under circumstances that make it impossible or infeasible for the member to spend off-duty time in the housing in which the member resides when on garrison or installation duty at the member’s permanent duty station, or home port, as the case may be.

(e) *Eligible mortgage.* A mortgage secured by the primary residence that was incurred to acquire or improve the primary residence. For a mortgage refinancing the original mortgage(s) or for a mortgage incurred subsequent to purchasing the property, funds from the refinanced or subsequent mortgages must be traced to the purchase of the primary residence or have been used to improve the primary residence. Home improvements that are documented (even if not financed through a subsequent mortgage or line of credit) may be added to the purchase price of

the primary residence. Funds from a refinanced or subsequent mortgage that were used for other purposes are not eligible and may not be considered. Benefits will be calculated using the amount of \$729,750 for primary residences with an eligible mortgage that exceeds \$729,750. The total benefit payable (excluding allowable closing costs) shall not exceed \$729,750. The ARRA expanded HAP calculates PFMV as the purchase price plus improvements. Improvements are identified in the Internal Revenue Publication #523 (<http://www.irs.gov/publications/p523/ar02.html>) which outlines items considered home improvements and distinguishes improvements from repairs and maintenance.

(f) *Forward deployment.* Performing service in an area where the Secretary of Defense or the Secretary’s designee has determined that Service members are subject to hostile fire or imminent danger under section 310(a)(2) of title 37, U.S.C.

(g) *Primary residence.* The one- or two-family dwelling from which employees or members regularly commute (or commuted) to their primary place of duty. Under § 239.6(a) and (b) of this part, the relevant property for which compensation might be offered must have been the primary residence of the member or civilian employee at the time of the relevant wound, injury, or illness. The first field grade officer (or civilian equivalent) in the member or employee’s chain of command may certify primary residence status.

(h) *Prior Fair Market Value (PFMV).* The PFMV is the purchase price of the primary residence. Benefits will be calculated using the amount of \$729,750 as the PFMV for primary residences with a PFMV that exceeds \$729,750.

(i) *Purchase.* Purchase occurs when the applicant enters into a contract for the purchase of the property. In the absence of a contract for purchase, the purchase occurs when the applicant closes on the property.

(j) *Reasonable effort to sell.* Applicant’s primary residence must be listed, actively marketed, and available for purchase for a minimum of 120 days. With regard to marketing, applicant must demonstrate that the asking price was within the current market value of the home as determined by the HQUSACE automated value model (AVM) for no less than 30 days. It is the applicant’s responsibility to explain marketing efforts by detailing how the asking price was gradually reduced until it reached the true current fair market value (*e.g.*, maintaining a log

containing date and asking price recorded over period of time indicating number of visits by prospective buyers and offers to purchase). If an applicant is unable to sell the primary residence, the HQUSACE will determine whether efforts to sell were reasonable.

(k) *Permanent Change of Station (PCS).* The assignment or transfer of a member to a different permanent duty station (PDS), to include relocation to place of retirement, when retirement is mandatory, under a competent authorization/order that does not specify the duty as temporary, provide for further assignment to a new PDS, or direct the military service member return to the old PDS.

§ 239.5 Benefit elections.

Section 3374 of title 42, U.S.C., as amended by section 1001 of the ARRA, Public Law 111–5, authorizes the Secretary of Defense, under specified conditions, to acquire title to, hold, manage, and dispose of, or, in lieu thereof, to reimburse for certain losses upon private sale of, or foreclosure against, any property improved with a one- or two-family dwelling owned by designated individuals.

(a) *General benefits.* (1) If an applicant is unable to sell the primary residence after demonstrating reasonable efforts to sell (*see* Definitions, § 239.4(i) of this part), the Government may purchase the primary residence for the greater of:

(i) The applicable percentage (identified by applicant type in § 239.5(a)(4) of this part) of the Prior Fair Market Value (PFMV) of the primary residence, or

(ii) The total amount of the eligible mortgage(s) that remains outstanding; however, the benefit payable (excluding allowable closing costs) shall not exceed \$729,750.

(2) If an applicant sells, has sold, or otherwise has transferred title of the primary residence, the benefit calculation shall be the amount of closing costs plus an amount not to exceed the difference between the applicable percentage of the PFMV and the sales price.

(3) If an applicant is foreclosed upon, the benefit will pay all legally enforceable liabilities directly associated with the foreclosed mortgage (*e.g.*, a deficiency judgment).

(4) *Applicable percentages.* (i) If an applicant is eligible under § 239.6(a)(1) or (2) of this part, and sells the primary residence, the applicable percentage shall be 95 percent of the PFMV. In addition, closing costs incurred on the sale may be reimbursed.

(ii) If an applicant is eligible under § 239.6(a)(1) or (2) of this part, and is

unable to sell the primary residence after demonstrating reasonable efforts to sell, the applicable percentage shall be 90 percent of the PFMV. Closing costs incurred on the sale may be reimbursed.

