SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–63287; File No. SR–NYSEAmex–2010–105]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC Making a Technical Amendment to Its Rules to Insert the Specific Date for the Additional Expiration Months Pilot Program

November 9, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² notice is hereby given that, on November 8, 2010, NYSE Amex LLC (the “Exchange” or “NYSE Amex”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to make a technical amendment to its rules to insert the specific date for a pilot program. The text of the proposed rule change is available at the Exchange’s principal office, on the Commission’s Web site at <http://www.sec.gov>, at the Commission’s Public Reference Room, and <http://www.nyse.com>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received

on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to make a technical amendment to its rules to insert a specific date for a pilot program.

The Exchange recently adopted rules to establish a pilot program that would permit the Exchange to list up to an additional two expiration months, for a total of six expiration months for each class of options open for trading on the Exchange.³ This rule change proposes to amend the text of Commentary .11 to Rule 903 to insert the specific conclusion date of the pilot program, which is October 31, 2011.⁴

2. Statutory Basis

The Exchange believes that this proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (“Act”),⁵ in general, and furthers the objectives of Section 6(b)(5) of the Act⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. In particular, the proposed rule change seeks to update rule text to insert specific dates for a pilot program in a manner that is consistent with the pilot program as originally proposed.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

³ See Securities Exchange Act Release No. 63170 (October 25, 2010), 75 FR 66818 (October 29, 2010) (Notice of Filing and Immediate Effectiveness of SR–NYSEAmex–2010–99).

⁴ Existing rule text, which became effective and operative immediately upon filing on October 22, 2010, indicates that the Exchange will insert the date 12 months from the next full month from approval. *Id.*

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change is effective upon filing pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b–4(f)(1) thereunder.⁸ The Exchange designates the proposed rule change as an interpretation with respect to the meaning, administration, or enforcement of an existing rule.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63286; File No. SR-EDGA-2010-16]

Self-Regulatory Organizations; EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend EDGA Rules 2.5 and 11.4 To Permit Qualification and Registration of Authorized Traders of Members Pursuant to Certain Foreign Examination Modules Equivalent to the Series 7 Examination

November 9, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 27, 2010, the EDGA Exchange, Inc. (the "Exchange" or the "EDGA") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit

comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rules 2.5 and 11.4 to permit qualification and registration of Authorized Traders of Members pursuant to certain foreign examination modules equivalent to the Series 7 examination. The Exchange also proposes to make a technical amendment to Rule 2.3. The text of the proposed rule change is available on the Exchange's Web site at <http://www.directedge.com>, at the Commission's Web site at <http://www.sec.gov>, at the Exchange's principal office, and at the Public Reference Room of the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange Rules 2.5 and 11.4 both state that the Series 7 is required for registration with the Exchange as an Authorized Trader. The purpose of the proposed rule change is to expand the types of exams that may satisfy the Exchange's Series 7 requirement by recognizing foreign examination modules equivalent to the Series 7 examination.

The proposal would reduce duplicative qualification standards that foreign registered representatives encounter to qualify as a U.S. general securities registered representative. For example, the examination modules for the U.K. (Series 17) and Canada (Series 37/38) currently are accepted as equivalent to the U.S. Series 7 by the NYSE, the Financial Industry Regulatory Authority ("FINRA"), the NASDAQ Stock Market, NYSE AlterNext US [sic], NYSE Arca, the

Chicago Board Options Exchange ("CBOE"), and the BATS Exchange, Inc. ("BATS").³

The Series 17 version, the United Kingdom—Limited General Securities Registered Representative Examination, is for U.K. registrants who have successfully completed the basic exam of the U.K. and who are in good standing with the Financial Services Authority ("FSA"). Essentially, this modified Series 7 examination deletes those substantive sections of the standard Series 7 that overlap with the FSA examination. The Series 17 is a 100 question examination, is 120 minutes in duration, and deals with U.S. securities laws, regulations, sales practices and special products drawn from the standard Series 7 examination.

The Series 37 version is for Canadian registrants who have successfully completed the basic core module of the CSI Global Education ("CSI", formerly the Canadian Securities Institute) program. The Series 38 version is for Canadian registrants who, in addition to having successfully completed the basic core module of the CSI program, have also successfully completed the Canadian option and futures program. Both the Series 37 and 38 share topics and test questions with the parent Series 7 program but cover only subject matter that is not covered, or not covered in sufficient detail, on the Canadian qualification examination. The Series 37 has 90 questions and is 150 minutes in duration, while the Series 38, an abbreviated version of the series 37, has only 45 questions and is 75 minutes in duration. Forty-five questions pertaining to options from the series 37 were omitted from the Series 38.

The Exchange wishes to give U.K. and Canadian registered representatives the same advantage they have at other exchanges by eliminating duplicative examinations. The Exchange believes that acceptance of these examinations
