ENVIRONMENTAL PROTECTION AGENCY

[FRL-9227-5]

Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) or Superfund, Section 128(a); Notice of Grant Funding Guidance for State and Tribal Response Programs for FY2011

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) will begin to accept requests, from December 1, 2010 through January 31, 2011, for grants to supplement State and Tribal Response Programs. This notice provides guidance on eligibility for funding, use of funding, grant mechanisms and

process for awarding funding, the allocation system for distribution of funding, and terms and reporting under these grants. EPA has consulted with state and tribal officials in developing this guidance.

The primary goal of this funding is to ensure that state and tribal response programs include, or are taking reasonable steps to include, certain elements and a public record. Another goal is to provide funding for other activities that increase the number of response actions conducted or overseen by a state or tribal response program. This funding is not intended to supplant current state or tribal funding for their response programs. Instead, it is to supplement their funding to increase their response capacity.

For fiscal year 2011, EPA will consider funding requests up to a maximum of \$1.3 million per state or tribe. Subject to the availability of funds, EPA regional personnel will be available to provide technical assistance to states and tribes as they apply for and carry out these grants.

DATES: This action is effective as of December 1, 2010. EPA expects to make non-competitive grant awards to states and tribes which apply during fiscal year 2011.

ADDRESSES: Mailing addresses for U.S. EPA Regional Offices and U.S. EPA Headquarters can be located at <http://www.epa.gov/brownfields>.

FOR FURTHER INFORMATION CONTACT: The U.S. EPA's Office of Solid Waste and Emergency Response, Office of Brownfields and Land Revitalization, (202) 566-2892.

SUPPLEMENTARY INFORMATION:

I. General Information

Section 128(a) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended, authorizes a noncompetitive \$50 million grant program to establish and enhance state¹ and tribal² response programs.

¹ The term "state" is defined in this document as defined in CERCLA Section 101(27).

² The term "Indian tribe" is defined in this document as it is defined in CERCLA Section

Generally, these response programs address the assessment, cleanup, and redevelopment of brownfields sites and other sites with actual or perceived contamination. Section 128(a) cooperative agreements are awarded and administered by the U.S. Environmental Protection Agency (EPA) regional offices. This document provides guidance that will enable states and tribes to apply for and use Fiscal Year 2011 Section 128(a) funds.³

Requests for funding will be accepted from December 1, 2010 through January 31, 2011. Requests received after January 31, 2011 will not be considered for FY2011 funding. Information required to be submitted with the funding request is contained in Section IX. States or tribes that fail to submit the request in the appropriate manner may forfeit their ability to request funds. First time requestors are strongly encouraged to contact their Regional Brownfields contacts listed at the end of Section X, prior to submitting their funding request.

Requests submitted by the January 31, 2011 request deadline are preliminary; final cooperative agreement work plans and budgets will be negotiated with the regional offices once final allocation determinations are made. As in prior years, EPA will place special emphasis on reviewing a cooperative agreement recipient's use of prior 128(a) funding in making allocation decisions.

States and tribes requesting funds are required to provide a Dun and Bradstreet Data Universal Numbering System (DUNS) number with their final cooperative agreement package. For more information, please go to <http://www.grants.gov>.

The Catalogue of Federal Domestic Assistance entry for the Section 128(a) State and Tribal Response Program cooperative agreements is 66.817. This grant program is eligible to be included in state and tribal Performance

101(36). Intertribal consortia, as defined in the **Federal Register** Notice at 67 FR 67181, Nov. 4, 2002, are also eligible for funding under CERCLA 128(a).

³ The Agency may waive any provision of this guidance that is not required by statute, regulation, Executive Order or overriding Agency policies.