(iii) If an applicant is eligible under § 239.6(a)(3) or (4) of this part and sells the primary residence, the applicable percentage shall be 90 percent of the PFMV. In addition, closing costs incurred on the sale may be reimbursed.

(iv) If an applicant is eligible under § 239.6(a)(3) or (4) of this part and is unable to sell the primary residence after demonstrating reasonable efforts to sell, the applicable percentage shall be 75 percent of the PFMV. As noted under paragraph (a)(1) of this section, however, the applicant may instead be eligible for payment of the eligible mortgage outstanding.

(b) *Rules applicable to all benefit calculations.* (1) Prior to making any payment, the Government must determine that title to the property has been transferred or will be transferred as the result of making such payment. If the Government determines that making a benefit payment will not result in the transfer of title to the property, no payment will be made.

(2) A short sale will be treated as a private sale. If an applicant remains personally liable for a deficiency between the outstanding mortgage and the sale price, the amount of this deficiency may be included in the benefit, provided that the total amount of the benefit does not exceed the difference between 90 percent of the PFMV and the sales price.

(c) *Payment of benefits.* (1) *Private sale:* Where a benefit payment exceeds funds required to clear the mortgage and pay closing costs, the amount exceeding the mortgage and closing costs will be paid directly to the applicant. In the case of a short sale, if an applicant remains personally liable for a deficiency between the outstanding mortgage and the sale price, that deficiency shall be paid directly to the lender on behalf of the applicant. If the applicant was fully released from liability after a short sale, no benefit shall be paid to either the applicant or lender.

(2) *Government purchase:* Benefit is paid directly to the lender in exchange for government possession of the property. Since the benefit reimburses the applicant a percentage of the applicant's purchase price, if the benefit exceeds the mortgage payoff amount, the applicant will receive a benefit payment for the difference between the mortgage payoff and the total benefit payment. If the applicant has a buyer for the home, the payment of real estate

commissions when an applicant's mortgage exceeds the property's current fair market value (i.e., upside down) will be accomplished as follows:

(i) Commission will be at the normal and customary rate for the area (normally six percent) on the price agreed upon by the applicant and the buyer and to whom the Government will then sell the home. While the commission payment is the responsibility of the applicant, the Government will make the commission payment for the applicant when the home is sold by the Government to the applicant's buyer contingent upon both the Government acquisition and Government sale contract transactions being completed and recorded. Commissions will be paid to the broker listing the property. The allocation of dollars to real estate agents will be the responsibility of the listing broker.

(ii) After Government acquisition, the Government will then sell the property to the buyer found by the applicant.

(iii) No other payment of fees or commissions will be made without the prior approval of HQUSACE.

(3) *Foreclosure:* In the case of a foreclosure, benefit is paid to lien holder for legally enforceable liabilities.

(d) *Tax Implications.* 26 U.S.C. 132(n) exempts Expanded HAP benefits from Federal taxes and is not subject to withholding.

§ 239.6 Eligibility.

(a) *Eligibility by Category.* Those eligible for benefits under the Expanded HAP include the following categories of persons:

(1) *Wounded, Injured, or Ill.* (i)

Members of the Armed Forces:

(A) Who receive a disability rating of 30% or more for an unfitting condition (using the Department of Veterans Affairs Schedule for Ratings Disabilities), or who are eligible for Service member's Group Life Insurance Traumatic Injury Protection Program, or whose treating physician (in a grade of at least captain in the Navy or Coast Guard or colonel in Army, Marine Corps, or Air Force) certifies that the member is likely, by a preponderance of the evidence, to receive a disability rating of 30 percent or more for an unfitting condition (using the Department of Veterans Affairs Schedule for Ratings Disabilities) for wounds, injuries, or illness incurred in the line of duty while deployed, on or after September 11, 2001, and

(B) Who are reassigned in furtherance of medical treatment or rehabilitation, or due to retirement in connection with such disability, and

(C) Who need to market the primary residence for sale due to the wound, injury, or illness. (For example, the need to be closer to a hospital or a family member caregiver or the need to find work more accommodating to the disability.)

(ii) Civilian employees of DoD or the United States Coast Guard (excluding temporary employees or contractors, but including employees of non-appropriated fund instrumentalities):

(A) Who suffer a wound, injury, or illness (not due to own misconduct), on or after September 11, 2001, in the performance of duties while forward deployed in support of the Armed Forces, whose treating physician provides written documentation that the individual, by a preponderance of the evidence, meets the criteria for a disability rating of 30 percent or more. As described in paragraph (a)(1) of this section, this documentation will be certified by a physician in the grade of at least captain in the Navy or Coast Guard or colonel in Army, Marine Corps, or Air Force.

(B) Who relocate from their primary residence in furtherance of medical treatment, rehabilitation, or due to medical retirement resulting from the wound, injury, or illness, and

(C) Who need to market the primary residence for sale due to the wound, injury, or illness. (For example, the need to be closer to a hospital or a family member caregiver or the need to find work more accommodating to the disability.)

(2) *Surviving spouse.* The surviving spouse of a Service member or of a civilian employee:
